DEDICATION

CAROLYN McMILLAN TINDELL

1922 - 1993

This *North Carolina Conference Journal* is dedicated to Carolyn Tindell, one of our faithful Conference people who worked behind the scenes. A long-time active member of Haymount UMC in Fayetteville, she purchased, coordinated, and prepared the communion elements for Annual Conference over a significant number of years. She also purchased and maintained the communion cloths. We will miss the joy and pleasure that emanated from her face each year as she gracefully and gratefully "waited on the table" for her Lord Jesus Christ.

HAZEL LASSITER COLLIER

1927 -

This *North Carolina Conference Journal* is dedicated to Hazel Collier, long-time active member of New Hope UMC in the Rocky Mount District, for her many years of service as our Annual Conference Registrar. Hazel's happy smile, her warmth and generosity make every Annual Conference registration a pleasure. She lives a beautiful Christian life. She retired in 1990 as employee of Northampton County Social Services after 36 years. Honored recently for her contributions, it was said, "Everyone in Northampton County loves Hazel Collier." Everyone in this Conference loves Hazel Collier!

YOU ARE THE HEART OF CHRIST
celebrates our awareness of who we are -

Now we extend that theme
with our 1993 North Carolina Annual Conference Emphasis:

"Casting Our Nets"

The disciples ached - body and head - and any thought of fishing any longer seemed like punishment. Yet Jesus told them to try again, to take those hurting arms and throw nets on the other side into deeper waters. And they did. Nets that had been empty were soon fat with fish. Lines that had been slack were now strained with the weight of the catch.

The Church does get tired, a tiredness made even worse when there seems to be little result. So, our Lord calls us to find some deeper water on the other side.

We will find ourselves in the "Fishing Village," repairing our nets in order to be ready for the fishing, talking to others who can tell us where they have found fish, gathering the reassurance that we are indeed called to fish. Our Annual Conference "Fishing Village" will be a gathering of the community to find resources to empower our local churches, to help us respond to our Lord's word to cast our nets again.

Empty nets make our hearts weary. Let's find the feet to follow the Lord's command. Let's find the vision and the tools that will reach the deeper waters. And let's fish together and celebrate the fullness of the nets.

JOURNAL OF PROCEEDINGS (Daily Minutes)

EXECUTIVE SESSION

OF THE 1993 ANNUAL CONFERENCE, Wednesday, June 16, 1993

The Executive Session for All Ministers in Full Connection: Bishop C. P. Minnick, Jr., called the Executive Session of the 1993 Annual Conference to order at 10:30 a.m.

Worship: After initial greetings, the Bishop led the clergy in singing *Amazing Grace* and read Psalm 118 followed by an invocation.

Passing of the Character of Clergy: Bishop Minnick called the district superintendents forward to give their reports. All district superintendents reported nothing against the pastors of the districts with the exception of the Wilmington District Superintendent Ruth Harper, who was not present. The Bishop explained the significance of the district superintendents reporting nothing against the pastors. It is an affirmation of their work and the work of the district superintendents in resolving issues in the local churches. He reported to the Conference that he would confer with the district superintendent of the Wilmington District to ascertain the report from the Wilmington District.

Report of the Board of Ordained Ministry: Chairperson William W. Sherman, Jr., presented the report for the Board of Ordained Ministry for 1993. Sherman explained the work of the Board of Ordained Ministry and commended the members of the Board for their diligence in evaluating the clergy. Sherman announced 22 candidates for probationary membership, 21 candidates for deacon's orders, and 19 candidates for elder's orders. He explained that one-third of our clergy members will retire in the next 10 years. Twenty-one ministers are retiring this year. Corrections were made to the report. Bishop Minnick asked the business questions, "Who has been elected as ordained deacons," and "Who has been elected as a Probationary Member?" The candidates for ordination as deacons were presented and elected by acclamation. Eul Lark Kim was received from the Presbyterian Church, USA, and recognized as a deacon. The list of candidates for ordination as elders was read and the candidates were questioned by the Bishop according to the disciplinary requirements. The candidates were affirmed by acclamation. Of those listed, Patricia Ann Dover Edwards will be ordained elder, but will be admitted in full connection to the Holston Conference in the following month. A list of affiliate members was approved by hand vote.

Question 49 regarding the ordained ministers on leave of absence were read and approved with the exception of J. Harvey Estes and Paul D. Granger. The vote on these two was taken separately since their approval required two-thirds vote. They were approved. Question 73, regarding clergy approved for appointment to less than full-time service was read, the name of Laurie Hays Coffman was added for one-half time. The clergy were approved. Question 53.a and c, regarding disability was approved. The retirees listed under Question 54.a stood and were recognized. They were approved by hand vote. Question 55.a was approved. The associate members who have been retired were approved.

The nominees for the Administrative Review Committee were elected as found on page 2 of the report. Nominations for the Joint Review committee, paragraphs 1, 2, 3, and 4 were elected. Candidates for the North Carolina Pastors' School were elected. Under Requirements for Ministry, the Board of Ordained Ministry moved the adoption of changes to requirements for ministry for local pastors licensed from 1989 - 1993. The proposed requirements are listed on page 3 of the report. The change was approved. Reverend Ted Carter raised the question of whether the requirements might make it too difficult for pastors without a counseling elder. The Bishop answered "No."

Question 73, paragraph 441.d, concerning appointments to other valid ministries was read and the appointments were approved. The names of persons who have died during the year were read. A moment of silence was observed in their memory and

honor. (Business Questions and Board of Ordained Ministry Report are found in Section III of the *Journal*.)

Sherman moved the adoption of the 1993 Annual Report of the Board of Ordained Ministry as a whole. The report was approved. The Bishop expressed his gratitude for the work of the Board of Ordained Ministry and asked the members of the Board to stand to be recognized.

Bishop Minnick asked if any other matters needed to be brought before the Executive Session. The Bishop led the body in singing *My Hope Is Built*. He commended all the clergy for their work and their dedication, and the Executive Session adjourned.

FIRST DAY, AFTERNOON SESSION, Wednesday, June 16, 1993

Communion Service: Holy Communion for all Annual Conference members and visitors began at 1:25 p.m. Bishop Minnick was the celebrant, assisted by Raleigh District Superintendent F. Belton Joyner, Jr., other members of the Cabinet, diaconal ministers, and the ushers.

The Plenary Session: Following the service of Holy Communion the Bishop opened the 168th session of the NC Conference at 3:07 p.m. The hymn *Come Christians Join to Sing* was sung. Greetings and a description of the agenda for the Conference was made.

Motions: Conference Secretary James Coile made the following motions:

"I move that the bar of the Conference be the main floor and the stage of Reeves Auditorium." This was approved.

"I move that the registration kept by the registrars at the registration tables be designated and declared the official roll of the Conference." This was approved.

"I move that the program contained in *The Conference Program, Recommendations and Reports 1993* (as it may be amended from time to time by the President of the Conference) be the official program of the Conference." This was approved.

"I move that persons appearing on the program who are not members of the Conference be granted the privilege of the floor." This was approved.

"I move that the committees and persons printed on pages 7 & 8, beginning with the staff members on page 7, be elected." The list was approved.

Vote on Constitutional Amendments: The constitutional amendments found on page 53 of *The Conference Program, Recommendations and Reports 1993* were presented for vote. Conference Secretary James Coile noted all ballots will be tallied electronically. All amendments will be voted on in succession. Only the clergy in full connection and lay members may vote on the constitutional amendments. Amendments cannot be amended, but can be debated. Secretary Coile explained that members of the Annual Conference may show that they have abstained, but the abstention votes will not be recorded as part of the official tally. All ballots will be valid for the votes cast.

Quinton Covington raised the question on Amendment I about the potential contradiction of the use of the word "status". Malloy Owen stated that in US courts the term "status" is already used to refer to a lifestyle. Mary Fulghum of Raleigh asked if this would supersede section 71 of *The Discipline* regarding homosexuality. The answer was "no." Gene Tyson indicated confusion over the term "status", saying that it is too vague compared to other terms in Article IV, and that "status" should be defined in context. Ellen Metcalf of Coats spoke for the amendment, referring to the language in the rest of the amendment. Stating that status ought not to matter, she also affirmed inclusiveness for single persons. Steve Little spoke against the amendment indicating that the term "status" was intentionally left vague in order to circumvent the church's prohibition on homosexuality. Margaret Staley of Fuquay-Varina spoke against the amendment. Bob O'Keefe questioned whether the amendment could override *The Discipline*. The Bishop's answer was "No." O'Keefe also indicated that the prohibition against homosexuality would be in jeopardy if the word status was placed in the constitution.

Bishop Minnick called for the vote on Amendment I. Amendments II through VI, XIII, XIV, XVIII, and XIX were presented and votes cast. These amendments changed the words minister or ministerial to clergy. He called for the vote on Amendments VIII, IX, X, XI, and XII which delete various paragraphs from Article VI of the constitution and the votes were cast. The Bishop asked for a vote on Amendments XV, XVI, and XVII. Following the vote, ballots were collected by the Tellers. (See Constitutional Amendments in Section III of *Journal*.)

Report of Conference Rules Committee: Chairperson Charles M. Cook moved an amendment to the rules found on page 16 of *The Conference Program, Recommendations and Reports 1993*.

Question: Reginald Ponder had a question concerning whether the amendment clearly stated that the trustees of the Retirement Homes were not subject to nomination by the Board of Institutions. Wilson Hayman, chairman of the Board of Institutions, was asked to respond to Ponder's question.

Amendment to Amendment: Hayman proposed an amendment to add the following language at the end of the first sentence of IV, 11.j: "with the exception of the Methodist Retirement Homes, Inc.," to the amendment. After brief discussion, the Bishop called the question and the amendment was approved.

Amendment: CFA President Bill Simpson moved that in *The Conference Program, Recommendations and Reports 1993*, "on page 16, in Section V.2, under Financial Administration, to delete the words 'its report to the Annual Conference' and to substitute the words 'the budget for adoption by the Annual Conference.'" It was adopted.

Amendment: Glenn R. Stevens moved that in IV, 11.b, page 15, of *The Conference Program, Recommendations and Reports 1993*, we add "United Methodist Men" to the list of those on the Annual Conference Program Committee. The amendment was adopted.

Amendment: Conference Treasurer Allen Norris proposed an amendment to IV, 11.a on page 15 of *The Conference Program, Recommendations and Reports 1993* to read, "The Conference Board of Trustees shall meet periodically at times and places designated by the Board at least twice a year. The annual meeting shall be held either at Annual Conference or within 30 days prior thereto." The amendment passed.

Amendment: Conference Secretary Jim Coile moved deletion of the last word "daily" from the bottom of Page 15, IV, 11.e. Thus the Committee on Minutes does not need to report each day. The word was deleted.

Quinton Covington proposed that a table be placed in the vestibule with all leftover handouts. The Secretary announced that this was being done.

The Conference rules as amended were adopted. (See Conference Rules in Section III of the *Journal*.)

Report of Conference Committee on Nominations Tabled: CCOM Executive Director G. Robert McKenzie, Jr., presented the report of the Committee on Nominations. McKenzie's report was tabled because not every delegate had yet received a copy of the *Book of Nominations*.

Report of the Vitalization Project: Team Leader Stephen C. Compton made the report on the Vitalization Project. Compton explained how the vitalization project had reached 241 congregations, far surpassing the original goal. He described the various training programs for pastors and laity conducted throughout eastern NC and that of the \$800,000 budget allocated from supplemental appropriations, the Project underspent by \$50,000. Compton presented the members of the Vitalization Committee for recognition. They were recognized by applause. The pastors participating in the project were presented for recognition and asked to stand to receive applause. Compton commended those who served as consultants and their assistants and had them stand and be recognized. He then asked Bishop Minnick to lead the Conference in a prayer of thanksgiving.

Point of Personal Privilege: A point of personal privilege was granted to Wilson Hayman as chairperson of the Courtesies and Introductions Committee, to recognize and

applaud the election of our Bishop as President of the Council of Bishops. The Conference responded accordingly.

Report of the Board of Ordained Ministry: Chairperson Bill Sherman presented those clergy transferring to this Conference from other conferences: Charles Herrin, Roger Leroy Loyd, John M. Mackey and Jonathan A. Minnick. They were welcomed by the Conference.

Report of the Council on Finance and Administration: President William C. Simpson, Jr., presented the report from the Council and presented the members for recognition. He explained that the budget is a theological statement of what the Church considers important. Simpson noted that there is now a "Questions and Comments Box" in the lobby of Reeves Auditorium. He requested that anyone who has questions about the budget place them in the box. Referring to pages 66 and 67 in *The Conference Program, Recommendations and Reports 1993*, Simpson explained that the budget on those pages was to be raised in 1994 and spent in 1995. The overall increase is 4.42% over the previous year. The program budget increased only 2.25%. Most of the increase was because of pension support. He explained that lines 6 and 15 were combined and lines 32 and 72 were added. Simpson explained also that the apportionment formula found on page 73 continues to use the four year average of monies spent, less the exclusions. He indicated that either the four year average or one year expenditures would determine the apportionments, whichever was less. The increases and decreases were capped at 15%.

The formula for the district superintendents' salaries was noted. Sections VI and VII were presented for information only. Simpson placed Sections III, IV, and V of the report for consideration.

Amendment: Quinton Covington from Laurinburg had a question regarding the amount charges were allowed to credit on pastoral travel in the formula for figuring the apportionments. He moved "to increase pastor's travel allowance from \$3,149 to \$4,500 to enable churches to receive credit on apportionment." Conference Treasurer Norris explained that the amendment changed from a standard based on an average allowance to a ceiling level.

Jim Huskins had a question regarding the term "charge" rather than "church." Huskins proposed to change the word "charge" to "church." The amendment was ruled out of order.

Clarification: Simpson raised some questions regarding the Huskins amendment since salary and utilities are set by the charge even though they are reported on Table II by the church. The Bishop called for a standing vote to determine if the ceiling will be \$4,500 per church for travel. The motion was approved.

Amendment: George Megill proposed that on page 75, Article V, where it speaks to the district superintendents' salaries that after leaving the first sentence intact, the change in salary shall be computed the same as the dollar amount of change of those on minimum salary. "I propose that Article V, page 75 of *The Conference Program, Recommendations and Reports 1993*, be amended in this manner: After the first sentence the report should read: "The change in salary shall be computed the same as the dollar amount of change in the recommended minimum salary and utilities of full-time pastors serving local charges in the NC Conference. This amount is \$1,114.00 (Page 81 of *The Conference Program, Recommendations and Reports 1993*: \$24,510 recommended for 1994 - \$23,396 adopted for 1993.) The 1993 salary for district superintendents is \$58,927. The increase recommended is \$1,114.00. Therefore, the 1994 salary for district superintendents will be \$60,051."

Megill Amendment Postponed: Simpson moved to postpone Megill's amendment and Article V of the report. They were postponed.

Motion: Billy Peele of Zion Church in the Wilmington District, proposed a motion on behalf of the majority of ministries and the District Council on Ministries for the Wilmington District that stated "That CFEA be directed to adjust the formula for

computing Outreach Ministries Fair Share for each local church by deducting the current amount designated as 'Minimum Salary' from the total monies spent after the other approved deductions have been made." The motion includes in the exclusionary amount the salary paid up to the amount of the equitable salary amount.

Motion to Refer: Rufus Stark proposed a motion to refer. After discussion of the substitute motion, Stark proposed that a model be run on the proposed adjustment based on the Peele amendment and that it be presented by Friday. It was concluded that this could not be done within the time frame given. Stark moved "that the Peele Amendment be referred for consideration by the 21st Century Committee so that they may run a computer model of the formula proposed by Peele and that the results of the formula be reported to the 1994 Conference for consideration." (Editorial correction: 21st Century Committee being concluded, the Task Force on Mission and Giving Service has been substituted.) His motion passed and the Peele motion was referred.

Items III and IV were placed before the Conference for adoption. They were adopted. (See CFA Report in Section III of *Journal*.)

Report on the Diaconal Ministry: Chairperson Robert L. Huckaby, Jr., presented the Board of Diaconal Ministry report. The three candidates being nominated for consecration were asked to come forward for recognition. The candidates were elected. Huckaby requested that the name William H. Remele be added to line 69.a. The Report of the Board of Diaconal Ministry was placed before the Conference for approval and it was approved. (See Diaconal Ministry Report in Section III of *Journal*.)

Lay Person of the Year Award: The report of the Board of Laity was tabled until Thursday. Gwen Henderson acknowledged that the Sanford District nomination for Lay Person of the Year was inadvertently omitted. She asked the Conference for permission to submit the revised report the following day. The Conference granted her permission to do so. The Sanford District and the Conference concurred with a later distribution.

Henderson presented the standards for the election of a Lay Person of the Year. The candidates from the various districts that were present were called to the front of the auditorium and were recognized by the Conference: Jackie Capps, Bellemont UMC, Burlington District; Eugene C. Rogers, Jr., Oxford UMC, Durham District; Freda Garrett, Riverside UMC, Elizabeth City District; David Kunzman, Clinton: First UMC, Fayetteville District; Bill Parker, Goldsboro: St. Luke UMC, Goldsboro District; Janet C. Janet Cady Newell, Lay Person of the Year for First UMC in Washington and from the Greenville District was chosen as Lay Person of the Year for the NC Annual Conference. Her emphasis is in missions and outreach. She helped transform her church from an "inward-looking church to one strongly committed to outreach," and she was instrumental in her church's becoming a Rainbow Covenant Congregation and a Global Mission Partner. Newell was presented a plaque recognizing her years of service to the church. The Conference responded with much appreciation. (See Lay Person of Year Award in Section III of *Journal*.)

Amendment: J. Malloy Owen moved that in the *Book of Handouts*, "Item 3, eliminate 'in each district during the current quadrennium.' from the last paragraph." Discussion followed and the Bishop admonished the Conference that a resolution passed the previous year required a great deal of work regarding the issue of inclusiveness in local churches and open itinerary and that the Conference was not receptive to cross-racial appointments, and not receptive regarding age or gender as well. The deletion on that was approved. The resolution then was approved.

George Megill was recognized to speak. He noted that this was not an amendment to spend funds in promoting homosexuality. Charles Michael Smith was recognized in opposition to the resolution. Inside the village, various agencies of the Conference had displays and vignettes which demonstrated the work of that agency and the work that persons could do in the local church. The meal was served in the village. Fish sandwiches and barbecue sandwiches were available for lunch. Tables and chairs had been placed under the trees for dining. Throughout the event, persons gathered in groups. Some discussed the legislation of the Conference. Some shared events that were occurring in their local church. A two-thirds vote was needed to end debate. The vote was taken and debate was ended.

The Bishop explained that there would be a standing count vote, counted section by section. The count resulted in the vote defeating reconsideration, 382 to 305.

Motion: Hope Morgan Ward moved that "the NC Council of Churches be an approved advance special of the NC Conference". She stated that this action would serve as: 1) as a reminder to churches of missional needs of the Council; 2) a way to expedite channeling of gifts to the Council; 3) a way to receive advance credit; and 4) a sign of our commitment to the Catholic spirit.

Amendment: Gene Tyson offered an amendment to the motion: "with the stipulation that monies from any Conference Council on Ministries commissions, committees, and organization may not be given to the Council of Churches." This amendment is to be added to the end of Ward's motion. The Bishop called for the vote on Tyson's amendment. Susan Harsh-Cafferty asked for clarification if this would be a Conference Advance Special to the NC Council of Churches. Bill Norton spoke, suggesting that the wording of the amendment be changed to "commissions and committees" to fit with the wording of the Conference. The Secretary noted that editorial changes would be made. The amendment was voted on and approved.

The Bishop called for a vote on Hope Morgan Ward's motion and it was supported.

Appreciation: Larry Robinson, Asbury Temple UMC, thanked the Conference for a grant of \$20,000 and for a loan of \$60,000 to purchase a parsonage for Asbury Temple Church.

Announcement: The Bishop announced a meeting following the worship service this evening and reminded the body of the resolutions and motions to be voted upon.

Question: Roger Elliott asked the question, "What happens if the Metropolitan Community Church withdraws from the Council." The Bishop responded that funding would immediately be reinstated.

Report of the Conference Board of Trustees: President Jerry Lowry asked the Board members to stand for recognition. Lowry directed the attention of the Conference to page 100 of *The Conference Program, Recommendations and Reports 1993* for the written report.

Gene Tyson addressed the Conference with an amendment beginning with paragraph two of the report stating that we ask Methodist College to present to the 1994 Annual Conference a plan for the following: 1) The building of administrative offices that would house the Bishop's office, and the staff of CCOM; 2) A Conference center for training, retreat and meetings; 3) Houses and homes for the Bishop and all the CCOM staff positions 4) All construction to be on the 400 acres of undeveloped land at Methodist College; 5) Further we allocate \$5,000 from CF&A for supplemental appropriations which was granted in the 1992 Annual Conference and not used. Tyson received a second and made comments. This motion is to encompass the second paragraph, including 1, 2, 3, and 4 of the paragraphs under the Conference Board of Trustees report.

Dr. Hendricks, President of Methodist College, was asked for his opinion by the Bishop. He said he would have to do an extensive study to see if the vacant land on the college campus would be a good place to make this a center for the Annual Conference. Bill Simpson pointed out that since this is the Raleigh area, the Episcopal residence cannot be moved from Raleigh. Langill Watson spoke against the Tyson motion. The Tyson motion was defeated.

The Conference Board of Trustees report was presented as a whole and adopted. (See Conference Trustees Report in Section III of *Journal*.)

Orientation for Conference Run/Walk for Hunger/Human Need: Coordinator Randy Maynard gave encouragement and instructions for the Run/Walk for funds for Hunger and Human Need. The Run/Walk starts at 7:30 a.m. on Saturday, June 19 with \$10,000 already pledged and 175 participants signed up. Maynard made a statement that he hoped everyone was "energized" about the Run/Walk whereupon a pink "energizer" rabbit with a bass drum walked down the aisle to the amusement of the Conference body. Sam Loy joined the presentation and encouraged the Conference to participate in this Run/Walk.

Time Extension on Session Adjournment: Diane Blanchard moved that the Conference remain in session until 6:00 p.m. in order to complete the business before the body. The motion was adopted and the Conference remained in session.

Personal Privilege: Gene High from Apex UMC, the Raleigh District, challenged everybody in the Raleigh District to sponsor Belton Joyner, their District Superintendent, in the Run/Walk for Hunger and Human Need.

Continuation of Report of Conference Council on Finance and Administration: President Bill Simpson stated that there are three areas pertaining to giving about which he is concerned: 1) mission giving, 2) communicating what good the Conference does in mission work, and 3) consecrating our giving in response to God's love by tithing. Simpson referred the Conference to the budget on pages 66 and 67 of *The Conference Program, Recommendations and Reports 1993*.

Megill Motion Removed from Table: The Megill amendment on the setting of district superintendents salaries was removed from the table. The Conference was referred back to the George Megill motion. This motion would begin to decrease the gap between the salaries of the local pastor and the district superintendent. The Megill motion was supported.

Motion: Maness Mitchell moved to change the figure on the budget line 48, Commission on Equitable Compensation, salary support for minimum salary pastors from \$150,000 for 1995 to \$184,827. He asked to raise the figure in the requested budget. Bill Simpson requested that someone from Equitable Compensation speak to this. Kermit Braswell spoke to the issue saying that additional funding will be provided by CFA if it is necessary to raise the level of compensation, and the Mitchell motion would have no effect on amount set for salaries. The Mitchell motion to raise the figure was defeated.

The Bishop called for a vote on the budget and it was approved. The whole report of CFA was approved. (See Conference Budget in Section III of *Journal*.)

Supplemental Information: The Secretary was recognized to present the Supplemental Information. The document was not distributed but was conveniently placed for those members desiring a copy. Coile moved the election of District Committees on the Ministry and District Boards of Trustees. They were elected. He moved that pension and service credit for Eugene Victor Maafo be corrected (in 1992 *Journal*) to read one-fourth year instead of one half-year. It was approved.

Ruling of Law: As a part of the concluding business of the Conference, Bishop C. P. Minnick, Jr., ruled on an appeal from a ruling of law made by the district superintendent of the New Bern District, presiding at a charge conference at First UMC, Morehead City, NC. The district superintendent had ruled that an Administrative Board could change its policies without first submitting them to the charge conference. Bishop Minnick affirmed the ruling of the district superintendent.

Adjournment: Bishop Minnick commended the Planning Committee for planning as they did to adjourn on time. The Bishop adjourned the Conference at 5:43 p.m. and asked everyone to return at 7:30 p.m. for the special evening program.

THIRD DAY, EVENING SESSION, Friday, June 18, 1993

Musical Presentation: This special evening performance was presented by "The Miracles," composed of singers and musicians from the Baddour Memorial Center in Senatobia, MS which has served mentally retarded adults since 1978. This Center provides a residential community with an environment to promote maximum growth mentally, spiritually, physically, vocationally, and socially. (For synopsis of this performance, see *Music of Praise and Commitment, June 18, 1993*.)

FOURTH DAY, MORNING SESSION, Saturday, June 19, 1993

Run/Walk for Hunger/Human Need: The activities of the day began with a two mile run/walk at 7:30 a.m. to support the work of the Conference with the Hunger and Human Need Fund. Lay and clergy Conference members were sponsored by individuals and churches to help raise funds for the Fund. Two-hundred and ten persons participated and over \$12,000 was pledged by supporters and those who ran and walked. The top five finishers were Mark Van Buren, Brett Dietrich, Rick Hanse, Reed Swanson, and Dennis Adams. (Editorial comment: Over \$31,000 had been collected by the time of this *Journal* printing.)

Love Feast: The morning session began with the traditional love feast at 9:30 a.m. The Reverends Herman Winberry and Tommy Tyson led the Conference in prayer, testimony, and singing. Tyson delivered the devotional message. The elements of the love feast, bread and water, was distributed and received by those attending. A number of persons gave testimonies, praising God and giving thanks for God's many gifts and blessings. Many led the Conference in singing familiar hymns. Testimonies were shared, concerning experiences during the past year in which God had spoken to or touched someone in a very special way. The experiences related to persons being saved, healed, and blessed in difficult circumstances. God and Jesus Christ was praised in word and song.

Cabinet and Staff Recognition: At 10:45 a.m, the Bishop called G. Robert McKenzie, Jr., retiring Conference Council on Ministries director, to recognize certain staff

persons. G. Paul Phillips III was awarded a plaque for eight years of service as the Council Staff person for Outdoor and Camping Ministries. The Bishop then recognized G. Robert McKenzie for his years of service as executive director of the Conference Council on Ministries, presenting him a plaque for his years of service.

Bishop Minnick recognized Randall Baker, retiring district superintendent of the Elizabeth City District, and Robert Baldrige who is leaving the Cabinet to become the executive director of the Conference Council on Ministries. The Bishop then presented Bill Presnell who will become the district superintendent of the Elizabeth City District and Ben Rouse who will become district superintendent of the Rockingham District.

Closing Worship and Sending Forth: The closing worship service was led by Bishop C. P. Minnick, Jr. The Sanctuary Bells (Handbell Choir) of St. Luke UMC of Goldsboro, presented anthems entitled *Resounding Joy* and *A Jubilant Anthem*. Bishop Minnick then fixed the appointments for the ensuing year. During the service, persons representing areas of Christian ministry brought into the auditorium several symbols of ministry. A towel and basin represented the servant ministry rendered by all and modeled by our diaconal ministers. A chalice and loaf of bread represented our communion with Christ and one another in the Church. Water reminded us of our baptism. A stole represented the pastor yoked to Christ as a shepherd of the community of faith. A hymnal reminded us to give praise to God but it can also be a guide for us in our prayers. The Bible reminded us that all of God's children learn from it the story of the faith and claim the faith as their own. A hammer represented the work done by the youth, at home and in other lands, and the missionary privilege in building buildings for church communities in other lands. A copy of the Church School curriculum represented the teaching ministry we share in the church. Potatoes represented our commitment to feed the hungry around the globe. A globe reminded us of our ministry and mission to all the world. After solemn prayer, the Conference sang the hymn *God Be with You till We Meet Again*. The service concluded with a commission and blessing by the Bishop.

Adjournment: The 1993 Session of the North Carolina Annual Conference, held in Reeves Auditorium at Methodist College in Fayetteville, North Carolina, was adjourned by Bishop C. P. Minnick, at 11:30 AM, on the Conference Secretary's 56th birthday, Saturday, June 19, 1993.

If these newly elected members are not confirmed by the Annual Conference, their positions may be filled through election by the Conference after nomination from the floor or nomination by the Conference Committee on Nominations. All Trustees shall serve until their successors are elected.

(the "institutions"). The integrity of the moral, spiritual and religious imperatives which form the basis for this connectional relationship between the institutions and the Annual Conference shall continue to be the responsibility of the appropriate boards and commissions of the Annual Conference as it may deem appropriate.

The purposes of this corporation shall be to provide a designated body of the Annual Conference with the responsibility to insure the legal integrity of the relationships between the institutions (and any similar institutions which may hereafter be formed) and the Annual Conference and to serve, consistent with the provisions of *The Book of Discipline of The United Methodist Church*, in an advisory and liaison role between the institutions and the Annual Conference with respect to the business and financial affairs of the institutions which might affect the Annual Conference.

**ARTICLE II.
POWERS OF TRUSTEES**

The Board of Trustees shall have the following powers, consistent with the rules of the Annual Conference and the governing instruments of the individual institutions affiliated with said Conference:

1. Upon the recommendation of the board of the individual affiliated institution and upon consultation with the appropriate Conference board or agency, to nominate and elect a percentage of the members of the board of trustees of each of the institutions affiliated with the Annual Conference as set forth by the governing instruments of the individual institution.

The Board of Trustees shall assure that these appointments are highly qualified, possess the necessary expertise and are willing to spend the necessary time to serve in a fiduciary capacity with said institutions to insure that the institutions adhere to principles of sound legal and financial responsibilities.

2. To review the annual financial statements of the affiliated institutions, to interpret those statements and to advise and report at least annually and as needed to the appropriate board of the Annual Conference concerning the financial status of each institution.
3. To review the policies of liability insurance purchased by or for the affiliated institutions in order to determine the sufficiency of their coverage and to report its conclusions to the appropriate Conference board.
4. To review materials adopted or used by the affiliated institutions which reflect on the institutions' respective legal relationships with the Conference and/or The United Methodist Church and to report any concerns about said materials to the Conference.
5. To perform such other duties as the Annual Conference may delegate to it consistent with the corporation's purposes and *The Book of Discipline of The United Methodist Church*.

ARTICLE III.
BOARD OF TRUSTEES

Section 1. General powers. All corporate powers shall be exercised by or under the authority of, and the business and affairs of the corporation shall be managed under the direction of, the Board of Trustees.

Section 2. Number and qualifications. The number of Trustees constituting the Board of Trustees shall be not fewer than fifteen voting members nor more than nineteen voting members, as may be fixed or changed from time to time, within the minimum and maximum, by the Board of Trustees with the approval of the Annual Conference. At least eight of the voting members of the Board of Trustees shall be laypersons who are members of local United Methodist churches within the Annual Conference, and at least seven of the voting members shall be clergy members of said Conference. Of the voting members, there shall be at least one more lay person than clergy persons serving on the Board of Trustees. In electing these members, some consideration shall be given to geographical representation. No more than one Trustee of any affiliated institution named in Article I shall serve at the same time as a member of the Board of Trustees. If any member of the Board of Trustees is subsequently elected to the board of one of the affiliated institutions named in Article I, which election shall violate this Section, then said Trustee shall immediately resign from the Board of Trustees. All members of the Board of Trustees shall be at least twenty-one years of age.

The Trustees shall be divided into four classes, as nearly equal in number as may be. The first Trustees elected by the Annual Conference shall serve for terms of one, two, three and four years, respectively, and thereafter the successors in each class of Trustees shall be elected to serve for terms of four years. No Trustee may serve for more than two consecutive four-year terms without being off the Board of Trustees for at least a period of four years. In the event of any increase or decrease in the number of Trustees, the additional or eliminated Trusteeships shall be so classified or chosen that all classes of directors shall remain or become as nearly equal in number as may be.

Section 3. Election. The Board of Trustees shall be nominated by the Committee on Nominations of the Annual Conference and elected by said Conference in accordance with the rules of said Conference and *The Book of Discipline of The United Methodist Church*. The initial Board of Trustees shall serve until June 30, 1993.

Section 4. Term of Trustees. The term of office of each successive class shall expire on June 30 of each year. Each initial Trustee shall hold office until such Trustee's death, resignation, or removal or until June 30, 1993. The terms of all other Trustees shall be for the number of years set forth in Article III, Section 2 or until such Trustee's death, resignation, or removal. A decrease in the number of Trustees does not shorten an incumbent Trustee's term. Despite the expiration of a Trustee's term, such Trustee shall continue to serve until a successor shall be elected and qualifies or until there is a decrease in the number of Trustees.

Section 5. Vacancies. Upon a vacancy arising for any reason other than expiration of term, the bishop and district superintendents shall nominate and elect vacancies among the voting members as they occur, subject to subsequent confirmation by the Annual Conference. If these newly elected members are not confirmed by the Annual Conference, their positions may be filled through election by the Conference after nomination from the floor or nomination by the Conference Committee on Nominations. All Trustees shall serve until their successors are elected.

Section 6. Non-voting Trustees Serving Ex Officio. The non-voting members of the Board of Trustees serving ex officio shall include the resident bishop of the Annual Conference or his designee and the chief executives of each of the institutions affiliated with the Annual Conference.

Section 7. Chairman of Board. There shall be a Chairman of the Board of Trustees elected by the Trustees from their number at any meeting of the Board. The

Chairman shall preside at all meetings of the Board of Trustees and perform such other duties as may be directed by the Board.

ARTICLE IV.
OFFICERS OF THE BOARD

The officers of the Board of Trustees shall be the Chairperson, Vice Chairperson and Secretary. The Chairperson, Vice Chairperson and Secretary shall serve for a term of one year and until their successors are elected and qualified. Unless a vacancy occurs at another time, elections of the Chairperson, Vice Chairperson and Secretary shall be held at the annual meetings of the Board. A vacancy in any office may be filled at any time.

ARTICLE V.
MEETINGS OF TRUSTEES

Section 1. Regular meetings. There shall be at least two regular meetings of the Board of Trustees annually, which shall be held on such date and place as may be designated by the Board, the Chairperson, or the Secretary. The spring meeting shall be the annual meeting of the Board of Trustees.

Section 2. Special meetings. Special meetings of the Board of Directors may be called by or at the request of the Chairperson of the Board or by the Secretary; and it shall be the duty of the Chairperson or the Secretary to call special meetings on the request of five Trustees, setting forth the objects of the meeting.

Section 3. Notice of meetings. Written notice of all meetings of the Board of Trustees shall be sent by the Secretary to each Trustee at least ten days before the date of the meeting. In the case of special meetings, the notice shall state the purposes of the meeting. Any duly convened regular or special meeting may be adjourned by the directors to a later time without further notice.

Section 4. Waiver of notice. Any Trustee may waive notice of any meeting before or after the meeting. The waiver must be in writing, signed by the Trustee entitled to the notice, and delivered to the corporation for inclusion in the minutes or filing with the corporate records. A Trustee's attendance at or participation in a meeting waives any required notice of such meeting unless the Trustee at the beginning of the meeting, or promptly upon arrival, objects to holding the meeting or to transacting business at the meeting and does not thereafter vote for or assent to action taken at the meeting.

Section 5. Quorum. Unless the articles of incorporation or these by-laws provide otherwise, a majority of the number of Trustees fixed by or pursuant to these by-laws shall constitute a quorum for the transaction of business.

Section 6. Manner of acting. Except as otherwise provided in the articles of incorporation or these bylaws, including Section 8 of this Article V, the affirmative vote of a majority of the Board of Trustees present at a meeting at which a quorum is present shall be the act of the Board.

Section 7. Action without meeting. Action required or permitted to be taken at a meeting of the Board of Trustees may be taken without a formal meeting if the action is taken by all members of the Board. Meetings may be conducted by mail, telegram, cable, telephone, electronic mail, facsimile, video conference or in any other way the Trustees decide. Participation in such meeting shall be deemed presence in person at that meeting.

Section 8. Committees of the Board. The Board of Trustees shall create an Executive Committee and may create other committees of the Board and appoint members of the Board of Trustees to serve on them. The creation of a committee of the Board and appointment of members to it must be approved by a majority of the number of Trustees in office when the action is taken. Each committee of the board must have two or more members and, to the extent authorized by law and specified by the Board of Trustees, shall have and may exercise all of the authority of the Board of Trustees in the management of the corporation not inconsistent with the provisions of Chapter 55A of the General Statutes of North Carolina. The Executive Committee shall have not less than five and no more than nine Trustees and shall include the Chairperson, Vice

Chairperson, and Secretary of the Board of Trustees. Each committee member serves at the pleasure of the Board of Trustees. The provisions in these by-laws governing meetings, action without meetings, notice and waiver of notice, and quorum and voting requirements of the Board of Trustees apply to committees of the board established under this section.

ARTICLE VI. INDEMNIFICATION

Each Trustee shall be indemnified against all expense, including attorneys' fees and any judgment, actually and necessarily incurred by such Trustee in connection with the defense of any action, suit, or proceeding to which he or she has been made a party by reason of being or having been such Trustee except in relation to matters as to which such Trustee shall be adjudicated in such action, suit or proceeding to have acted in bad faith or to have been liable or guilty by reason of willful misconduct in the performance of duty.

ARTICLE VII. REVIEW AND AMENDMENT OF BY-LAWS

Section 1. These by-laws may be changed or amended at any meeting of the Trustees by a two-thirds vote of those present, provided notice of the substance of the proposed amendment is sent to all Trustees at least ten days before the meeting. Such changes or amendments to these by-laws shall be subject to approval by the Annual Conference.

Section 2. Prior to each annual meeting of the Board of Trustees, the Executive Committee shall review these by-laws and suggest any necessary changes thereto.

CONFERENCE CLERGY LIVING COMMITTEE

The NC Conference Clergy Living Committee met on August 8, 1991, and the committee recommends the following changes in the Parsonage Minimum Standards brochure to be approved by the 1992 Annual Conference:

A. A Parsonage Guide INTRODUCTION

It is the policy of the North Carolina Annual Conference that every pastoral charge shall provide a parsonage (or an adequate housing allowance, on a temporary basis, set by the charge conference but recommended by the Pastor/Staff Parish Relations Committee in consultation with the pastor) for the senior pastor and his/her family. Housing shall also be provided for associate pastors.

It is recommended that in each pastoral charge having a parsonage committee, which shall be elected by the charge conference upon nomination by the Committee on Nominations and Personnel, that said committee shall be amenable the Pastor/Staff Parish Relations Committee and work closely with trustees in providing adequate housing for the pastor. (Reference is made to The Parsonage Committee in ¶ 2533 of *The Book of Discipline, 1992.*) This Committee should meet twice yearly at the parsonage. In charges of more than one church, each church should be represented on the Committee according to the percentage of ownership. Ex-officio members of the Committee should include the pastor, the pastor's spouse, chairperson of the trustees, and chairperson of the Pastor/Staff Parish Relations Committee.

The following suggestions are standards toward which to work. They are given so that the pastoral charge shall know what is expected of it, and that the parsonage family may know what to expect.

REPAIRS, FURNISHINGS, AND/OR SALE OF PARSONAGE

1. Repairs and furnishings should be divided among churches on a multiple charge by percentage of ownership.
2. When no interest is owned in a parsonage on a multiple church charge by one or more churches, each church having no ownership should pay its pro-rata share of the fair rental value of the parsonage and furnishings. Rental money should be

placed in a savings account for furnishings and repairs. The church or churches which own the parsonage should repair and furnish the parsonage.

3. When a parsonage is sold, the principal proceeds resulting from the sale may not be used for the operating budget. (§ 2543, *The Book of Discipline, 1992*)

THE HOUSE

1. Minimum of three bedrooms (four are preferable) with ample closet space in each. One of the three bedrooms should be on the first floor.
2. A family room with book shelves, preferably separate and apart from the kitchen
3. Kitchen with ample built-in cabinets and large enough for family eating space, or a breakfast nook
4. Area large enough for washer, dryer
5. Two full baths
6. Living room, large enough for parsonage entertaining
7. A dining room is desirable, but where there is no dining room, the dining area should adjoin the living room in a living-dining room combination.
8. A home study in the parsonage is a desirable option in addition to the church office-study. It should have an outside entrance and be suitably equipped.
9. Garage with electric doors or a carport
10. Dry storage space
11. Adequate heating and air conditioning equipment and insulation, including storm or thermal pane windows and doors
12. Adequate rotary TV antenna or cablevision hook-up, if available. The purpose of this recommendation is to save the roof of the house from excessive wear due to moving antennas.
13. Uninterrupted utilities (electricity, water, gas, phone) in the name of the charge
14. The outgoing pastor is responsible for leaving the parsonage fuel tank full.
15. The chairperson of the Pastor/Staff Relations Committee and the chairperson of the Trustees are responsible for reviewing all items on the "So You're Moving Check Sheet" to be certain that each item has been completed.

THE FURNISHINGS

The pastoral charge should provide:

1. All heavy furnishings, including electric or gas range, refrigerator with freezer compartment, water heater, washer, dryer, and a dishwasher. (A garbage disposal and a freezer are desirable options.)
2. Bedroom, dining room, den and living room furniture. (One bedroom should be left unfurnished, so as to allow the pastor to have his/her own bedroom suite. This should be done no later than July 1, 1993.)
3. Good mattresses, floor covering, shades, blinds, curtains or draperies in all rooms
4. Some lamps and occasional tables
5. Discarded furniture should not be used in furnishing the parsonage
6. The minister's family should provide linens, blankets, pillows, baby beds, dishes, china, crystal, silverware, cooking utensils, radio, TV, and other personal items which they desire.
7. The storage and payment thereof of unused parsonage furnishings and the pastor's furnishings is to be negotiated between the pastor and the charge.
8. An up-to-date inventory of furnishings which includes dates of purchases and costs. This should be reviewed and updated at each Committee meeting. Pictures or video tapes are recommended and should be kept in a safe place other than the parsonage.

PARSONAGE GROUNDS

Parsonage grounds should have foundation shrubbery, shade trees, adequate yard space for children, paved driveway and walks, and power mower.

CARE OF PROPERTY

A clean parsonage is much to be desired by all. It is urged that a parsonage family keep the home clean and attractive.

Any abuse of the furnishings or house beyond normal wear should be the responsibility of the parsonage family.

The following pet policy consistent with the standard policy for rental property is established.

1. The pet owner is responsible for any property damage caused by pet(s).
2. The pet owner must conform to all state and local ordinances.
3. The pet owner is responsible for liability for any injury caused by the pet(s).
4. The pet owner is responsible for professional pest extermination of the parsonage when moving.

Walls, woodwork, and exterior should be painted as needed. The expense of painting, sanding and refinishing floors, repairs, periodic pest extermination, cleaning of carpets and draperies, are expenses to be borne by the church.

It is the responsibility of the parsonage family to leave the parsonage clean and in good condition when they move to another charge. As close to moving time as possible, each family should wash windows, screens and window sills, and leave curtains, draperies, carpets, shades, and blinds clean. Special attention should be given to closets, cabinets, and drawers. Bathrooms, kitchens, storage rooms, and attics should be clean. Refrigerators and stoves as well as all other appliances should be clean and in working order. Check light fixtures, exhaust fans, hot and cold air ducts to assure cleanliness. The parsonage yard should be well groomed.

The following information should be left by the pastor for his/her successor: All warranties, repair parts lists, instructions for use of equipment belonging to the parsonage, and an inventory including dates of purchase and cost of parsonage furnishings. The pastor should indicate when and from whom equipment was purchased, and whom to call for service. The pastor should leave, also, a list of persons to call for various reasons, where to find various items, and when and by whom various improvements are made.

THE PARSONAGE COMMITTEE

The persons responsible for the parsonage should have a current inventory of parsonage furnishings. A copy of the inventory should be given to the minister and the trustees of the parsonage property. This inventory should include date of purchase of each item listed, its cost, and dates of renovations and repairs.

The persons responsible for the parsonage should meet with the pastor and his/her spouse twice annually. Furnishings should be evaluated at this time to decide the condition of pieces, to discard unacceptable items, check for needed repairs, and replace items if needed. The charge shall maintain adequate insurance for the replacement of parsonage and furnishings. The pastor is responsible for insurance on the family's personal possessions.

The persons responsible for the parsonage should recommend to the Finance Committee an amount to be set aside each year, or included in the budget, for repairs and maintenance. A special parsonage maintenance fund should be established. A minimum of 1% per year of the replacement value of the parsonage should be placed in this fund, and this should continue to accrue until the fund reaches a minimum of 5% of the replacement value of the parsonage and then be maintained at that level. Each charge conference is urged to designate the chair of the Pastor/Staff Parish Relations Committee, chair of trustees, or chair of parsonage committee to make decisions for emergency replacements and/or repairs. The chairperson of the Committee on Pastor/Staff Parish Relations, the chairperson of the Board of Trustees, and the pastor shall make an annual review of the church-owned parsonage to assure proper maintenance.

BUILDING OR RENOVATING A PARSONAGE

In all matters pertaining to the location, renovation, and building of a parsonage, the *Discipline* should be consulted. The required legislation related to the above is found in ¶ 2536-2545 of *The Book of Discipline, 1992*.

Parsonage sites should be selected that will hold their value and be a wise investment, preferably in a sub-division. Whenever a new parsonage is built, its many uses should be considered.

Churches building new parsonages should be responsive to the handicapping procedures in the state building codes. Congregations receiving parsonage families with handicapping conditions should be responsive to their housing needs.

(Guidelines may be secured by writing: Director of Ministerial Relations, NC Annual Conference, P O Box 10955, Raleigh, NC 27605.)

B. Arbitration Policy - Clergy Living Committee

The 1987 NC Annual Conference Session created the Clergy Living Committee whose responsibilities include "to hear unreconciled problems regarding parsonage usage and to recommend solutions and alternatives" (1987 Conference *Journal*, page 326).

The following is a proposed policy for the Clergy Living Committee to carry out this Annual Conference mandate:

1. Provision for clergy housing is the responsibility of the local church.
2. Issues regarding housing should be resolved between the clergy family and the local church.
3. If housing matters cannot be resolved to the satisfaction of all involved parties, the respective District Superintendent should be invited for mediation by the Pastor/Staff Parish Relations Committee.
4. The Arbitration Sub-committee of the Conference Clergy Living Committee may only be invited to arbitrate clergy housing issues at the initiative of the District Superintendent. Travel expenses will be borne by the Clergy Living Committee.
5. The sub-committee shall come to the local church or charge to hear the concerns of all interested parties, and offer recommendations and/or solutions that shall be mutually binding.
6. Recommendations and solutions offered by the sub-committee shall be consistent with the parsonage standards of the North Carolina Conference.

C. Clergy Living Committee

1. The Committee will be composed of at least 50% lay membership. A lay person and a clergy person will alternate as the chairperson each quadrennium.
2. The Committee will meet as necessary, at least once a year, to review policy, to hear unreconciled problems, recommendations, and solutions from the Arbitration Committee.
3. The newsletter has been discontinued.

DIACONAL MINISTRY, BOARD OF

The Board of Diaconal Ministry continues to nurture, support and recruit persons who have expressed a calling to a representative ministry of love, justice and service with The United Methodist Church. In diaconal ministry especially, Christ's own service to humankind and the churches responsibility for continuing that service in the world, are both symbolized and enabled. Such a servant ministry is not a substitute for the diaconal responsibility of the ordained deacon or elder and all other members of the general ministry. Rather, it exists to intensify and make more effective the self-understanding of the whole people of God as servants in Christ's name. During the next quadrennium the Board of Diaconal Ministry will encourage and work to build partnership among all areas of ministry both representative and general. We continue to maintain an active relationship with certified lay professionals within our Conference through the annual process of review and renewal of certification, related to the General Board of Higher Education and Ministry.

We are pleased to present to the Conference three candidates for consecration as diaconal ministers. They are: **Patricia Hicks Archer, Rebecca Kay Lile, and David Michael Sluder, Sr.** They have completed the candidacy process, have been examined by the Board of Diaconal Ministry and have been found to be spiritually grounded, psychologically fit, and academically prepared for representative ministry.

Presently, there are five persons who are declared candidates receiving the support of the Board of Diaconal Ministry as they pursue their calling and prepare themselves academically. They are: Jane Brannock, Judy Riddle, Bess Edwards Sawyer, Lori Schoelkopf, and Juanita Bryant.

DISABILITY, JOINT COMMITTEE ON

The Joint Committee on Disability acts as the advocate for those pastors in the North Carolina Conference who are forced by physical or emotional disability to seek temporary or permanent relief from their appointment. The committee is given the responsibility to study the problems of disability within the Conference, to provide a continuing personal ministry to those who are disabled, and to make recommendations to the appropriate agencies of the Conference for each pastor seeking Disability Leave, including the source of their disability income.

The following recommendations are presented to the 1993 session of the North Carolina Annual Conference:

1. The Joint Committee on Disability will make available upon request the necessary forms for any pastor to make application for Disability Leave. In all cases the applications must be completed by the pastor, the physician, and the district superintendent before the request for Disability Leave can be acted upon. It is the recommendation of the Joint Committee on Disability that such requests be presented before May 15 for inclusion in the committee's report to the Annual Conference. The medical form should be completed and acted upon by the General Board of Pensions prior to the submission of the application.

2. The Joint Committee on Disability may require psychological examinations of those seeking disability when deemed necessary by the Committee. These will be done by a physician approved by the Committee, and in such a case the Committee will bear the expense of the examination.
3. The Joint Committee on Disability will study each new application for Disability Leave submitted by pastors of the Conference to determine the validity of the recommendation of the pastor's physician and district superintendent, particularly as it reflects the anticipated length of the pastor's disability. All materials will be sent to the medical consultant of the General Board of Pensions, who will determine if the pastor is eligible for benefits paid through the Comprehensive Protection Plan.
4. We recommend that pastors who may not be eligible for benefits paid by the Comprehensive Protection Plan shall be placed on Disability Leave with benefits paid through the Joint Committee on Disability. The Ministerial Pension Plan, Comprehensive Protection Plan, Hospital Insurance and Life Insurance shall be paid also by the Joint Committee on Disability.
5. Those pastors on Disability Leave are reminded to investigate the penalties by the Social Security Administration if they do not elect to come under Medicare at age 65.
6. Disability requests are to be submitted ninety (90) days prior to Annual Conference except in life-threatening situations after that date, or when the disabling condition occurs after that date.
7. We recommend that a lump sum grant of \$3,000 be made at the beginning of Disability Leave (effective July 1, 1993). This grant will be available only one time in a pastor's years of service.
8. The Joint Committee on Disability will review the progress of each pastor on Disability Leave at least annually. This review will include both recommendations from the pastor's physician and district superintendent as well as opportunities for continuing fellowship with the pastor to develop further possibilities of assistance in his/her disabled circumstances. Those receiving aid from the Joint Committee on Disability will be reviewed at the end of their first six months of Disability Leave.
9. We recommend the following pastors to be continued on Disability Leave.
 - A. Clingman Carter Capps, 2101 Richardson Dr., Reidsville, NC 27320 (349-2617)
 - B. Robert Blair Craig, P O Box 657, Maysville, NC 28595 (743-3041)

10. We recommend the following pastors to be placed on Disability Leave for the first time: None
11. Who have been placed on Disability Leave since the last Annual Conference? Robert Blair Craig, Robert Joseph Rudd

EQUITABLE COMPENSATION, COMMISSION ON

The *Book of Discipline* gives the Commission on Equitable Compensation this mandate... "to support ordained ministry in the charges of the Annual Conference ..."(¶1722.2) There are three broad areas of responsibility outlined in ¶1722.2. These are "(1) recommending conference standards for clergy support; (2) administering funds to be used in base compensation supplementation; and (3) providing counsel and advisory material on clergy support to district superintendents and Committees on Pastor-Parish Relations."

The purpose of the Commission on Equitable Compensation is to seek fairness both for pastors and for churches. Fairness is a complex matter which involves the values of each ordained clergy person and the lay persons who constitute the membership of each local church. The *Book of Discipline* is clear that "the primary responsibility for payment of pastoral base compensation remains with individual pastoral charges." (¶1722.4 and ¶1248.13).

The Commission on Equitable Compensation has spent considerable time in examining the situation of our clergy and local churches in light of the mandates of the *Book of Discipline*. We have also considered with much prayer and thought these historical and theological foundations for our work:

1. Jesus says, "the laborer is worthy of his hire," (Luke 10:7) and Paul reminds us "you shall not muzzle the ox when it is treading out the grain (I Timothy 5:18; Deuteronomy 25:4).
2. Wesley was concerned that clergy have a responsibility not to be "in debt so as to embarrass you in your work" (¶1425), which implies the church has a responsibility that it neither lead its clergy into positions of embarrassing indebtedness, nor leave them there.
3. The great commission to go into all the world, preaching, teaching, and baptizing brings with it a cost. Systems of clergy support which foster the use of the right pastor in the right place, hold up the hope of seeing the great commission bear its promised fruit.
4. The Commission on Equitable Compensation embraces the great commandment to love our neighbors as we love ourselves by wanting for each pastor what our members want for themselves - compensation adequate to free persons for the work of pastoral ministry.

Through our praying, thinking, and working together as lay and clergy from across this Conference, we make the following recommendations whose implementation, we believe, will help us move toward fairness for both churches and pastors as we support ordained ministry in the charges of the NC Annual Conference.

- I. Recommended Schedule of Base Compensation for 1994.

A. Salary Schedule

1. We recommend that the minimum full-time salary level be raised by a percentage equal to the percentage of raise enjoyed by all pastors in the Conference year 1993, and that the student minimum salary be 65% of the pastor's full time salary plus utilities.

<i>PASTORS UNDER FULL-TIME APPOINTMENT</i> (Full Connection, Associate, Probationary, Local Pastor)	1993	1994
Salary	\$21,396	\$22,510
Utilities	<u>2,000</u>	<u>2,000</u>
	\$23,396	\$24,510
 <i>STUDENTS (Local Pastors or Conference Members)</i>		
Salary	\$13,207	\$13,932
Utilities	<u>2,000</u>	<u>2,000</u>
	\$15,207	\$15,932

2. We recommend that the full-time minimum base compensation levels be adjusted annually by the percentage figure of the average raises for salary and utilities in the Conference for the current conference year, *OR the Cost of Living Index from the US Department of Labor for the preceding calendar year, whichever is less (effective January 1, 1995).*

B. Travel Expense

Although travel is reimbursed by the charge as an item of pastoral expense, it is expected that the charge would provide at least \$2,400 for travel expense. A charge receiving equitable compensation support may provide this \$2,400 travel expense, but any travel allowance/reimbursement in excess of \$2,400 will result in a reduction of equitable compensation support.

C. Pension Program

Charges receiving Equitable Compensation Fund support are responsible for paying the total amount required for the Ministerial Pension Plan and the Comprehensive Protection Plan based on their pastor's cash salary (including funds from the Equitable Compensation Fund, Duke Endowment, and any other sources), and housing (percentage of cash salary designated by the General Board of Pensions or housing allowance, if provided in lieu of parsonage). Cash salary plus housing is Plan Compensation.

II. Principles Governing the Use of Equitable Compensation Funds:

The Pastor's salary is the responsibility of the charge; therefore, the charges of the North Carolina Annual Conference should be so arranged as to be able to assume full salary support. The Commission urges each charge receiving Equitable Compensation Funds, its pastor, and the district superintendent responsible for that charge to administer the affairs of that charge to the end that it may move as rapidly as possible toward total self-support. To enable the Conference, the Commission, and the district superintendents to carry on their cooperative efforts in understanding, in harmony, and for the greatest good for all concerned, the following principles and procedures are set forth:

A. In considering the salary for the charge, all income, including salary, bonuses, and other benefits not specifically excluded, are included as salary in determining appropriations from the Equitable Compensation Fund. Salary support for retired supply, interim supply, part-time local pastors, less than full-time Conference members, or associate pastors in other than larger parish arrangement of churches will not be available.

B. Charges must be so arranged that no more than one-third of the total salary will come from the Equitable Compensation Fund on the first application from the charge. Charges seeking more than one-third supplement must provide specific information with their application, indicating the reasons for their inability to meet these guidelines. Information shall be made available to the Commission on Equitable Compensation and the district superintendents regarding the term of Equitable Compensation support, giving the date of its inception and the present amount of support being received by the respective charges.

When the division of a charge is desired, Equitable Compensation Funds will be used only upon the recommendation of the Bishop, of the "Bishop's Task Force on the Division of Circuits," and the approval of the cabinet.

In the division of a charge in which one church seeks to become a station, it is recommended that such a church shall assume all salary obligations and its proportionate share of all apportionments.

1. The remainder of the charge in such a division assumes full pastoral support and its proportionate share of all apportionments. In no case will the Commission on Equitable Compensation provide more than one-third of the salary required for such a division.

2. When there is a division of a charge forming one or more student appointments, each newly created charge must pay initially two-thirds of the pastoral support established by the division.
- E. The Commission on Equitable Compensation further recommends that each charge which is receiving, or shall hereafter receive, Equitable Compensation Fund assistance, shall reduce this aid by at least ten (10) percent each year until the charge has achieved full self-support in ten years. The Commission wants to be clear at this point that its intent in this recommendation is that the charge will accept in full whatever increases are made in the minimum salary for their pastor each year and receive ten (10) percent less each year in aid from Equitable Compensation Funds than granted the previous year.
- F. Grants from the Commission on Equitable Compensation for Housing will be discontinued by the following method:

<i>Date</i>	<i>Reduction</i>
01/01/93	25%
01/01/94	25%
01/01/95	25%
01/01/96	25%

- G. Any Equitable Compensation Fund supplement will be terminated immediately upon information that the pastor has taken full-time secular employment. Such a charge may be reinstated at such time as its pastor returns to full-time or student status. Exceptions to this provision may be permitted only by the approval of the executive committee of the Commission on Equitable Compensation upon the recommendation of the district superintendent of the pastor seeking for emergency reasons to be employed outside of his/her ministerial responsibilities.
- H. Equitable Compensation Funds are sent to charges who have applied for their use to provide their pastor with the minimum salary established by the Annual Conference. The monthly salary supplement checks sent by the Conference treasurer are to be deposited by the charge treasurer in the church or charge bank account. *The checks are not to be endorsed and cashed by the pastor.*
- I. Ethnic Minority and Women Ministers: Each ethnic minority or woman minister, who is an associate member or a member in full connection of the North Carolina Annual Conference, serving full-time, and who, in the opinion of the cabinet is rendering unusually effective service, will receive an incremental increase of \$200 per service year, not to exceed \$2,000 per year, for ten (10) years of full-time service, when such clergy person's salary and utilities is equal to the Conference minimum salary, but less than the Conference minimum salary plus \$200 per year up to ten (10) years of full-time service as an associate member or a member in full connection. Said incremental increase is to be administered by the Commission on Equitable Compensation upon recommendation of the cabinet, approval by the charge conference, and the district superintendent. Further, the local church shall be responsible for MPP and CPP payments on any incremental increase. This policy does not restrict the Equitable Compensation Commission, upon the recommendation of the cabinet, from making additional grants in extraordinary circumstances.
- J. Churches receiving Equitable Compensation Funds will conduct an annual financial/stewardship campaign to accurately gauge the level of financial support the local church can reasonably expect from its members.
- K. Churches or charges applying for Equitable Compensation Funds shall submit a request on the appropriate form supplied by the district superintendent. The request shall be carefully analyzed by the pastor, recording secretary of the charge conference, and the district superintendent. The form must have the

signatures of the pastor, recording secretary of the charge conference, and the district superintendent affixed to it, and the request must have been approved by the Charge Conference.

The Commission plans further consultation and study with other Conference agencies and resources to seek ways to more adequately provide for the temporal needs of our pastors and churches.

FINANCE AND ADMINISTRATION, COUNCIL ON

III. FINANCIAL POLICIES

The United Methodist Church is a connectional church, and all local churches participate in the mission and service giving of the larger church. The outreach and mission giving opportunities of the Connection are distributed to the churches of the NC Conference by means of a formula based on the financial performance in each local church. Every effort is made to develop a computation which is shared with fairness by all. Church leaders are encouraged to interpret the work of the Connection so that each congregation understands these funds to be a necessary extension of the ministry and mission of the church beyond its local organization.

A. APPORTIONMENTS:

1. The funds to be apportioned are:
 - World Service and Conference Benevolences
 - Ministerial Support and Connectional Administration
 - Episcopal Fund
 - Interdenominational Cooperation Fund
 - Black Colleges
 - African University Fund
 - Mission Initiatives Fund
 - SEJ Missional Growth Fund
2. *Formula Effective January 1, 1994 (for all except SEJ Missional Growth Fund): The Apportionments for each year shall be based on the average of the total monies disbursed by each church in the four years immediately previous to the apportionment year less the approved exclusions each year, or on the most recent year less the approved exclusions, whichever is lower. The change in apportionments from the previous year shall not increase or decrease in excess of 15%. The exclusions are: Payments on World Service and Conference Benevolences, Ministerial Support and Administration, and Episcopal Fund; principal and interest on indebtedness; buildings and improvements; local benevolences paid directly by the local church; General and Conference Advance Specials; Ten Dollar Club; up to \$4,500 for travel paid by a charge for each pastor; United Methodist Student Day; Human Relations Day; Peace and Justice Sunday; Native American Awareness; One Great Hour of Sharing; World Communion Sunday; Spirit for Tomorrow Campaign; UMW Funds sent to district or conference treasurer; housing allowance paid in lieu of furnished parsonage to a minister serving under Episcopal appointment in a charge of the Conference; offerings taken for disasters as designated by the Disaster Preparedness Committee and the Resident Bishop.*
3. Upon action of SEJ, the SEJ Missional Fund shall continue based on a minimum goal of 50 cents per member per year (\$2.00) over the four-year period 1993-1996 inclusive. This is based upon the membership at the close of the calendar year 1991 as reported in the 1992 *Journal*.
4. Apportionments to the churches shall be made by the Council on Finance and Administration (CFA) based on the current formula. Each cause shall be paid proportionately out of the income from funds received up to the amount fixed by the Annual Conference. In the event receipts shall fall short, all items shall be paid pro-rata. In the light of possible unforeseen and emergency need within the Annual Conference, the Council on Finance and Administration is authorized to make supplementary appropriations between sessions of the Annual Conference. Such supplementary appropriations shall be made only from available undesignated funds and shall be reported in the Conference *Journal* for purposes of information.

5. Apportionments will be delivered from the treasurer's office to the district superintendents by July 19, 1993.
- B. The following special offerings shall be taken in each local church and remitted to the Conference treasurer as separate items. They are not to be included in the Apportionments: United Methodist Student Day, Human Relations Day, Peace and Justice Sunday, Native American Awareness Sunday, One Great Hour of Sharing, World Communion Sunday.
- C. No Conference agency's budget shall incorporate funds to be appropriated to a non-conference agency, without specific approval of the Council on Ministries for program budget items or the Council on Finance and Administration for all non-program budget items. All funds granted to a non-conference agency must be spent consistent with the Social Principles of the United Methodist Church.
- D. No transfer of funds shall be made from one line item in the Conference Budget to another without approval of the Council on Finance and Administration.
- E. The Episcopal Fund, General Administration Fund, Jurisdictional Conference, World Service, College Sustaining Fund, Ministerial Education Fund, Methodist Building Maintenance, and College Debt Retirement will be raised and paid out in the same year. All other funds will be raised and paid out in the subsequent year on a schedule determined by the Council on Finance and Administration.
- F. Investment Policy: (a) The investment of the funds of the conference shall be such that funds available for mission are maximized in a manner consistent with the preservation of capital and with the Social Principles of the United Methodist Church. (b) South African Policy: The Council will not do business with or invest in banks making loans to the government of South Africa or its agencies, or who have operations within South Africa. The Council has no investments in South Africa and has adopted a policy of making no investments in South Africa.
- G. Monies paid by the churches shall be reported to the statistician by the pastors at the end of the year on the Table II, Financial Report. The Table I and Table II reports for 1993 shall be due to the statistician no later than January 31, 1994.
- H. The Council may enact its own bylaws governing meetings, quorum, and other matters of procedure as authorized in the *Discipline*, ¶ 709.5.b.
- I. The Council shall maintain a central treasury for all Conference agencies as authorized by ¶ 710.11 of the *Discipline*, and the 1953 session of the Annual Conference. Annual Conference boards and agencies, including those separately incorporated, are required to maintain their funds on deposit in the central treasury unless exempted by the Annual Conference or the *Discipline*. Exemptions are granted to the Methodist Home for Children, the Methodist Retirement Homes, the Colleges, the United Methodist Foundation, Board of Missions, Inc., and Asbury Homes.

IV. APPROVAL TO SOLICIT FUNDS

Approval is given to the requests of the following agencies for the privilege of soliciting funds throughout the District or Conference. The Council on Finance and Administration continues to recommend that a moratorium on Conference capital campaigns be declared and 100% "Missional Service Giving" be the quadrennial priority. The Council also recommends that stewardship continue to be a missional focus, Conference priority.

- A. Christmas Offering for District programs and/or projects.
- B. The Board of Missions for the promotion of the Church Extension Ten Dollar Club.

- C. The Commission on Outdoor and Camping Ministries to solicit from church groups and individuals, materials and money for specific projects for the four camps of the North Carolina Conference.

- E. Methodist Retirement Homes, Incorporated; Methodist Home for Children; Louisburg College; Methodist College; and North Carolina Wesleyan College for the privilege of private solicitation and receipt of such funds as may be directed thereto with the understanding that such solicitation or private campaign may not be taken directly into local churches of the Conference through solicitation in classes or other groups or by the use of membership lists (either partial or in entirety), or contact with pastors without approval of the Council on Finance and Administration.
- F. The United Methodist Foundation, Incorporated, as provided in its charter.
- G. The Disaster Preparedness Committee upon joint decision of the committee and the Resident Bishop to respond to disasters within the bounds of the North Carolina Annual Conference.
- H. Asbury Homes, Incorporated, as provided in its charter.

V. DISTRICT SUPERINTENDENTS' SALARY

The salary for the District Superintendents for 1994 and subsequent years shall be recommended in actual dollars to the Annual Conference for approval. The change in salary shall be computed the same as the dollar amount of change in the recommended minimum salary and utilities of full-time pastors serving local charges in the NC Conference. This amount is \$1,114.00 (page 81 of *The Conference Program, Recommendations and Reports 1993*: \$24,510.00 recommended for 1994, \$23,396.00 adopted for 1993.) The 1993 salary for district superintendents is \$58,927.00. The increase recommended is \$1,114.00. Therefore, the 1994 salary for district superintendents will be \$60,051.00.

VI. ORGANIZATION and PROCEDURE *(presented for information only)*

- A. The Council on Finance and Administration uses McGladrey & Pullen, Raleigh, NC, as auditors.
- B. The president, vice-president, secretary, and treasurer of the Council on Finance and Administration shall serve as the executive committee of the Council. The Council shall elect two additional members to the executive committee from its voting membership.
- C. The Conference treasurer will include in his monthly financial reports, for any given month, all monies received in his office by 8:30 a.m. on the 5th day of the following month, except when the 5th day falls on a weekend or holiday the report will include the funds received by 8:30 a.m. on the following workday.
- D. The treasurer, at his discretion, may approve minor overexpenditures of a budget line item up to \$1,000 or 5% of the line item, whichever is less. A request for such overexpenditure shall be submitted in writing in advance and shall state the reason for the request. The overexpenditure will be reported to CFA and will be listed in the Conference Journal.
- E. Any Conference or non-conference agency which receives Conference funds in excess of \$1,000 shall submit, with any budget request, an annual detailed audited budget report of all receipts, disbursements and assets. A statement in effect that "All funds granted have been spent consistent with the social principles of the United Methodist Church" will be furnished to CFA upon submission of the audit. Such reports received may be reported in whole or in summary form in the *Conference Journal* and shall remain on file in the treasurer's office. An agency may be exempted (for just cause) from this

- reporting requirement by CFA for non-program agencies, or in the case of program agencies, by CFA upon recommendation of the Council on Ministries.
- F. A carry-over of budgeted funds remaining (not including any supplemental appropriations) of up to 10% of the amount raised for the subsequent year will be allowed for Conference budget line items.
- G. Funds appropriated to a board or agency must be spent in the calendar year of the appropriation unless otherwise allowed.
- H. Supplemental Appropriations: The Council will consider requests for supplemental appropriations in the following priority order:

First Priority

- Salary and benefit items previously approved according to the policies of the Annual Conference or General Conference (i.e. Equitable Salary Funds, COM staff salaries, etc.)
- Programs authorized and mandated by the N.C. Annual Conference which are not included in the Annual Conference budget for that financial year (i.e. Office of Planned Giving, Vitalization Project, etc.)
- Amounts required by the Past Service Funding Plan adopted jointly by the Board of Pensions and the Council on Finance and Administration which are not raised by the Board of Pensions annual budget requests.
- Funds appropriated to the Task Force on Hunger and Human Need to assist various ministries across the Annual Conference. A supplemental appropriation of \$22,000 was made to the Fund for Human Need for 1993. *It is recommended to the Commission on Missions that a conference special day for hunger and human need (with special offering) be considered for 1994 and beyond and that advance special status be designated.*

Second Priority

- New creative programs to respond to emerging needs and to expand the mission of the Annual Conference which are not included in the Conference budget for that year. Such programs will be funded through supplemental appropriations only on a short-term basis.
- Emergency needs and programs in the life of the boards and agencies of the Annual Conference. The petitioning group shall make such requests in writing to the Treasurer's office at least 15 working days before a scheduled CFA meeting.

Third Priority

- Any other type of funding requests.

Procedure for seeking supplemental appropriations:

1. All requests for supplemental appropriations shall be made to the CFA President and/or the Conference Treasurer's office in writing at least 15 working days before a scheduled CFA meeting.
 2. The normal procedure for requests for supplemental appropriations will be a review by the CFA supplemental appropriations committee who will make a recommendation to the full Council.
 3. If an emergency request for supplemental appropriations is received between scheduled meetings, the CFA supplemental appropriations committee will consider the request and direct the Conference Treasurer to forward it to the membership via mail with a recommendation for action.
- I. Interest shall be paid to/from the Board of Pensions, Insurance Fund, Blackburn Scholarship Fund, Spirit for Tomorrow Campaign (until they are authorized to be transferred to operational funds), Camps Endowment for Maintenance, Church Extension Redevelopment, and Church Extension Salary Endowment funds using the rate of the conference interest bearing checking

account, compounded monthly, on monthly average balances held by the Conference treasurer.

J. Retroactive adjustments for transfer or posting delays will be made to the Board of Pensions and the Insurance Fund accounts for earnings calculations.

K. Funds in excess of operational needs for the Board of Pensions and the Insurance fund are invested in the United Methodist Foundation.

L. In order to prevent a loss of funds due to investment risk, and in order to have funds available for emergency use, the goal of the Council is to maintain reserve funds equal to 10% of the conference operating budget. Both cash reserves, realized, and unrealized gains/losses shall be considered as a part of the 10% reserve goal. Funds in excess of cash requirements shall be invested in the United Methodist Foundation in proportion to the percent of reserves on hand.

- A. General
 1. The Insurance Committee mails the health insurance proposal to the delegates immediately before each Annual Conference session. The rapid

escalation in health care costs makes planning difficult. The committee considers the financial information that is available through May 1 before adopting their recommendations.

2. Insurance companies who make inquiries, for the purpose of submitting proposals, will be notified of a \$200 processing fee. This fee will help cover the costs of preparation and processing of the information necessary for proposals.
 3. Health Screening will be sponsored by the Insurance Committee on a biannual basis. The Insurance Committee encourages everyone to take advantage of this service when it is offered again in 1994. For each subscriber in the Conference plan who participates in the health screening, the Insurance Committee will donate \$2.00 for handicapped camperships.
 4. The Insurance Committee is made up of representatives from the following boards and agencies: 2, Board of Pensions; 2, Division of Health and Welfare; 2, Joint Committee on Disability; 2, Board of Ordained Ministry; 1, Board of Diaconal Ministry; 1, District Lay Leader; 1, Cabinet; Conference Treasurer (without vote), Director of Ministerial Relations (without vote). The representative should be elected at the organizational meeting of these boards and agencies.
- B. Policy and Rules
1. The extent of the benefits provided by the insurance coverage is decided by Annual Conference action. Administrative rules and rates are adopted by the Insurance Committee. The specific carrier for insurance coverage is selected by the Insurance Committee upon the recommendation of the Committee's consultant.
 2. Pre-admission certification is required for in-patient hospital services. Contact MedReview at 1-800-722-2157. Contact MedReview within 48 hours following emergency admissions (see MedReview brochure available from the Treasurer's office for additional information). Subscribers covered by the Medicare Supplement do not need to contact MedReview.
 3. Effective January 1, 1991, the penalty for failing to call MedReview will be as follows: The co-payment rate for in-hospital charges will be increased from 20% to 50% for non-certified days.
 4. When an active subscriber reaches age 65 (pastor or lay), he/she should sign up for the Medicare program. As long as he/she is actively employed, there is no change in benefits. Medicare is the secondary carrier until retirement.
 5. The Insurance Committee provides an appeal process for any participant who feels that claims have not been adequately satisfied. A written appeal with all pertinent information should be made to the Insurance Committee chairperson with a copy to the Conference Treasurer.
 6. A service fee of 1.5% per month for delinquent accounts is charged to help defray the cost of paying premiums for churches making late payments.
 7. Payment for the church's portion of the insurance programs must be made by the church/charge treasurer. Minister's personal checks cannot be accepted as payment for the church's portion. The life insurance premium is paid by the church/charge.
 8. Premiums for health and life insurance may be paid in ADVANCE on a monthly, quarterly, semi-annual, or annual basis.
 9. When there is a change of address, or a change in family status, it is the insured's responsibility to notify the Treasurer's Office within 30 days. The toll free number to the Methodist Building in Raleigh is 1-800-849-4433

where a staff person continues to provide personal attention to insurance matters.

10. Health insurance for the subscriber may continue for 90 days after employment is terminated or credentials are surrendered provided that full payment of the monthly premiums is made in advance. The continuation of life insurance beyond the termination of employment is not permitted by the life insurance carrier.
11. Lay persons or ministers on maternity leave may continue their insurance coverage, as long as the premiums are paid.
12. The Insurance Committee may terminate the coverage for non-payment of premiums. Effective July 1, 1992, (for premiums billed after July 1, 1992) insurance payments which are 60 days late (from the date of the bill) will result in termination of benefits. Termination will take place on the last day of the month in which the 60th day has occurred. Benefits may be reinstated without lapse in coverage if full payment is made within 30 days of the termination date. Thereafter, insurance coverage may be reinstated upon full payment and coverage will be effective the first day of the following month. The one-year waiting period for pre-existing conditions will apply to all reinstatements where a lapse in coverage occurs.
13. Effective March 1, 1991, ministers or laypersons who choose not to join the group within 30 days of becoming eligible, or ministers, or laypersons who choose to terminate their coverage in the group, shall be required to submit in writing 2 years in advance, a request to re-enroll in the group. Adding family members or changing the type of coverage while enrolled is not subject to this rule. A one year waiting period for pre-existing conditions after enrollment will continue to be required.
14. Eligible students are excluded from the two-year rule, but not the one year pre-existing period. An exception to this rule would be possible (by 2/3 vote of the Insurance Committee) when a subscriber is transferring from another insurance plan to the Conference plan.
15. At the time of retirement, ministers become eligible for coverage under the Board of Pensions group insurance plan currently administered by Blue Cross Blue Shield of NC. The two-year rule does not apply to a retiring minister who wishes to obtain coverage through this plan.
16. In case of termination of coverage, the church is responsible for the premium until the Treasurer's Office is notified in writing of such termination.

III. Eligibility Policies

Health insurance and life insurance through the Conference groups will be available to:

- A. Ministers who are members in full connection of the Conference, probationary members, associate members, student local pastors, part-time local pastors, interim supplies (covered as lay employees) serving full time or part-time under appointment in:
 1. One of the churches or charges of the North Carolina Conference.
 2. One of the institutions or agencies of this Conference receiving financial support from the Conference.
 3. An institution or agency established to provide a ministry or service provided that:
 - (a) The minister shall elect in writing within 30 days after the appointment to continue the coverage. If the coverage is discontinued, the Two-year rule and a one year waiting period for pre-existing conditions will apply before re-establishing the health insurance coverage.

- (b) The minister shall be responsible for payment of all health insurance premiums by the due date.
4. Ministers eligible for life and health insurance through the Conference are entitled to these benefits.
- B. Ministers on Leave of Absence provided that a written request to continue the coverage shall be filed with the Conference Treasurer within 30 days after the beginning of the leave of absence.
- C. Lay Employees:
1. Effective August 1, 1991, each local church must have at least 75% participation of the eligible lay employees to participate in the Conference plan. Those churches who currently have less than 75% participation will be allowed to continue their current coverage of lay employees now under the Conference plan. Diaconal ministers are not subject to this rule.
 2. The employee must work a minimum of 25 hours weekly and must be enrolled in the period specified for initial enrollment (initial enrollment period was November 1-30, 1985, coverage effective January 1, 1986 for employees already at the church; within 30 days of date of hire for new employees); otherwise there will be a one year waiting period for any pre-existing conditions.
 3. The Committee recommends that the church provide this benefit to lay employees with the same premium payment policy as recommended for ministers.

IV. 1994 Health Insurance Rates

\$250 Deductible/\$750 Out-of-Pocket

	1993 Rates	1994 Rates%	% Inc/Dec	Annual Costs

MINISTERS' MOVING EXPENSE, COMMITTEE ON

Effective Date - January 1, 1994

The Ministers' Moving Expense Committee met to study moving expense needs and policies.

The Committee makes the following recommendations.

- I. Eligibility
- A. Pastors of local churches continuing under appointment to local churches within the Conference, district superintendents, and Conference ministerial staff whose salaries are paid from the Conference treasurer's office.
 - B. Pastors in section I.A. who become Conference Evangelists upon moving from an appointment to new residence. Their moving expense to return to any of the above categories will also be paid.
 - C. Pastors in section I.A. who retire from serving appointment or who assume approved disability leave or return into active service from approved disability leave.
 - D. Widows or widowers of ministers in section I.A. upon moving from place of appointment to new residence.
 - E. Pastors moving into an appointment in the North Carolina Conference to assume full-time or student appointments under section I.A.

- F. Interim Supply pastors
 - G. Persons moving who are not defined above will not be eligible to make claim.
- II. Payment of Claims
- A. Payment will be granted to all who are eligible to make claims as follows:
 - 1. Active ministers in section I.A. and I.B. (except retiring ministers, widows, widowers, and clergy couples) will receive a base payment of \$125.00 as well as reimbursement of costs up to \$1,100.00 with submission of paid receipts for actual moving expense.
 - 2. Retiring ministers, widows, or widowers will receive a base payment of \$125.00 as well as reimbursement of costs up to \$1,780.00 with submission of paid receipts for actual moving expenses. The retirement amount may be granted upon request when taking disability leave in lieu of receiving the retirement benefit at retirement.
 - 3. Clergy couples will receive a base payment of \$250.00 as well as reimbursement of costs up to \$1,100.00 with submission of paid receipts for actual moving expenses. If only one minister of the clergy couple is re-appointed, section II.A.1. will apply.
 - B. Travel Allowance: An allowance of \$1.00 per mile will be granted to all who are eligible to make claim. The mileage will be computed from appointment to appointment, or from the appointment to the Conference boundary, or the appointment to the residence/Conference boundary (in case of retirement) whichever is less. Clergy couples will receive \$1.00 per mile as defined above.
 - C. The Conference treasurer will make payment to eligible ministers as soon as the district superintendents have received the completed document, "So You're Moving" checklist properly signed. This will fulfill the 1992 *Discipline*, ¶1270.2f(4), which states "The chairperson of the Committee on Pastor-Parish Relations, the chairperson of the Board of Trustees, and pastor shall make an annual review of the church owned parsonage(s) to assure proper maintenance."
 - D. The Conference treasurer will make an advance payment up to \$600.00 to eligible ministers to cover the expense of deposit and fees for moving expenses prior to their move, upon approval by the district superintendents. The request form for the advance will be provided along with the checklist entitled, "So You're Moving," by the district superintendents. This advance payment may be adjusted to cover adequately the initial up front money that must be paid by the moving clergy who move themselves. Any money that is left over shall be refunded to the Conference treasurer. The checklist entitled, "So You're Moving," must be properly signed and returned to the district superintendents, along with the receipts for moving, before the balance of the moving expense can be mailed by the Conference treasurer.
 - E. No additional claim can be made against a local church, district, or the Conference for payment of moving expenses.
 - F. The base payment of \$125.00 is intended to cover incidental moving expenses. Therefore, the cost of boarding and moving domestic animals, the moving of recreational vehicles, boats, mobile homes, etc., and the cleaning of the parsonage are not eligible for reimbursement.
- III. Review Committee
- A. There will be a Review Committee consisting of two persons appointed by the chairperson of the Council on Finance and Administration, one district superintendent appointed by the Bishop, the Conference treasurer, and the director of Ministerial Relations.

- B. The Review Committee will consider and have final authority over any questionable or disallowed claim or special claim beyond allowances set in the approved plan.

ORDAINED MINISTRY, BOARD OF

Introduction: We, the members of the North Carolina Conference Board of Ordained Ministry, are pleased and privileged to present to the clergy session of the North Carolina Annual Conference our report for 1993.

Our board is a strong, representative body from the clergy and laity of this Annual Conference that wrestles constantly with its responsibilities outlined so carefully in *The Book of Discipline, 1992* (§1733.2). These duties require the board to exercise strong care in its examination of candidates for ordination which is both fair and diligent, seeking always to encourage and sustain those in the process and to provide resources for growth with those already involved with ministry to local churches and other places of mission.

To provide this report, your Board of Ordained Ministry members have given nine (9) full days in meetings and interviews along with innumerable times for committee assignments. All of this is summarized in the names and recommendations found in this submission of our work for your approval.

The duties of the Board of Ordained Ministry include:

- 1) To assume the primary responsibility for the enlistment of ordained clergy, with due regard for the inclusive nature of the Church. It provides guidance for these persons in the process of education, training, and ordination.
- 2) To examine all applicants as to their fitness for ordained ministry and their election as a) *Full-time Local Pastors*, b) *Associate Members*, c) *Probationary Members*, and d) *Full Members* of the Annual Conference.
- 3) To interview and report recommendations concerning a) *students to be appointed to attend school*, b) *candidates for ordination as Deacon*, and c) *candidates for ordination as Elders*.
- 4) To interview applicants and make recommendations concerning changes in ministerial relationships: *Leaves of Absence*, *Retirement*, *Sabbatical Leaves*, *Disability Leaves*, *Less-than-Full-time appointments*, and *Readmission to or the Termination of Conference membership*.
- 5) To provide support services for the ordained minister's career development, including personal and career counseling, continuing education, assistance in preparation for retirement, and matters pertaining to ministerial morals.
- 6) To provide a means of evaluating the effectiveness of the clergy in the Annual Conference.
- 7) To interpret the high ethical standards of ministry as set forth in *The Book of Discipline, 1992*, and to study matters pertaining to character.
- 8) To administer the portion of the Ministerial Education Fund for use by the Annual Conference.

We rejoice to be able to recommend a larger number of persons this year for membership and ordination than we did in 1992; however, the number of persons requesting the Retired relationship is also greater than last year. Projections made by our Board of Pensions a number of years ago show that one-third of our clergy members may retire in the next ten years. Clearly, the need for a strong effort by both the board and the Annual Conference to encourage persons to consider ordained ministry in response to God's call on their lives is before us as an urgent issue.

This year we are recommending twenty-two (22) persons for Probationary Membership and twenty-one (21) for ordination as Deacons, as compared to seventeen (17) last year. Our recommendations for Full Membership and Elder's ordination number nineteen (19) compared to sixteen (16) last year. The number of those who seek retirement this year is twenty (20) compared to twelve (12) last year. These statistics help

us to focus on our needs for the future. Our new candidates are strong in faith and well prepared in their academic studies; we are pleased to present them to the clergy session for approval.

Various committee reports follow this introduction and are significant for the various areas of concern they address. All of this material, as well as our supportive services during the year, have been provided through the Office of Ministerial Relations under the leadership of The Reverend Kermit L. Braswell, Robbie Barrett, and Lynn Jefferson. We are indebted to all three of these individuals for their excellent work and dedication to the Ordained Ministry of our Annual Conference.

REQUIREMENTS FOR MINISTRY

The Board of Ordained Ministry reminds the Annual Conference and the ministerial candidates preparing for membership relationships to the North Carolina Annual Conference that several actions of past Annual Conference sessions have established requirements that go beyond the basic steps found in *The Book of Discipline*.

LOCAL PASTORS LICENSED ON OR BEFORE JUNE, 1988

Local pastors in progress or serving prior to 1988 must complete at least the five-year Course of Study.

LOCAL PASTORS LICENSED FROM 1989-1993

The Board requires that ministers having completed the basic five-year Course of Study continue to attend the Course of Study School in the summer, enrolling in at least four years of Advanced Studies during any six-year period. These courses, offered on a seminary level, would increase the competency of our Local Pastors (1980).

LOCAL PASTORS LICENSED IN 1994 AND FOLLOWING

It is required that they complete the five-year Ministerial Course of Study and a minimum of sixty (60) semester hours toward the Bachelor of Arts or an equivalent degree in a college or university listed by the University Senate, or competency equivalence through an external degree program at a college or university listed by the University Senate (1988).

ASSOCIATE MEMBERSHIP

The academic requirement is a four-year Baccalaureate degree from a college or university listed by the University Senate. (1974)

PROBATIONARY MEMBERSHIP

Each candidate must complete the following seminary level courses to be eligible for interview, effective June 1988:

1. A course in preaching that includes a practicum, laboratory, or field experience in the preparation, delivery, and evaluation of sermons.
2. A course in public worship that includes the theory, theology, and practice of planning and leading public worship.

FULL CONNECTION

CONFERENCE RELATIONS, COMMITTEE ON

The Committee on Conference Relations has as its primary responsibility the assisting of any clergy who seek to change or terminate their relationship with the Annual Conference. Changes in conference relationship may occur in any of the following ways: 1) discontinuation, 2) leave of absence, 3) retirement, 4) sabbatical leave, 5) termination of conference relationship (surrender of credentials).

The Conference Relations Committee meets with the person who is seeking a change in conference relationship upon the request of that person, or upon request of the Cabinet or the Board of Ordained Ministry. The committee attempts to determine what is appropriate in each case by posing questions, offering counsel, and providing support. The committee then discusses the request and acts upon it by making a recommendation to the Board of Ordained Ministry. In any event, the person requesting the change and the Conference Relations Committee acting on the request must follow the requirements in *The Book of Discipline*.

The Book of Discipline provides specific guidelines applying to each of the categories of conference membership. All those persons in the various categories of conference membership (other than the effective relationship) should remember to adhere carefully to the disciplinary guidelines which apply to that category. The Committee on Conference Relations issues a yearly reminder of these guidelines through a letter approved by the Board of Ordained Ministry at its annual meeting. Adhering to the appropriate guidelines is particularly important for clergy on leave of absence; for these persons, exercise of any ministerial function is restricted to the Charge Conference in

which their membership is held. The Conference Relations Committee would take this opportunity to reiterate that pastors on leave of absence cannot perform weddings, conduct funerals, or administer the sacraments outside the bounds (both geographical and membership bounds) of that charge conference.

Every Spring (since 1987) the Conference Relations Committee has hosted a luncheon for those who will be retiring from the North Carolina Annual Conference at the June session of that year. At this luncheon, the retirees and their spouses are informed about various matters relating to their retirement such as insurance, housing, and pension benefits. This year's retirement luncheon was held in Goldsboro on May 4, 1993.

Susan Pate-Greenwood, *Chairperson*

CONTINUING EDUCATION, COMMITTEE ON

The Continuing Education Committee of the Board of Ordained Ministry has the responsibility of developing continuing education programs that will enable ministers to fulfill the Disciplinary requirements. According to the *1992 Book of Discipline*, ¶445.1, "*Clergy shall be expected to continue their education and spiritual growth throughout their careers, including carefully developed personal programs of study augmented periodically by involvement in organized educational and spiritual growth activities.*" The *Discipline*, ¶445.2, further states, "*In most cases the ordained ministers' continuing education and spiritual growth program should allow for such leaves at least one week each year and at least one month during one year of each quadrennium. Such leaves shall not be considered as part of the ministers' vacations and shall be planned in consultation with their charges or other agencies to which they are appointed as well as the bishop, district superintendent, and Annual Conference Continuing Education Committee.*"

In providing the resources to enable pastors to meet the minimum requirement of the *Discipline*, the Committee on Continuing Education has edited a brochure that applies to all ministers of the NC Annual Conference. The brochure contains information defining Continuing Education, the role of the local church, and how the pastor's continuing education can be financed. The brochure is printed as part of this report. *Continuing Education for Ministry in the NC Annual Conference*:

Rationale: A prime expectation of every minister of the NC Annual Conference is professional growth. In recent years, one of the major avenues through which such growth occurred has been continuing education. The General Conference of The United Methodist Church has recognized this by requiring annual participation in a continuing education program by each ordained minister seeking appointment. (*1992 Discipline*, ¶423.2).

Definition: Continuing education is defined as an organized structured program of formal study under competent leadership with clearly defined goals and objectives. Here the key words are "organized," "competent leadership," and "clearly defined goals and objectives." By this definition certain activities, though worthwhile, are not considered "continuing education"; e.g., degree programs, recreational programs, promotional meetings, worship services, entertainments, undirected reading, and study travel (except for limited lecture, seminar, or workshop time), and the like.

The Conference Program: The Conference Board of Ordained Ministry, through the Committee on Continuing Education, performs three functions: 1) It sets minimum continuing education standards for ministry; 2) It establishes guidelines for continuing education; and 3) It seeks to insure their availability.

1. *Minimum Standards*: The NC Conference has established as a minimum standard one Continuing Education Unit (CEU) to be earned by each minister from an approved continuing education program each year. One CEU is defined as ten contact hours of participation in an approved continuing education program.

2. *Guidelines for Continuing Education Programs*: CEU's will be approved for those persons sponsored by organizations which are accredited by a) a regional educational

agency (such as the Southern Association of Colleges and Schools), b) a professional accrediting agency (such as the American Medical Association), or c) the Council on the Continuing Education Unit. It should also be noted that only those programs which relate directly to ministerial growth and development will be approved.

3. *Insuring their Availability:* Efforts by the Board of Ordained Ministry to insure the availability of continuing programs include encouraging conference-related and other colleges within the Conference bounds to offer courses for ministers, providing supplementary financial aid for ministers, publicizing approved programs, and identifying specific subject areas for needed programs.

Role of the Local Church: In addition to the minister, the local church has a significant stake in the success of continuing education programs. The local church, therefore, has an important role to play in continuing education. The Pastor-Parish Relations Committee of the local church:

1. Confers with the pastor and the district superintendent in the development of a continuing education program which will enhance the total ministry of the church.

2. Provides study leaves at least one week each year and at least one month during one year of each quadrennium. Such study leaves are not to be considered vacation time. *The Book of Discipline, 1992, ¶1445.2.*

3. Recommends to the church's Finance Committee budgetary funds to be applied toward the minister's continuing education program. In providing funds for continuing education programs, the Pastor-Parish Relations Committee should insure that only those programs which meet both the definitions and specific guidelines above are funded.

Financial Aid to Minister: Funding for continuing education is the combined responsibility of the participant, the congregation, the sponsoring institution, and the Annual Conference. Conference funds for continuing education are derived as a portion of Conference acceptances. Thus, it is not possible (nor is it desirable) for the Conference to assume a major responsibility.

All persons under episcopal appointment to charges, Conference staff positions, district superintendencies, Conference Evangelists, and Conference-related agencies and institutions, retired supply, and ABLC categories C and D (with total funding for all category C and D applications being no more than \$1500) are eligible for grants from Conference funds provided:

1. The program does not lead to advancement from one level of Conference relationship to another.

2. The program meets the definitions and Conference guidelines described above.

3. The applicant has documented his or her efforts to secure funding from other sources, including local church, Duke Endowment, and personal.

4. The application for a grant is filed on the appropriate form which furnishes complete information about the event and bears the signatures of the applicant, the Pastor-Parish Chairperson, and district superintendent.

In providing grants, the Conference will place limits as follows:

1. The maximum grant to an individual applicant over one conference year is \$300.00.

2. For a one CEU event, no more than \$100; a two CEU event, \$200; a three CEU event, a maximum of \$300 if the cost of the event merits it.

3. The event must involve some definite measure of intensive study by the participant and offer at least ONE Continuing Education Unit.

Monitoring Continuing Education Units:

1. The district superintendent, in annual consultation, may suggest to the minister the area of continuing education he or she should take to facilitate his or her professional growth. The pastor's annual Continuing Education Report will be given to the district superintendent at the annual consultation.

2. Ministers shall have the responsibility for securing from the institution granting Continuing Education credit a record of earned credit and providing a copy of this record to his or her district superintendent.

3. It is the responsibility of each minister to determine, in consultation with the Committee on Continuing Education, if a proposed program meets the criteria prior to participation and funding.

Lawrence E. Johnson, *Chairperson*

IDENTIFICATION AND ENLISTMENT, COMMITTEE ON

The identification and enlistment of persons for ministry is a primary responsibility of the Annual Conference Board of Ordained Ministry (§1733.2a).

Identification and enlistment of prospective ministers for the church, including ethnic groups and women, should be the result of continuous and intentional study of the short-, medium-, and long-term needs of the constituencies of the church. This responsibility constitutes a team effort of the Conference Board of Ordained Ministry, the Bishop and Cabinet, the Council on Ministries, the District Committee on Ordained Ministry, and the Committee on Pastor-Parish Relations in the local congregations. Response from Conference ethnic caucuses will prove helpful in addressing the particular needs of the ethnic groups within the life of the Conference.

The intention of the Enlistment Committee is to raise the consciousness of our constituency that identification and enlistment is an ongoing concern that touches every dimension of our church - laity, clergy, pastor-parish relations committees, and district superintendents. Therefore, we will be intentional in the next year to seek to maintain and register prospective persons for the ministry. A conference-wide event will be held in the future.

William E. Braswell, *Chairperson*

MINISTERIAL EDUCATION FUND, COMMITTEE ON

The purpose of the Ministerial Education Fund is to enable the Church to unify and expand its program of financial support for the recruitment and education of ordained and diaconal ministers and to equip the Annual Conferences to meet increased needs in this area (*Discipline*, ¶1921). The Ministerial Education Fund helps assure support for the United Methodist seminaries, for persons seeking degrees in theological schools, and for ordained and diaconal ministers in continuing education.

The local church contribution to the Ministerial Education Fund divides two ways. Seventy-five percent goes to the Division of Higher Education and Ministry in Nashville and is distributed among the United Methodist seminaries for operating expenses and for scholarship aid to minority and special students. The remaining twenty-five percent remains with the North Carolina Annual Conference Board of Ordained Ministry. These funds provide scholarship aid for ordained and diaconal ministerial training, continuing education, and recruitment for ministry. The Board of Ordained Ministry expends most of these funds to provide scholarships for ministerial candidates who meet eligibility requirements.

Please note one operational change. Ministerial Education Fund grants were formerly loans, which were paid back by years of service in the Annual Conference or by principal plus interest cash repayments. The Board of Ordained Ministry now makes these grants solely as scholarships. This action reflects two things: 1.) the vast majority of the former loans were repaid by years of service and 2.) those not repaid at all were almost impossible to collect. This situation was most unfair to persons who were conscientious and repaid their loans. The Ministerial Education Fund Committee now screens each applicant and feels that its judgment as to the fitness of the candidate for such a scholarship means that our Annual Conference supports our own candidates for ministry in a fair and helpful fashion.

The Ministerial Education Fund provides crucial financial support for the training and continuing education of ordained and diaconal ministers. The Board of Ordained Ministry thanks the churches for their support of the Ministerial Education Fund.

**NORTH CAROLINA PASTORS' SCHOOL AND
DUKE DIVINITY SCHOOL CONVOCATION**

Following the acclaimed film on the Civil War by Ken Burns, Dr. Harry Stout of Yale University lectured to the 1992 Pastors' School and Convocation on "Religion and the Civil War." His lectures explored the remarkable uses of religion in the North and the South to provide justification for the war effort. Dr. Stout, Jonathan Edwards Professor of American Christianity at Yale University, was the James A. Gray lecturer. David Lowes Watson, a Duke graduate and professor of theology at Wesley Theological Seminary, offered a provocative series of lectures on how the heritage of Methodism can give directions for the ministry and mission of the contemporary church. Dr. Watson was the Franklin Hickman lecturer. J. Alfred Smith, senior pastor of Allen Temple Baptist Church in Oakland, CA, and Michael Macdonald, pastor of Main Street UMC in Albemarle, were Convocation preachers. The Pastors' School offered nine continuing education seminars which were all well subscribed.

The dates for the 1993 Pastors' School and Convocation are October 25-28, 1993 at Duke University. Another excellent group of speakers, preachers, and seminar leaders are being assembled. A brochure giving full details of the 1993 Pastors' School will be mailed to each pastor in NC in late summer.

The Board of Managers of the Pastors' School reminds clergy and laity that the Pastors' School is designed for you and your continuing education. Please support it with your attendance, and if you have suggestions for topics, speakers, or preachers, let one of the Board of Managers know. Thanks to the combined resources of the two annual conferences in NC and Duke Divinity School, we are blessed with one of the finest such schools in the nation.

PASTORAL CARE, COMMITTEE ON

The Committee on Pastoral Care has, since 1971, served the NC Annual Conference by providing financial aid for confidential professional counseling and marriage and family enrichment to clergy and Diaconal Ministers and their families. Ministers under the NC Conference Blue Cross/Blue Shield Health Insurance program should review the Health Care Benefit Program Book as up to 80% of financial coverage is provided for outpatient psychiatric care. The coordination of insurance benefits and Pastoral Care Grants shall not exceed 100% of the fees charged.

ELIGIBILITY FOR FINANCIAL GRANTS

Whereas, conference clergy and Diaconal Ministers and their families are eligible for grants, a *family* is defined as dependents of the minister living in the minister's home or parsonage, including spouse, children, parents, and grandparents. Children of the minister are eligible whether or not attending college or living at home through the age of twenty-two.

Persons who qualify for financial grants:

1. Clergy who are members of the NC Annual Conference whose status is active, retired, or on leave in accordance with ¶¶ 448, 449, 450, or 451 of *The Book of Discipline (1992)*, OR any person, regardless of conference relationship, who is serving a local church of the NC Annual Conference, or a dependent.
2. Diaconal Ministers or candidates who are serving a local church, members of the NC Annual Conference, and whose status is active, retired, or on Leave in accordance with ¶ 313.1 of *The Book of Discipline, (1992)*, or a dependent.

Special Circumstances:

1. Grant eligibility is provided when ministerial couples undergo marital separation or divorce. The amount provided is \$300 for each spouse for a maximum of two years following the separation.
2. Grant eligibility continues for two years for persons who have terminated their relationship with The United Methodist Church, and for surviving spouses of ministers.

COUNSELORS AND THERAPISTS WHO QUALIFY FOR FINANCIAL GRANTS

Only counselors or therapists who meet the following criteria qualify to receive grants from the Committee on Pastoral Care:

Counselors: Clinical Members of the American Association of Marriage and Family Therapists (AAMFT);

Pastoral Counselors: Members of the American Association of Pastoral Counselors (AAPC);

Psychiatrists: American Medical Association (AMA) Board Certification;

Psychologists (Clinical) - Licensed Practicing Psychologists; and

Social Workers: Association of Certified Social Workers (ACSW).

APPLICATION PROCEDURE

The *counselor or therapist*, at the request of a *qualifying client* who is receiving the counseling, is to make application to the Chairperson of the Committee on Pastoral Care for a grant in the following manner:

1. The counselor or therapist requests an application form, a *Conference Directory*, and instructions from the Chairperson of the Committee on Pastoral Care. This request should be addressed in care of the Office of Ministerial Relations, PO Box 10955, Raleigh, NC 27605.
2. Once the application, *Conference Directory*, and instructions for a Pastoral Care Grant are received by the counselor/therapist, and a determination is made that the client qualifies, the application should be completed and returned to the Office of

Ministerial Relations. To protect the *confidentiality* of the client, the client's name shall never appear on the application. When more than one member of the client's family is involved in counseling, all family members are assigned the same case number.

3. The counselor/therapist will receive the financial aid grant on behalf of the client to apply to the client's account or to refund to the client if the account has already been paid. Clients should request from the therapist a statement showing the amount of financial assistance received from the Pastoral Care Committee and should request the therapist to contact the Chairperson of Pastoral Care to negotiate an acceptable procedure if any problems arise concerning this process. The client, not the Pastoral Care Committee, is responsible for all contracts, negotiated fees, and payment for services that are provided.

MARRIAGE AND FAMILY ENRICHMENT

The Committee on Pastoral Care encourages participation in marriage and family enrichment events, including those focusing on the needs of single as well as married ministers. Grants of up to \$50 per individual, couple, or family are made available for up to two events per year. A schedule and/or outline of the events, leaders' names and credentials, and verification of participation by the leaders should accompany a letter of application for the grant.

1992 REPORT

In 1992, the Committee on Pastoral Care granted \$9,971.87 for counseling sessions. This represents 507 sessions with counselors and therapists during the year. Grants were processed for fifty-three client units during the year, representing 323 sessions for ministers, 131 for spouses, 28 for families, and 25 for dependent children. Of these 53 units, 14 (or 26.4%) received the maximum of \$300 in assistance.

Recommendations to the North Carolina Annual Conference

- I. Whereas the Committee on Pastoral Care is established by the annual conference, the committee recommends the following structure for its membership: The membership of the Committee on Pastoral Care shall be composed of 4 members from the Board of Ordained Ministry, one of whom will be elected as Chairperson by the Board of Ordained Ministry; 1 Diaconal Minister, elected by the Board of Diaconal Ministers; 1 representative from the Conference Clergy Living Committee; 1 representative from the Clergy Partners Association; 1 Pastoral Counselor (member of AAPC); 2 members from the Commission on Health and Human Services. The Committee further recommends that funding for the Pastoral Care Committee be included in the budget of the Board of Ordained Ministry, and that the awarding of grants be made dependent upon the availability of funds.
- II. The Committee on Pastoral Care recommends to the Annual Conference that the grant limit per family be increased to \$400 per year beginning January 1, 1994.

PSYCHOLOGICAL TESTING AND EVALUATION, COMMITTEE ON

The Board of Ordained Ministry of the North Carolina Annual Conference requires psychological assessment and evaluation for all persons seeking membership in our Annual Conference. The Committee on Psychological Testing and Evaluation is charged with carrying out this responsibility. Members of the committee during 1992-1993 have been Carl Frazier, Glenda Johnson, Bill Presnell, Mark Kennedy, and David Banks.

The two-fold purpose of psychological testing and evaluation is to provide nurture for those seeking conference membership and to assist the Board of Ordained Ministry, acting on behalf of the Annual Conference, in the selection of candidates with optimum psychological adjustment for effective ministry. Our intent is personally to benefit candidates seeking conference membership by providing them information, feedback, and guidance toward psychological health and wholeness. At the same time, we seek to assist

the Board of Ordained Ministry in their selection process through the early detection of behavior patterns which may pose potential barriers to effective ministry.

On a national level, psychological testing and evaluation of United Methodist Ministerial Candidates is increasingly coming to be seen as ONE part of an overall process of discernment of those persons' readiness for ordination and ministry.

For all persons seeking Probationary Membership and for all those applying for transfer to the NC Annual Conference from denominations where the candidate's status after transfer will be the Probationary relationship, the following tests are required: *Personal Data Inventory, Incomplete Sentences, Personal Research Form (Values), Myers/Briggs Type Indication (Personality), Minnesota Multiphasic Personality Inventory (Pathology), and 18 PF (back-up to the MMPI)*. Probationary members of other annual conferences wishing to transfer into ours must release information on their psychological testing to the Transfer Committee of this board.

The cost of psychological testing and evaluation of those United Methodists from within the North Carolina Conference is borne by the Conference Board of Ordained Ministry. The cost of the testing and evaluation for those seeking transfer will be borne by the Board of Ordained Ministry when such testing is done at the time our candidates are group tested. Those who choose testing other than through the above process will bear the expense themselves.

Testing services for 1992 and 1993 are provided by Dr. Gary Brown of the Methodist Counseling Center in Charlotte. The Career and Personal Counseling Service at St. Andrews Presbyterian College in Laurinburg also provides occasional assistance. With the expertise of these two centers, we hope to faithfully and effectively accomplish our work for the glory of God and the well-being of the Church.

RESIDENCY IN ORDAINED MINISTRY, COMMITTEE ON

¶417.3 in the 1992 *Book of Discipline* states:

"Each probationary member shall have an elder in full connection assigned by the Board of Ordained Ministry as counselor during the period of probation."

The North Carolina Conference Residency in Ordained Ministry program meets this guideline. Probationers meet in small cluster groups throughout the probationary period. Every effort is made to keep each participant in the same cluster, and with the same leader, for the duration of the probationary experience. This arrangement provides a particularly important collegiality and support for the probationers.

In November, 1992, the committee sponsored an event at Duke Divinity School for candidates preparing for probationary membership. Phase I probationers, those in their first appointment after receiving the M.Div. Degree, meet annually for an overnight retreat. A resource person, selected by the committee, leads the group in exploring issues such as call to ministry, spiritual formation, etc.

Phase II members are those in the second year under appointment, who work in their cluster gatherings to prepare for full membership. A retreat is held at Duke Divinity School each year to assist this group in their preparation. Phase III is designed to help probationers who must reappear before the board for elder's orders and full conference membership. The Residency in Ordained Ministry committee is committed to helping candidates for ordained ministry in every way possible.

Report B - Recommendations for the Pension Program

I. Past Service Liability

- A. Past service will continue to be paid on the defined benefit concept (per service year rate) for all service rendered to the North Carolina Conference through December 31, 1981. This plan will continue until all pastors with past service benefits and their surviving spouses are deceased.
- B. Goal of defined benefits (per service year rate) has been defined in the Book of Discipline for many years as 1% of the Conference Average Salary. The 1994 CAS for the North Carolina Conference is \$32,902.00.
- C. The current rate is \$305.00 per service year. Participation in the new Ministerial Pension Plan requires that an Annual Conference increase its past service rate as the Conference Average Salary increases, to at least 0.9% of the CAS to continue to participate fully in the new pension program. We propose that the past service rate beginning January 1, 1994 be increased to \$320.00 per service year, and that further increases will be presented to the Annual Conferences of the future as the Conference Average Salary increases. This increase creates an unfunded liability of \$27,224,324.00.
- D. To increase any past service rate will always involve accepting an unfunded liability that must be satisfied by either a single cash payment, a series of planned payments, or a combination of both.
- E. The Annual Past Service Deposit for 1993 required by the General Board of Pensions is \$2,136,640 (Due Date December 31, 1994). The amount needed in 1995 to fund our total liability by the year 2021 is \$900,000. Additionally, for other benefit plans; such as, health and life insurance, pension grants, administration, etc., the 1995 budget request is \$1,100,000.

II. Ministerial Pension Plan (MPP)

Guidelines for the Ministerial Pension Plan and the Comprehensive Protection Plan are contained in the 1983 and 1984 *Journals* of the North Carolina Conference. Thus we call to your attention only those guidelines that are relevant to these programs.

- A. Service on and after January 1, 1982 will be funded on a new concept, called a defined contribution plan. This plan is basically deferred salary, and creates no unfunded liability because it builds an account of funds for a specific minister as his/her salary is paid.
- B. Funding is based on a percentage of Plan Compensation. Plan Compensation is calculated as follows:

<i>Take Cash Income (salary ONLY) e.g.</i>	\$20,000.00
<i>Add 24% of Cash Income or Housing Allowance</i>	<u>4,800.00</u>
<i>Plan Compensation will be</i>	\$24,800.00

1. No travel or utility funding is ever used in Plan Compensation calculations since these are considered by the General Board of Pensions to be items of local expense.
2. Clergy couples housing (Effective January 1, 1988):
 - a. When only one of the spouses is furnished a parsonage, the one furnished the parsonage includes the housing allowance.
 - b. When one spouse is furnished the parsonage and the other a cash allowance, the one furnished the parsonage will use the 24% housing allowance, and the other will report the actual cash housing paid.
 - c. When two parsonages are furnished and both are used, each spouse claims a housing allowance.
 - d. When neither is furnished a parsonage, the actual cash housing allowance may be counted by the person/or persons receiving the allowance.
3. In accordance with the Plan Document, the housing allowance for those furnished housing is: 20%-1990; 21%-1991; 22%-1992; 23%-1993; 24%-1994; 25%-1995.
4. Those furnished a cash housing allowance will report the actual amount in accordance with the Plan Document. (Effective January 1, 1988)
- C. The Ministerial Pension Plan contribution from the local church is to be paid monthly by the Church or Charge Treasurer to the General Board of Pensions. (Effective January 1, 1990)
- D. These contributions are placed in the individual minister's Church Account to be available for benefits when the minister becomes eligible for payment in the retired relationship.
- E. Each minister who is eligible for benefits will be required to designate beneficiaries for the benefits he/she is qualified to receive.
- F. We recommend 12% as the level of participation in the Ministerial Pension Plan for the North Carolina Conference participants.
- III. Comprehensive Protection Plan (CPP)
 - A. This part of the program contains provisions for a death benefit, disability income, and funding for the peerage portion of the Ministerial Pension Plan. In addition to the provisions of a death benefit for the pastor, there is a death benefit on the life of the spouse and dependent children under age 18 or who are dependent because of disability. The Comprehensive Protection Plan also includes educational benefits for the children of a deceased minister. This part of the new plan is only available to those ministers covered under the CPP.
 1. Death benefits provide 150% of the Denominational Average Compensation as the benefit paid on the death of an active minister through age 46, dropping on a graduated basis to 20% upon retirement at any age.
 2. Disability payments are based on 40% of the Denominational Average Compensation in effect at the time the minister is placed on disability.
 3. The peerage program provides for a contribution from the Comprehensive Protection Plan to the minister's Church Account of a sufficient amount to provide the minister with a total contribution for the year based on the Denominational Average Compensation at 12% of Plan Compensation based on the Denominational Average Compensation for those eligible.
 4. The Comprehensive Protection Plan contribution from the local church is to be paid monthly by the Church or Charge Treasurer to the General Board of Pensions. (Effective January 1, 1990)
 - B. The cost of the Comprehensive Protection Plan is a 4.4% contribution of actual Plan Compensation (up to 4.4% of the Denominational Average Compensation). The pastor shall be required to pay 1% of Plan Compensation (up to 1%

of DAC) and the church or charge shall pay 3.4% of Plan Compensation (up to 3.4% of DAC). (Effective January 1, 1990)

IV. Implementation of the Program

The benefit Program adopted by your Conference Board of Pensions seeks to provide a wider range of support for the minister's family through death benefits for every member of the family, disability income for the minister in time of great stress, educational benefits for children of deceased ministers, minimum annuity benefits for surviving spouses, and the build-up of contributions to the Church Account of those ministers whose compensation is below the Denominational Average Compensation.

A. Costs of the Ministerial Pension Plan/Comprehensive Protection Plan will be borne by the local charge as an item of ministerial support according to the Plan Compensation of the minister and the category of the charge.

FULL TIME (Conference Member/Local Pastor) - 12% of Plan Compensation for MPP and 3.4% of Plan Compensation for CPP (up to 3.4% of the DAC)

STUDENT (Conference Member/Local Pastor) - 12% of Plan Compensation
LESS THAN FULL TIME (Conference Member/Local Pastor) - 12% of Plan Compensation

INTERIM OR RETIRED SUPPLY - no pension responsibility

B. The pastor will make regular monthly payments to the General Board of Pensions through the local church treasurer for his/her 1% of Plan Compensation (up to 1% of the DAC) for CPP.

C. The pastor will make regular monthly payments through the local church treasurer to the General Board of Pensions for his/her personal tax-paid or tax-deferred contributions of at least 3%.

V. Policies Related to Life and Hospital Insurance

A. Surviving spouses who are not covered under the minister's hospital insurance must request coverage within thirty (30) days after the death of the pastor to avoid the one year waiting period for pre-existing conditions.

1. When surviving spouses are employed and provided hospital insurance, the policy of the Board of Pensions will be the secondary carrier.

2. If the surviving spouse remarries, the hospital insurance will terminate until the said surviving spouse attains age 65 or the dissolution of the marriage.

3. A surviving spouse, who married the pastor after he/she retired, is not eligible to be covered by the Hospital Group Plan after the death of the pastor.

B. Pastors Insurance (to become effective at the conclusion of the 1988 Session of the Annual Conference.)

1. Pastors who retire from the North Carolina Annual Conference with twenty or more full-time years of earned pension credit in the North Carolina Annual Conference will have their hospital and life insurance paid by the Conference Board of Pensions when the minister attains age 62, or retires with thirty-five (35) years of service and receives pension benefits, provided at least twenty of the thirty-five (35) years of pension credit is in the North Carolina Annual Conference.

2. A pastor who retires from the North Carolina Annual Conference with less than twenty full-time years of earned pension credit in the North Carolina Annual Conference will pay, when he/she attains age 62, or earns 35 years of pension credit and receives pension benefits, a portion of the premium by the following formula:

Years of Service Earned in NC Conference at Retirement Time	Payment by the Conference Board of Pensions	Payment by the Retired Ministers
19	95%	5%
18	90%	10%
17	85%	15%
16	80%	20%
15	75%	25%
14	70%	30%
13	65%	35%
12	60%	40%
11	55%	45%
10	50%	50%
9	45%	55%
8	40%	60%
7	35%	65%
6	30%	70%
5	25%	75%
4	20%	80%
3	15%	85%
2	10%	90%
1	5%	95%

3. [Paragraphs noted are from *The Book of Discipline, 1992*] Effective August 1, 1992, Pastors who discontinue as Full-time Local Pastors, ¶1410, or Probationary Members, ¶1418, as well as Conference Members who are retired involuntarily, ¶1452.3; who are granted Honorable Location, ¶1453.1; who withdraw to unite with another denomination, ¶1453.2; who surrender the ordained ministerial office, ¶1453.3; who withdraw under complaints or charges, ¶1453.4; and Conference Members who are placed on Administrative Location, ¶1454.3 are ineligible to receive health insurance benefits or life insurance when payments from the General Board of Pensions begin.
4. Ministers not covered under medicare shall receive an amount equal to the premium of the Medicare supplement paid for those covered under Medicare. Payments will be prorated according to the schedule in V B2.
5. Clergy Couples' Insurance
 - a. When one member of a clergy couple retires, the insurance, medical and life, will be paid for the retired pastor according to schedule V B2.
 - b. Medical insurance will be provided for the spouse and dependent children of the retired clergy partner according to schedule V B2.
 - c. No life insurance is provided for the spouse or dependent children of the retired clergy partner.

VI. Dental Insurance

VII. Maximum Lifetime Benefit Under Medicare Supplement

Maximum benefit under the Medicare Supplement for retired pastors and spouses is \$1,000,000.

VIII. Special Provisions

The North Carolina Annual Conference Board of Pensions is hereby authorized, at its discretion, to arrange with the General Board of Pensions for active participation

in the MPP and/or CPP by persons who are eligible under special rules but not automatically included as active participants. (MPP Section 3.2 and CPP Section 3.2)

IX. Conclusion

Our constant aim is to provide our retired families with their needs for an adequate income to purchase essentials for living as well as to insure adequate care in case of illness. To these ends our recommendations are directed, and their satisfaction is found in the acceptance of the North Carolina Conference and its membership.

Report C - Housing Exclusion Allowance (For Income Tax Purposes Only)

RESOLUTION RELATING TO RENTAL/HOUSING ALLOWANCES FOR RETIRED OR DISABLED MINISTERS OF THIS CONFERENCE

WHEREAS, the religious denomination known as The United Methodist Church has and functions through ministers of the gospel who are duly ordained or licensed; and

WHEREAS, the practice of The United Methodist Church is to provide a parsonage or a rental allowance as part of the gross compensation for each of its active ordained or licensed ministers; and

WHEREAS, pensions paid to retired ordained or licensed ministers of The United Methodist Church are considered as deferred compensation and are paid to said retired ordained or licensed ministers in consideration of previous, active service, and disability benefits are considered payments in lieu of compensation for active service; and

WHEREAS, the Internal Revenue Service has recognized that the North Carolina Annual Conference is the appropriate organization to designate a housing/rental allowance for retired ordained or licensed ministers who are members of this Conference; and

WHEREAS, the disabled minister has the same legal relationship to an Annual Conference as does the retired minister and, thus, this Annual Conference is also the appropriate organization to designate a housing/rental allowance for a disabled ordained or licensed minister who is a member of this Conference;

NOW THEREFORE BE IT RESOLVED:

1. An amount equal to 100% of the pension payments received by a retired minister (including amounts received in this respect from the Duke Endowment), or 100% of the disability benefit payments received by a disabled minister, during the year of 1993 be and is hereby designated as a rental/housing allowance respectively for each retired or disabled ordained or licensed minister of the United Methodist Church, who is or was a member of the North Carolina Annual Conference at the time of his or her retirement or disability.
2. The pension or disability payment to which this rental/housing allowance applies shall be the pension or disability payment resulting from all service of such retired or disabled ordained or licensed minister from all employment by any local church, Annual Conference, General Agency, or institution of The United Methodist Church or of any former denomination that is now a part of The United Methodist Church, or from any other employer who employed the minister to perform services related to the ministry and who elected to make contributions to the pension or benefit funds of The United Methodist Church for such retired minister's pension or disabled minister's benefits.

NOTE: The rental/housing allowance which may be excluded from a minister's gross income is limited to the lesser of (1) the amount of the rental/housing allowance designated by the minister's employer or other appropriate body, (2) the amount actually expended by the minister to provide his or her housing, or (3) the legally-determined fair rental value of the parsonage or other housing provided. As specified in Rev. Rul. 71-280, 1971 C.B.92, "the only amount that will qualify for exclusion under section 107(2) of the Code as 'rental allowance' is an amount equal to the fair rental value of the home, including furnishings and appurtenances such as a garage, plus the cost of utilities." Beginning in 1984, there is no longer a sick pay or disability income exclusion available with respect to disability benefit

payments. Therefore, the full amount of disability benefit payments will be taxable income to the recipient beginning in 1984.

Report D - Ministers' Transition Fund Constitution

THE PRINCIPLE OF THE FUND

The Ministers' Transition Fund is established to assist the minister to more easily make the transition from the active relationship in which a furnished parsonage has usually been provided, to the retired relationship in which the minister provides his/her housing. The fund is established by apportionments to each local church in the Outreach Ministries - Fair Share Apportionments and by assessments to each minister who has membership in the Fund. Since all churches contribute to this Fund, it is the desire of the Annual Conference that all ministers participate in the Fund. We do not interpret the churches' support of the Ministers' Transition Fund as an additional benefit for their ministers, but as a benefit for all ministers of the Conference. Therefore, the only funds to which a minister can make personal claim are those which he/she contributed to the Fund. We vigorously emphasize that the purpose of this Fund is to assist the minister's retirement transition, and not to be an emergency fund available for any other purpose. *All participant elections available in the constitution shall be irrevocable.*

The treasurer of the North Carolina Conference shall serve as treasurer of this Fund. He/she shall promote this work, receive funds from pastors and charges, and keep permanent records of assessments received and benefits paid.

ELIGIBILITY FOR MEMBERSHIP

Membership in this Fund is certainly in the minister's best interest, but it is not mandatory. Each ministerial member of the North Carolina Annual Conference (associate, full, probationary, or full time local pastor) who is serving full time in a charge or as a district superintendent, a Conference ministerial staff person, or others who are appointed to serve at a North Carolina Annual Conference institution (Methodist Retirement Home, Inc.; Methodist Home for Children, Inc.; Louisburg College; Methodist College; North Carolina Wesleyan College) shall be eligible to join. In order to remain an active, participating member, the ministerial member of the North Carolina Annual Conference (associate, full, probationary, or full-time local pastor) must continue to serve full time in a charge or other appointment. A full time local pastor may continue as a member of the Fund only during the time he/she is serving under episcopal appointment. Students under episcopal appointment who have previously served full time and who intend to return to full time service are eligible to continue. Those ministerial members on disability leave, leave of absence, or Conference members with less than full time service, may continue to be active, participating members by meeting the provisions discussed hereafter.

Ministerial members who transfer into the Conference or new ministers receiving appointments for the first time are eligible to join the Fund in January of the year following the Annual Conference session in which their credentials were recognized. Ministers in these categories applying for membership will be assessed on the basis of their total salary and utility allowances for the six months between July 1 and December 31 computed to a twelve month amount.

Each new member of the Fund shall file an application form. Upon filing of application for membership and paying the recommended assessment for one year, his/her membership becomes effective. The deadline for enrollment for all ministers is January 31 of each year.

APPORTIONMENTS AND ASSESSMENTS

Funds shall be placed in the Conference budget annually equal to an amount of one percent (1%) of the total salaries and utilities paid to all pastors and associates of the Conference based upon the Conference Journal figures for the year preceding the year in which the budget request is made to the Annual Conference. This budgeted amount will be apportioned to charges on the same basis as all other Conference budget items. Each minister in a pastoral appointment shall be assessed and pay into the Fund one

percent (1%) of all salary and utility allowances he/she receives each year from the charge he/she is serving and/or Conference sources. (Salary also includes Equitable Salary Fund payments, Duke Endowment Funds, and missionary sources).

The Council on Finance and Administration shall make provision for payment equal to one percent (1%) of salary and utility allowances usually paid by the charge for district superintendents and ministers appointed as Conference staff. District superintendents and Conference ministerial staff shall be assessed and pay one percent (1%) of their salary and utility allowances.

All other ministers who participate in the Fund shall be assessed and pay a sum equivalent to two percent (2%) of their annual salary and utility allowances or two percent (2%) of the Conference average salary, whichever is greater.

DEADLINE FOR RECEIPT OF ASSESSMENT

The fiscal year of the Ministers' Transition Fund shall be the same as that of the Annual Conference fiscal year, January 1 through December 31. No later than November 1 of each year, the Conference treasurer shall notify all members their assessment is due. Each member of the Fund shall submit payment for the required assessment no later than January 31 of each year. Assessments received after January 31 will be returned to the minister. If he/she has been a member less than ten (10) years, this lack of payment extends the period for one additional year before dividends can be received. If the minister has been a member over ten (10) years, he/she will receive no dividends for the year involving lack of payment. If any member of the Fund fails to pay his/her required assessment for three consecutive years, he/she shall be required to withdraw from membership in the Fund.

DIVIDENDS

After ten years of membership, and beginning with the eleventh year, the base benefit to be paid is increased by dividends credited to his/her account

Any funds remaining after benefits have been paid to eligible members shall be divided into equal parts and credited to the accounts of those who have been participating members for ten years or longer and are not in arrears for the previous year(s).

DEATH BENEFITS

When a participating member of the Fund dies, the treasurer shall pay to his/her designated beneficiary or beneficiaries, otherwise to his/her estate, the full amount of the basic benefit payments plus the dividends added to his/her account. In the event that a minister dies prior to the time that dividends are earned, the designated beneficiary or beneficiaries, or otherwise the estate, shall receive the full amount of the basic benefit payments plus the assessments contributed by the participating member. In no case would the beneficiary/beneficiaries or estate receive less at the time of the minister's death than the member's assessments plus passbook interest.

DESIGNATION OF BENEFICIARY

Each member shall provide the Conference treasurer the name(s) of the beneficiary or beneficiaries to whom these funds are to be paid in the event of death. The designation shall be indicated on a form provided by the Conference treasurer. In the absence of a designated beneficiary, benefits shall be paid to the member's estate.

IRREVOCABLE ELECTION REGARDING DISTRIBUTION OF FUNDS

Members actively serving must make, prior to attaining age 59 1/2, an irrevocable election to either terminate from the Ministers' Transition Fund beginning with the Annual Conference following the attainment of age 60 or to defer termination from the Fund until retirement, as defined in the Book of Discipline, 1992, paragraph 452.1,2a,2b,and 2c. Such irrevocable election is the responsibility of the member and must be made in writing to the Conference Treasurer by age 59 1/2. Forms can be obtained upon request from the Conference Treasurer. Should the member fail to make the irrevocable election, the member will not terminate from this Fund until retirement.

PAYMENT OF BENEFITS

At retirement or *early fund termination as defined above*, members who have accrued the same years credit in the Fund (during the same years) will receive exactly the same benefit regardless of their total individual contributions.

A minister who retires or *terminates from this Fund* with less than ten (10) years credit in the Fund shall be paid immediately following the session of the Annual Conference at which he/she retires or terminates, the base benefit as prescribed in the table for retired members.

A minister who retires or *terminates from this Fund with ten (10) or more years credit in the Fund* must make an irrevocable election to receive benefit payments under one of the following options. *This irrevocable election must be made no later than ninety days prior to the retirement month. For either option selected, total benefit payments shall be the base benefit as prescribed in the table plus the dividends credited.*

A. Two payment option: The first payment shall be the cumulative amount which the member has paid in assessments. The second payment shall be the balance in the member's account and is subject to income tax.

B. Six payment option: The first payment shall be the cumulative amount which the member has paid in assessments. The remaining payments shall be five equal annual installments of the remaining principal balance and will be subject to income tax.

Under either option, the first payment shall be paid within 15 working days following the adjournment of Annual Conference. The second and subsequent payments shall be paid between January 1 and January 10 of the year following the year in which the minister terminates or retires. The second payment will draw simple interest from July 1 to December 31 computed at the current bank passbook interest rate paid by a bank located in the city of Raleigh (the "passbook rate") in effect on December 15 prior to the January payment. Any remaining payments will draw simple interest annually at the

current bank passbook interest rate paid by a bank located in the city of Raleigh (the "passbook rate") in effect on December 15 prior to the January payment.

In no case would the member receive less at retirement than the member's assessments plus passbook interest.

DISABILITY LEAVE

A minister who is approved for and placed on Disability Leave may elect to:

1. Continue as an active member and pay two percent (2%) of the disability pay received from all sources. Should Disability Leave be granted between sessions of Annual Conference, 2% of the disability pay received from all sources computed to a 12 month amount shall be paid.
2. Be treated the same as a transferring member.
3. Receive benefits the same as a retiring member.
4. Receive all benefits within thirty (30) days following the granting of Disability Leave.

The minister shall notify the Conference treasurer in writing of his/her choice of option within ten (10) days following the granting of Disability Leave. In no case would the member receive less than the member's assessments plus passbook interest.

LEAVE OF ABSENCE

A minister who is approved for and placed on Leave of Absence may elect to:

1. Continue as an active member by paying 2% of the Conference Average Salary while on leave.
2. Be treated the same as a transferring member.

LESS THAN FULL TIME SERVICE

A Conference member who is approved for less than full time service may elect to:

1. Continue as an active member for no more than three years by paying 2% of the Conference average salary while serving less than full time.
2. Withdraw from the Fund according to the provisions discussed hereafter.

MEMBERSHIP TRANSFERRING

Any ministerial member who leaves the North Carolina Conference by transfer to another annual conference of The United Methodist Church cannot make any further payment to the Fund. He/she may leave his/her account (including dividends, if any) in the Fund until retirement. If this is done, the transition benefit will be computed as of the date of transfer from the North Carolina Conference with passbook interest added from that date to the date of retirement. If the account is left, and the minister returns to the North Carolina Conference, he/she may reinstate his/her payments and dividend earnings, effective at the time of transfer back into this Conference.

WITHDRAWING

If a member desires to withdraw from the Fund prior to retirement, upon a written request to the Conference treasurer, he/she shall receive the amount he/she has paid into the Fund, plus simple interest computed at the "passbook rate" which was in effect each year he/she was participating in the Fund.

Each member whose membership is terminated in the Fund in any way will provide the Conference treasurer with a statement indicating that he/she has received funds for which he/she is eligible, and that he/she is no longer a member of the Fund. Any minister leaving the North Carolina Conference to join another denomination will be required to withdraw from the Fund and payment will be made to the minister according to the above formula.

REINSTATEMENT

A member who has withdrawn from the Fund may not be reinstated, but is required to begin anew as though he/she were a new member. A minister shall not be permitted to rejoin the Fund more than two (2) times during his/her ministerial career.

HEARING COMMITTEE

The chairperson of the Board of Pensions shall annually nominate and the Board shall elect a committee of five (5) persons, keeping a balance between clergy, laity, ethnic origin, and gender, to have authority to arbitrate on behalf of the Board of Pensions

between Annual Conference sessions concerning matters that relate to, but are not specifically covered by, the Constitution of the Ministers' Transition Fund.

NEW RULES AND CONSTITUTIONAL PROVISIONS

At the time these rules and guidelines are adopted, all previous legislation regulating this Fund shall be null and void. *The Annual Conference, at any time or from time to time, may amend any or all of the provisions of the Constitution without the consent of individual members of the Fund. No amendment shall have the effect of modifying any benefit election of any member in effect at the time of such amendment.*

The Annual Conference established this Fund with the intent that it will be maintained for an indefinite period of time. However, the Annual Conference reserves the right to terminate the Fund, in whole or in part, at any time. No amendment, modification or termination of the Fund shall adversely affect the member's benefits accrued for his or her retirement at the time of termination of the Fund.

PERU COVENANT, TASK FORCE ON

Since 1989, local congregations of the NC Annual Conference have been in relationship with the Iglesia Metodista del Peru (The Methodist Church of Peru). These local church relationships with our Methodist brothers and sisters in Peru eventuated in a Covenant relationship which was officially agreed upon by the 1990 NC Conference and the 12th General Assembly of the Methodist Church of Peru. This model relationship is one to which the General Board of Global Ministries has shown vested interest and to which it has given considerable support. It has become an example of the growing need in United Methodism to find alternative structures to serve our missional responsibilities.

The covenant model is one in which we recognize our mutual need for one another, in a world where nations have become interdependent. The covenant model is one in which we recognize that we are involved in God's mission, not one which we have "planted." It is in this kind of "mutualization" that we have discovered that in the history of Methodist missions in Peru, and in many other places, God has been there before us and that often our presence has served to repress God's mission in the oppression of God's people. In covenant with Peru, we have come to recognize that we who stand within the history of "colonializing missions" are in need of healing; in learning about our mission history of Peru we have come to see ourselves more clearly and our own need for conversion. Such covenanting with Third World Methodists has been a means of grace, not only moving us toward repentance, but also moving us forward in interdependence, so that together, through prayer, Bible study and worship, we can also address such issues as global environmental stewardship, poverty, etc.

At our 1992 Annual Conference we enjoyed the visit of Bishop Pablo Mamani and since then have hosted the visit of two other members of the Peru Church. During the 1992-1993 academic year, Americo Conde, a lay member of the Methodist Church of Cuzco, and an Amayra Indian, has been studying at Methodist College in Fayetteville. He has been supported by our Annual Conference offerings, by various local churches, and by a generous scholarship from the college. In addition, during this past February and March the Reverend Rosanna Panizo, one of our Methodist pastors in Peru and rector of the Comunidad Biblico-Teologica (our Methodist seminary in Lima), visited among churches in NC and was a visiting lecturer at the Duke Divinity School.

At present, plans are being made to take a team of clergy and lay persons from the NC Conference to Peru this Fall. There we will visit various congregations in the Lima-Callao district, work for several days on the "Children's Farm" (where the Methodist church is cooperating to construct a community for children orphaned by the terrorist warfare of the Shining Path), and visit the south Andean areas of Cuzco and Puno, where the Methodist church is growing so rapidly. Along with this kind of mutual presence we continue our covenant through written correspondence, prayer, "eucharistic" remembrance, etc.

At this 1993 session of the NC Annual Conference we propose that the Covenant between our Conference and the Methodist Church of Peru be reaffirmed. As first passed unanimously by the 1990 Annual Conference it reads as follows:

We, the members of the NC Annual Conference of The United Methodist Church, in session June, 1993, hereby affirm our covenant in Christ with our sisters and brothers of the Iglesia Metodista del Peru. As an expression of that covenant bond, we will call upon the Cabinet and agencies of this Annual Conference to encourage and lead the Annual Conference, districts, and local congregations to enter into a covenant/partner relationship with the Iglesia Metodista del Peru, for prayer and other forms of mutual support, engagements, and communication as determined by and agreed upon by the communities of faith entering into such a covenant/partner relationship.

REPORTS

BOARD OF INSTITUTIONS, INC.

As the culmination of several years' study of various issues involving the Conference's legal relationships with its affiliated institutions, the 1992 North Carolina Annual Conference adopted the report of its Committee on Legal Relationships with minor revision. By this action, the Conference called for the creation of a new corporation, the North Carolina Annual Conference Board of Institutions, Inc. ("BI").

The purpose of the proposal was to define more accurately the relationship between the Conference and its affiliated institutions, which include the three colleges, retirement home, children's home, group homes for the handicapped (which are still in the planning stage), and Conference camps. It presupposed that the Conference wanted to maintain its past close ties with those institutions whose programs remain consistent with the Conference's policies and *The Book of Discipline of The United Methodist Church*. However, the Conference also wished to protect its broader objectives by modifying its legal relationships with the institutions by the creation of the new corporation, BI. This corporation was designed to provide technical and legal oversight concerning institutional governance and the financial health of the affiliated institutions. Bishop Minnick was to appoint its initial Board of Trustees effective September 1, 1992, to serve for only ten months, with subsequent classes of trustees to be elected by the Conference.

By its action, the Conference directed BI to have the following substantive duties:

1. After consultation with the appropriate Conference commission, to elect 40 percent of the members of the boards of affiliated, incorporated institutions. The exception to this is the Methodist Retirement Homes. In that instance, the BI Board would nominate 100 percent of the board after receipt of the recommendations from the Retirement Homes board, and the Conference would continue to elect those board members.
2. To review any financial statements provided to it by the affiliated institutions and thereafter advise the appropriate commission on the apparent financial health of the institution.
3. To review the liability insurance policies of each affiliated institution to determine the sufficiency of director's coverage for the 40 percent of the members elected by BI.
4. To review the materials used by each affiliated institution to determine whether it might adversely reflect on the legal relationship between the institution and the Conference. In this connection, any material representing a relationship with the Conference or The United Methodist Church must be approved by the Bishop or his designee.
5. To perform such other duties as the Conference might direct.

Consistent with the Conference's action, the new Articles of Incorporation for BI were finalized and filed with the Secretary of State on September 1, 1992. At the first organizational meeting of the Board of BI on October 5, 1992, a set of by-laws was adopted setting forth the purposes of BI and the powers and operational considerations of the Board. In accordance with the proposal adopted by the 1992 Annual Conference, the Board of BI submits the attached copies of these articles of incorporation and by-laws to the Conference for its approval. We believe that these documents are consistent with the letter and spirit of the Conference's action. They closely follow the proposal adopted by the Conference and utilize sound practices employed by nonprofit corporations to further the effective dispatch of business.

This has been a year of organization and hard work as the Board of BI has attempted to clarify the issues put before it and determine the most effective means of carrying out its stated purposes. Each affiliated institution was requested by the 1992 Conference to modify its governing instruments to reflect its altered relationship with the Conference. Each institution has done its utmost to cooperate and has amended its

corporate articles of incorporation and by-laws per the Conference action. These changes include, among other things, (1) the election of forty percent of the board of each institution by BI (except for the Retirement Homes) and the election of the remaining sixty percent by the board of that institution, and (2) the inclusion of a statement that the Church does not assume the debts or legal obligations of the institution and cannot be bound by any act or omission of the institution.

In carrying out its work, the BI Board has adopted a procedure to review the qualifications of the forty percent of those boards nominated and elected by BI and to consult with the appropriate Conference commissions about this election. The Board determined that in fulfilling this function, it would request that each affiliated institution submit with its recommendations to BI a description of each such person, including qualifications, commitment, and skills which would aid him or her in the oversight of the institution. Upon receipt of the recommendations of potential trustees or directors from the board of the affiliated institutions, BI would attempt to relay them to the appropriate Conference commissions and notify them of BI's deadline for any comments or recommendations.

If at all possible, the affiliated institutions should submit to BI recommendations for the forty percent of their membership elected by BI at least 120 days prior to the date said trustees take office. At its November 23, 1992 meeting, BI elected the members of all of the affiliated boards, with terms beginning January 1, 1993, except for the Methodist Retirement Homes. At its March 15, 1993 meeting, BI plans to elect members of the class of 1997 for those boards who begin their terms on July 1, 1993.

In dealing with its responsibility to determine the financial health of each affiliated institution and review any such financial statements provided to it, BI has considered several options in attempting to determine the most cost-effective way of accomplishing this goal. BI has determined that a Financial Review Committee of the board of BI would be appointed, including up to three persons with financial expertise not currently serving on the board of BI. This committee would meet with the chief financial officer and other representatives of each affiliated institution and review its audited financial statements.

BI continues to work toward a satisfactory resolution of the following issues: (1) addressing the adequacy of the liability insurance coverage for the affiliated institutions; and (2) the use by the affiliated institutions of the name and logo of The United Methodist Church and the Conference and appropriate disclaimers.

The initial trustees of BI have appreciated the privilege granted them by the Conference to begin the work of this Board. They have attempted to be faithful to the intent of the Conference in creating BI. As the work of BI continues to progress, the Board believes that, in the years ahead, it can materially assist in protecting the Conference from potential legal liability, while monitoring the appropriate stewardship of resources by those institutions supported in part with Conference funds.

CHILDREN, TASK FORCE ON

This, the second year of the Task Force on Children, has been an exciting one. While we have continued to be unduly stressed by the situations in which we find children, we have become increasingly excited about the opportunity for ministry children offer us.

We have sought to bring the needs of children before people across the Conference, offering ways the local church might be a part of the solution for children in need when possible. As representatives of the Task Force, we have been in local churches trying to help churches best address the needs of children in their communities. There have been times we have found ourselves in leadership roles in community-based programs as they have sought the church's input on children's issues. The Task Force has encouraged each district to sponsor a "State of the Child Conference." Several districts have had, or are planning to have, such a conference. At times, a district or sub-district has participated in a regional "State of the Child Conference" sponsored by another agency. The Rocky Mount District recently awarded a free week of camp for a child to the Sandy Cross UMC because of the intentional planning and programming energies put into childrens ministries as a result of their participation in the "State of the Child Conference." We commend all churches who have responded so promptly to children at-risk and/or in need.

We have made great strides in establishing the position of Local Church Child Day Care Consultant. We expect this position to commence January 1, 1994 as planned and greatly appreciate the support and cooperation of this Annual Conference, the Methodist Homes for Children, and The Duke Endowment to make this a reality.

We have compiled the charge conference survey results in each district and met with the children's coordinator (or other representative of children's ministries where there was no coordinator) regarding these surveys. As a result, we are identifying prospective pilot project sites to work with the Duke Endowment Rural Church Division. We have also identified and awarded grant support to a few local church outreach ministries for children. The resource booklet for local churches will soon be ready for distribution. We feel this will greatly expand the view of the local church as to how children's ministries might be accomplished.

This Task Force terminates its existence with the feeling that it has "worked its way out of a job." Though the needs of children are ever critical, awareness in the annual Conference has increased to the point we recognize a sense of unity in this ministry. With the establishment of the Local Church Child Day Care Consultant, we can feel encouraged that the NC Annual Conference is indeed making a difference in the lives of children in need!

We are grateful to the Annual Conference for the privilege that has been afforded us to be about this ministry in your behalf.

CONFERENCE COUNCIL ON MINISTRIES, REPORTS OF

ARCHIVES AND HISTORY, COMMISSION ON

The preservation of the History of the NC Conference and the local churches within our bounds is a tremendous responsibility. Our commission expresses deep appreciation to the host of persons involved in this wonderful endeavor. Particularly, we give thanks for the leadership of the Reverend Lawrence E. Lugar, as chairperson for the last two quadrenniums. Reverend Lugar was elected to serve on the SEJ Commission on Archives and History for the present quadrennium. Much work has been completed and continues due to the fine efforts of the Reverends Cliff Shoaf, C. Maness Mitchell, Conference Historian Frank Grill, and Mrs. Vivian P. Mitchell.

The present Commission begins our work with confidence due to the fine efforts of our past commissions.

The cataloging of information on the computer is still progressing well. The Reverend Denny Wise has general oversight of this project.

The Reverend Simeon Cummings is to head the continued sales of the outstanding Native American History Book, *The Lumbee Methodists - Getting to Know Them*. We strongly encourage every local church to use this resource to strengthen our understanding of our rich Methodist heritage.

The Reverend C. Franklin Grill has been asked to give focus and initiative to the publication of the history of this Annual Conference. This is a project that has long been desired and we hope can soon come to fruition.

Two Historic Church Grants of \$125.00 each were given to Whitakers Chapel of Enfield, and to Rehoboth Church of Plymouth.

The Spring meeting of the Commission was held at St. Paul UMC in Goldsboro on February 15, 1992.

At the July 2, 1992 meeting of the Conference Council on Ministries at St. Paul UMC in Goldsboro, the Commission elected the following new officers - Chairperson: Reverend W. Arthur Warren, Jr., Vice-chairperson: Reverend Denny C. Wise, Secretary: Ms. Elizabeth "Pat" Bailey.

The 1992 SEJ Historical Society meeting was held July 10-13 at Lake Junaluska. The theme was "Francis Asbury, Planter of our Roots." Those attending in addition to myself were Reverend and Mrs. C. Maness Mitchell, Mr. John Mitchell, and Reverend and Mrs. Lawrence E. Lugar. The next meeting of the SEJ Historical Society will be July 13-16, 1993 at Simpsonwood in the North Georgia Conference.

Our fall meeting was held at Elizabeth UMC at Smithfield on September 26, 1992. At this meeting a letter of condolence was sent to Bishop Joseph B. Bethea on the death of his wife, Shirley.

I attended the SEJ Joint Training Event at Lake Junaluska on November 19-21, 1992.

The NC Conference United Methodist Historical Society held meetings at Westover UMC in Raleigh on March 21, 1992 and at Banks UMC in Franklinton on November 14, 1992. Annual dues are \$7 and includes a subscription for our Newsletter "Saddlebags" edited by Mr. Grady L. E. Carroll, Sr. Dues may be sent to Reverend Bill Cummings, P O Box 693, Red Springs 28377 or at our display table during Annual Conference. We celebrate the 100th Anniversary of our Society this year. The Society was organized at the NC Annual Conference held on Wednesday - Monday, December 6 - 11, 1893 at Fifth Street Methodist Episcopal Church, South, Wilmington, NC. Our *Journal* notes that the first meeting was at Trinity Methodist Episcopal Church, South, Durham, NC on December 3, 1894.

The Commission was blessed to host the "Wesleyan Evangelism for the Nineties" event on March 6, 1993 at St. Paul UMC in Goldsboro. This event prepared leadership in our Conference to train persons for the ministry of Evangelism. Leadership for this program was Dr. Ted A. Campbell, Duke University, and the following pastors of our Conference, the Reverends Sidney Huggins II, Eckie Lancaster, Jonathan Strother, and Denny Wise.

"Celebrating our Heritage of Itineracy" was the theme for Heritage Sunday, April 25, 1993.

Our Commission is grateful for what has been accomplished this past year and looks forward to guiding our Annual Conference in preparation for future preservation of our United Methodist History in the NC Conference.

W. Arthur Warren, Jr., *Chairperson*

DISASTER PREPAREDNESS, COMMITTEE ON

This year, our Conference has escaped widespread, severe damage from storms or other disasters. Wherever people have been affected by storms, we have been quick to examine the damage, and sent members of the committee to assist local churches with guidance and resources. As a result, we assisted the Orange County Ministerial Association for disaster assistance in Hillsborough, and families on the Greenville and Elizabeth City Districts with grants totaling \$8,000.00 to help them rebuild or relocate. We are especially pleased that local UM Churches and pastors took the lead in working with victims and setting up relief programs. All grants came from our disaster reserves. The reserves are still sufficient to handle initial funding should a severe disaster strike, but we are at the point where even a minor disaster will require an appeal to restore the reserves.

While Hurricane Andrew did not hit NC, people throughout the Conference wanted to volunteer their services and resources for the relief effort in Florida. Working closely with Volunteers in Mission, the Committee on Disaster Preparedness trained each team that went to Florida, and purchased additional helmets and first aid kits for teams. These resources, amounting to \$572.30, return to our Conference for disaster work in the event we need them. In addition, we found that more was needed to provide administrative guidance to teams formed on short notice. The committee worked to put together a series of checklists and training materials for teams going to disaster sites. Our training expenditures amount to \$1,004.39. The committee continues to train and assist Volunteers in Mission both within and outside our Conference.

As a result of both Hurricanes Andrew and Hugo, we have discovered a need not only to guide teams leaving our Conference, but to manage teams coming into the Conference should a disaster strike here. To this end, we are continuing to produce training materials and guidelines for disaster assistance teams. We will be working very closely with the NC Volunteers in Mission, the NC Council of Churches, Interfaith Disaster Relief Committee, the NC Department of Emergency Management, and the United Methodist Committee on Relief. Together, we will prepare to manage massive relief efforts should our time come for a major disaster.

We are very proud of the efforts put forth in disaster work here in our Conference. This is truly a labor of love which benefits both victims and volunteers. It is very evident from all that we have accomplished together that God blesses this work and all who have any part in it.

EDUCATION, COMMISSION ON

They had been trying the same old things in the same old place. Simon and the others out on the lake cast their nets over and over, failing to make a catch. Jesus got into the boat with Simon, instructing him to "Put out into deep water, and let down the nets for a catch." Simon complains that they have cast all night and haven't caught a thing. With hesitation the nets are cast and, to the amazement of Simon, the nets are filled to overflowing.

When this ordinary event turned extraordinary, Peter's life was forever changed, not unlike our lives when the ordinary is transformed to the extraordinary and God's love is revealed. The Education Commission believes that Christ is admonishing us as a people to reach deeper, expand further into the water of life and fish for people for the sake of the Kingdom.

Our commission is divided into networking teams which include: Singles, Baby Boomers, Children, Youth, Sunday School, Family, Adults. Each team has been working diligently to expand the educational opportunities for our Conference.

A Singles Task Force has actively addressed the needs of this increasing area of ministry. A Baby Boomers Task Force designed an informative brochure to help local churches reach out to this generation. One-third of NC's population is made up of Baby Boomers - persons born between the years 1946 and 1964 - and 50 to 60 percent of

Boomers are unchurched. A recent Gallup Poll showed that three out of four new members joining American churches are Baby Boomers.

Districts have continued to have "State of the Child" conferences throughout this past year. Our Conference Youth Ministries have explored new opportunities and deeper waters with much success.

We have expanded the concept of the Ministry Training Teams to include Curriculum Consultant Teams which provide local churches with trained people to address needs in selecting curriculum. The Ministry Training Teams continue to offer creative and new ways of enhancing the educational ministry of the local church.

Our theme for this year has been "Casting Our Nets." As we venture to cast our nets into deeper water, the Commission on Education would like to see District Christian Educators throughout our Conference offering leadership to our local congregations. We also have dreams of a Singles Ministry Coordinator.

This is a challenging and exciting time in the ministry of the church. Let us celebrate this opportunity to cast our nets into deeper waters.

ETHNIC LOCAL CHURCH CONCERNS, COMMITTEE ON

Greetings brothers and sisters of the NC Annual Conference. The Ethnic Local Church Concerns Committee is happy to report the successes made in the 1991-92 Conference year.

Several Ethnic Minority congregations have been formed in the Korean, Hispanic and Native American communities.

Success in transitional congregations has been made in the African American community, namely, Harry Hosier UMC, Fayetteville, and Asbury Temple, Durham, in a big way.

Minimal success has been made in cross-racial appointments in that two Native Americans are pastoring Anglo-American charges.

Genderly, there has been success in the area of clergy women, but not across the board: African American, Korean, Hispanic and Native American women are yet to be accepted as pastors in our churches.

We have come a way, but we have a very long way to go. It is my strong belief that if we are ever to reach respectable inclusiveness in this Annual Conference, it will come through complete submission to the *Comprehensive Plan*.

¶726.5a of the *Book of Discipline* affords us some invaluable suggestions and some mandates.

In compliance with ¶726.5a of the 1992 *Book of Discipline*, the ELCC Committee makes the following amendments to the approved *Conference Comprehensive Plan*:

Under the 1987 *Comprehensive Plan of the NC Conference*, Section V, B. Reprioritization of Goals, Objectives, and Strategies, delete Items 3 and 4. Replace said items to read:

"3. Each program commission or agency will seek to develop at least twenty percent of its programs beginning in 1993, specifically for continued development and strengthening of ethnic minority local churches."

"4. Each program commission or agency will seek to employ at least twenty percent of its budgeted program funds, beginning in 1993, specifically for the continued development and strengthening of ethnic minority local churches."

At the 1996 Annual Conference, after the *Comprehensive Plan* has been evaluated, another recommendation will be made as to its future.

The committee and I solicit your prayers and submission to Romans 10:12, RSV, "For there is no distinction between Jew and Greek; the same Lord is Lord of all and bestows his riches upon all who call upon him." We thank you for the opportunity to serve.

EVANGELISM, COMMISSION ON

The end of 1992 brought the end of the "Year of Evangelism" for the NC Conference. This special emphasis encouraged pastors and churches to follow a prayer calendar, inviting them to pray for each other in a systematic way. Each local church and district council on ministries was to orient their programs around this emphasis. Faith sharing workshops, ministry to baby boomers, lay visitation programs, youth rallies, and lay rallies helped us to re-focus our efforts on sharing the gospel of Jesus Christ with others.

So, even as the Year of Evangelism ends, it is really just beginning. The commission is offering the *VISION 2000* initiative to the Annual Conference for its adoption at the session. This initiative helps us receive God's vision for our church while we lean forward into the future. As John Ed Mathison, pastor of Frazer Memorial UMC in Montgomery, puts it, "The main thing is to keep the main thing the main thing." *VISION 2000* will help each church do the main thing.

During 1993, the Commission will also be working specifically with our churches of small membership. A listening session was held in March to help target the areas in which the Commission can provide programming and other resources to strengthen the ministry of evangelism in these special settings.

The Commission would also like to take this opportunity to recognize the special ministry of the Reverend Tommy Tyson. Tommy is retiring this year as an approved conference evangelist. The lives he has touched are as numerous as the stars. The Commission also recognizes and endorses the ministry of the Reverend Neal Salter as an approved conference evangelist.

The teachings of Christ call us to respond to God's great love for us by reaching out in love to others. It has been said by many that the greatest mission field in the world today is the US. In every community approximately one out of every two persons is non-churched. There is much to be done. Won't you reach out to your neighbor, friends, co-worker, or family member and invite them to feast at the Lord's table?

HEALTH AND HUMAN SERVICES, COMMISSION ON

James 1:27 - "Religion that God our Father accepts as pure and faultless is this: to look after orphans and widows in their distress..."

The work of the Commission on Health and Human Services is the fulfillment of this passage from the book of James. The work of the various agencies is a labor of love and service to Jesus Christ to those in need.

Each church is urged to have a Health and Human Services chairperson. This person can support and enhance the work of the entire church at all levels. One very important work of this person is to be the contact person for Golden Cross, both to receive applications for assistance as well as to promote this ministry.

The Golden Cross Fund is a ministry of love and outreach as we minister to those in extreme hardship due to medical expenses. The maximum grant for which a person may apply has recently been increased to \$1000.00. Applications maybe obtained from the district chairpersons of Health and Human Services.

We need to continue to work toward accessibility to our churches for all persons. One very real resource which is an asset for the local church is the packet of material produced by SEMAR which deals with ministry to persons with handicapping conditions. This packet contains a guide to conducting an accessibility audit in a local church. Let us also be reminded of Access Sunday on the third Sunday in October. This is an opportunity to accept our responsibilities to minister to all persons.

We also are engaged in a hospital ministry at Duke Hospital through the Chaplaincy Program. We have a contact person to make pastoral calls when our church members are hospitalized and their local pastor is unable to call in person.

The work of the Retirement Homes and the Children's Homes are ministries which are well established and ongoing. These ministries are ones which we are justly proud and thankful for. Their's is an outreach to those in need; an outreach which epitomizes the love of Christ in action.

Yet, we often appear willing to sacrifice those very ministries which we cherish and hold dear. The financial giving of the present day is often echoed in a call to reduce the Conference budget by divorcing ourselves of these ministries. Consider the work of the Methodist Retirement Homes. The Conference presently gives less than \$3.00 per day for the care of each resident.

I urge each church to support our Thanksgiving Offering for the Methodist Children's Home and the Mother's Day Offering for the Retirement Homes.

The various ministries on the local level are numerous. Ministry is being given in the areas of alcoholism and drug abuse, senior citizens, handicapping conditions, Alzheimer and problems of aging. The list goes on and is as individual as the local church and community setting.

The love of Christ, made real through ministry to people. That is the work of the Commission on Health and Human Services.

Roger D. Cope, *Chairperson*

Golden Cross

The Golden Cross Ministry is one means by which our Conference reaches out in love to the laity within our Conference who are experiencing difficulty in meeting demands of excessive medical expenses. Through Golden Cross we United Methodists care for members of our local church families in times of greatest emotional stress and financial need.

This past year (1992) Golden Cross assisted 34 families from 10 districts in our Conference. The total amount of money available for medical assistance was \$28,944.00. We approved requests for \$18,366.34 and disbursed \$18,318.34. \$78.73 was spent incurring office expenses.

As of January 1, 1993, Golden Cross has increased the grants available to the laity from \$600.00 annually to \$1,000. Therefore, as you encounter those in need of financial assistance to help meet medical expenses, encourage them to contact their pastor for additional information and an application form.

As part of the NC Conference, you have been gracious in making these funds available for this worthy ministry. The church and its members are grateful for your support in times of extreme need. God bless you.

The Methodist Home for Children

1992 was an extremely productive year. The level of direct services provided by the Methodist Home for Children (MHC) showed significant increase. Children in residential care increased from 118 in 1991 to 163 in 1992. The total number of families receiving clinical care increased from 288 in 1991 to 314 in 1992. Family life education workshops, 81 held in 1991, increased to 92 in 1992 with almost 1000 families being served in these events. Another 7528 persons were involved in 423 interpretation events compared to 4879 persons in 289 events in 1991.

Child and family service agencies in NC and in other states requested consultation in site development. MHC provided consultation services to 5 residential child care agencies: Georgia Industrial Home, Macon, GA; Outreach Broward and Kids in Distress in Ft. Lauderdale, FL; Methodist Home for Children in Jackson, MS; and Methodist Home for Children in Little Rock, AR. The agencies together operated 20 youth homes serving 167 children.

INCREASING DEMAND

The increase in direct services indicate the increasing level of demand. With all due respect to the economy, the number one concern among Americans has to do with the instability in family life. MHC has developed answers to the problem. Because we have

answers, there is increased demand for services. In order to respond to this demand, MHC and the Board of Directors and Staff have launched the New Century Development Campaign. This campaign is designed to position MHC to be able to lead in addressing the needs of troubled children and families into the new century.

NEW CENTURY CAMPAIGN

Strategic planning done by the Board of Directors and Staff projects four major goals emerging from our continuum of care.

1. Family Centered Services. MHC practice and research indicate that services designed to strengthen families and to intervene "in-home" with families in crisis is essential. These methods are proving effective in addressing the problem of family dysfunction while avoiding family dissolution. \$2,000,000 is needed to underwrite the family centered services initiative into the new century.

2. Residential Services Aftercare. MHC practice and research indicate that consistent tracking of children and youth in residential care after discharge is desirable in providing quality services for the children and families we serve. MHC has never had sufficient funding to follow through on aftercare. \$1,500,000 is needed to underwrite the residential services aftercare initiative into the new century.

3. Applied Research Services. MHC practice indicates the need for applied research designed to measure the effectiveness of direct care services to children and families. For many years, MHC has utilized a consultant in applied research with good effect. MHC planning indicates the need for an expanded free standing center for applied research. \$2,000,000 is needed to underwrite the applied research initiative into the new century.

4. Site Development Services. MHC practice and research indicate that when sister child and families agencies consider the success of MHC residential and family life programs, they seek to replicate them in their own agencies. Already, we are responding to requests to provide consultation services to other sites seeking to implement programs utilized by MHC. \$1,500,000 is needed to underwrite the site development services initiative into the new century.

A NEW PERSPECTIVE

\$7,000,000 is the significant need driving the New Century Campaign. In order to meet this need it is important that the MHC constituency and the general public think of MHC in the same way that we think of institutions of higher education. Schools and colleges regularly launch campaigns to underwrite services. Campaigns to raise \$200,000,000, \$400,000,000 and \$600,000,000 have been announced in the area where we live. MHC needs funds to underwrite services to troubled children and families into the new century.

It is a noble goal to make quality higher education available to every person who desires it. It is no less noble a goal to intervene successfully with dysfunctional children and families in our society, so as to avoid family dissolution.

The widespread failure of families is the ailment that is dragging NC down. Failed families breed children who grow up at enormous cost to the State only to have failed families of their own. This cycle must be broken. As we succeed in the New Century Campaign, MHC can be a major source of energy to lead us into a better tomorrow.

JOINT VENTURE

For 94 years, MHC and the NC Conference have worked together to meet human need. The most recent initiative to emerge from this partnership is the project to provide a consultant in child day care services to be available to local churches and others in developing quality child day care.

One of the factors effecting the stability of the home in the prevalence of families where both spouses are employed outside the home. The parent is almost universally employed out of the home in single parent homes. This trend is not likely to reverse. Quality day care for children in these homes is an issue of critical proportion. Research indicates that superior child day care is provided when the child can be served at the work place of one of the working parents.

MHC, as a part of the NC Conference Task Group on Children, has agreed to add to its Family Life Staff a Consultant in Child Day Care. Start up costs for this position will be funded beginning January 1, 1994 by the Annual Conference, grants and MHC.

CHURCH-STATE PARTNERSHIP

1992 yielded new insights into the effectiveness of the possibility of partnership between church and state in our democracy. In late 1991, the Russian Orthodox Church (ROC) requested conversation with representatives of church related human services agencies in the USA. In the new era of developing democracy in Russia, the ROC is being requested by the Russian Government to re-enter the field of human services. The ROC had been prohibited from such activity for 70 years under the Communist regime.

Three representatives from MHC staff and Board of Directors joined the team to participate in conversation with the Human Service Office of ROC in Moscow and St. Petersburg in October. Rufus H. Stark II, President; E. Jack Freeman, Vice President of Residential Services; and Dr. Robert Borgman, Psychologist and member of the Board of Directors were part of the delegation.

While the total experiences of the consultation are rich and varied, the central import of our conversation was around the possibility of opening an era of partnership between church and state in the new Russian Democracy. Our delegation reviewed the American model of this partnership with Archbishop Sergei, head of the ROC's human service section, as well as with other church and state officials.

We pointed out that the partnership is possible in America because three factors apply:

1. Freedom of Religion. Religious toleration is guaranteed in our Constitution and Bill of Rights. Every citizen is free to believe as he/she chooses.

2. No Established Religion. No one religious group or system of beliefs will be, by government act, made the official religion of the domain.

3. Partnership between Church and State. It is in this environment that religious people are free to apply their beliefs. If this means that quality human services are provided, well and good. At the same time, the government as a democracy is seeking to serve the well being of all the citizens. It is possible then for church related human service agencies to engage in partnership with the state in providing quality services.

This partnership is one of the creative tensions. At times, services arising out of religious roots speak to influence public policy. And, conversely, there are times when government speaks in a corrective way to church related human service. It is possible for this creative tension to make for highest quality human services.

Our discussions with our Russian colleagues were fruitful. It is our fervent prayer that a firm partnership will develop in Russia.

The entire interchange helped us to review and clarify the importance of maintaining the liveliness of the partnership between Church and State in our society. It is through its direct service agencies, i.e., children's home, retirement home, colleges, that the Church maintains the necessary experience and vulnerability to make the partnership viable. This is certainly the experience of MHC. It is our clear understanding that it is the intention of the Board of Institutions and the Annual Conference that MHC, together with other human service agencies, be faithful in the direct service role to the persons whom we serve. In this way, the partnership between Church and State remains alive and creative.

The Methodist Retirement Homes, Inc.

The Board of Trustees and management of The Methodist Retirement Homes, Incorporated were pleased that Annual Conference action in 1992 clarified and affirmed support for the ministry of this agency. We have entered into a cooperative arrangement with the Board of Institutions as requested, and have revised our Bylaws and our Disclosure Statement to reflect our Conference relationship.

Our Organization is financially sound. The Cypress Glen facility in Greenville, long a source of major concern, is now occupied to near capacity and is no longer a financial burden.

The Wesley Pines facility in Lumberton continues to serve well the southern area of the Conference, and has posed no significant problem for The MRH, Inc.

We are able at last to turn our attention to the pressing needs for the Methodist Retirement Community in Durham. This original campus of The MRH, Inc. is 38 years of age, quite old for a retirement facility, and has become obsolescent, so that many of the living units cannot attract retirees in the 1990's despite a high degree of satisfaction among its current residents. Consultants advised several years ago that rehabilitation of this campus would be as costly as relocating to another site. Expansion of this campus is not feasible, due to unfavorable topography and the small amount of undeveloped land which is available. The Coble Health Care Center poses significant problems in providing the most efficient care as well as limiting the types of care which can be offered.

In 1989-1990, a Strategic Planning Committee of the Board of Trustees adopted the principle of ultimately relocating the Durham campus, following extensive study and consultant recommendations. Under new management leadership in 1992, and after updating the consultant's study and findings, the Trustees have committed to this relocation and established a period of four years to accomplish this goal. Two years will be required for studies and planning, and two years for construction of a state-of-the-art continuing care retirement community. Our current residents have been reassured that The MRH, Inc.'s contracts and obligations to them will be fulfilled, during and following this relocation.

A Trustee's Search Committee reviewed over 150 applications for the position of president and chief executive officer of our organization, whose duties have been performed most ably by Mr. Roy B. Clark, Jr., chief of Operations and Finance, since the resignation of the former executive director in August, 1992. This committee named Reverend Reginald W. Ponder to fill this position effective June 1, 1993, and we enthusiastically anticipate his leadership and direction of our organization and its work.

The Trustees and management have expressed in the strongest terms the desire to restore the relationship between The MRH, Inc. and the Conference to its utmost. Further, to provide a system of continuing care retirement communities of the highest order, one which will represent those caring and nurturing characteristics which are so desired by our aging citizens, and can best be furnished in the Christian environment of our own retirement homes.

The Trustees have a strong feeling of confidence and optimism in the future of The MRH, Inc. and assure the Annual Conference of their commitment to excellence. We seek and hope to merit the strong support and recommendation of local churches and parishioners in our Conference.

HIGHER EDUCATION AND CAMPUS MINISTRY, COMMISSION ON

The Commission on Higher Education and Campus Ministry is privileged to serve as a vital link between The UMC and persons who are part of various academic communities. It is part of our tradition as United Methodists to join "knowledge with vital piety." The ministry of our church is not only with students but also with faculty and staff. It takes place on UM related institutions as well as on the campuses of other private and state-supported institutions. Our concern is as parochial as eastern NC and as global as our support of Africa University.

We can be proud of all our UM related colleges and seminary (Duke Divinity School). They are places of distinguished academic inquiry where students are being prepared to take their place among the leadership of their communities and churches. At our colleges, values and commitments are being shaped, new ideas are being explored, and students

are being given the opportunity to struggle with questions of identity and purpose within a Christian community.

UM campus ministries on state-supported and other private institutions provide Christian community for hundreds of students. Bible study, worship and fellowship opportunities, mission work teams and much more are part of our United Methodist presence on college and university campuses.

These ministries are vital to the church for they bring the Gospel message to where many of our young people are. Our ministry in higher education is to both the unchurched students as well as those who leave a strong faith community "back home." For the most part our ministry is with students who are away from home. Time and again they express their gratitude to the UMC for reaching out to them as they grow in knowledge and Christian character.

As there are ever increasing demands on the financial resources of the Annual Conference, the Commission on Higher Education and Campus Ministry voluntarily lowered the requested amounts for the College Sustaining Fund by \$60,000. This came upon the recommendation of the presidents of NC Wesleyan, Methodist and Louisburg Colleges. This is to be an annual reduction of an additional \$60,000 each year. Half of said reductions will be a "net savings" to the Annual Conference. The other half, \$30,000, is being invested in a scholarship program and is to be matched by, on a percentage basis, the various UM related colleges. Scholarships will provide financial assistance to UM students at UM related institutions.

The Commission on Higher Education and Campus Ministry would like to express to the NC Annual Conference the appreciation of all the students who have been and who are being touched by the church's commitment in higher education.

Campus Ministry, State Commission on

On October 5, 1992, the State Commission on Campus Ministry met and elected new officers for the quadrennium. Williams H. Gattis (NCC) was elected Chair, Deborah Daniels (WNCC) Vice-chair, Claire Clyburn (NCC) Secretary, and Anne Martin (WNCC) Chair of Finance Committee. Campus Ministers Manuel Wortman and David Riffe, provided an orientation of Commission objectives for new Commission members.

The Commission supported a request from the Asheville District for assistance in developing a new campus ministry unit at UNC-Asheville. It agreed to provide limited financial assistance throughout this development phase, but only after the local unit and its board of directors are appropriately organized.

The Executive Committee of the Commission has re-activated the Commission's standing committee - Finance, Program, and Property - in accord with the State Commission Handbook.

The Program Committee coordinated a review of the N.C. A&T University Campus Ministry during the spring of 1993. A review of at least one campus ministry unit will be conducted each year.

The Commission applauds two of its campus ministers - Tim Auman at UNC-Charlotte and Shelley Wilson-Wall at Appalachian State University - who have both served faithfully and creatively as United Methodist campus ministers. However, they have chosen to seek new pastoral appointments in June. The Commission has participated with their respective local boards in the search for their successors.

The Commission recommends to each Annual Conference a change in Commission bylaws which currently read that "The fall meeting of the Commission is to be held on the first Monday in October" and be amended to read "The Commission shall meet annually in October."

There is great pride held by the Commission for the diverse and effective ministries provided by our United Methodist campus chaplains. We strongly encourage each Conference to maintain its vigorous historical support of these specialized ministries in higher education.

William H. Gattis, *Chairperson*

The Candler School of Theology

One of the highlights of the 1992-1993 academic year at Candler School of Theology was the culmination of a series of conversations designed to restate our mission to reflect more accurately both our institutional priorities and our vision for the future. While located primarily within the Candler faculty, these conversations have also involved Candler's alumni/ae and friends. The resulting mission statement affirms, "Candler School of Theology is grounded in the Christian faith and shaped by the Wesleyan tradition of evangelical piety, ecumenical openness, and social concern. Its mission is to educate - through scholarship, teaching, and service - faithful and creative leaders for the church's ministries in the world."

To live in accordance with our mission, we have made service to our students a priority. By adding professional staff in the admissions and student services offices, we have enhanced our ability to assist men and women who are responding to God's call to them to ministry. We continue to seek new sources of financial aid and scholarships for our students so that they will not enter ministry burdened by excessive debt. We appreciate the support of the local churches for the Ministerial Education Fund (MEF). Increased support of the MEF will directly reduce student debt.

In the classroom and through research which benefits local congregations, the Candler faculty seek to educate creative and faithful leaders for the church's ministries. More than fifteen books were published by Candler faculty authors in 1992-1993. We welcomed four persons to the faculty in fall 1992: Dr. Luke Timothy Johnson, Woodruff Professor of New Testament; Dr. Lyndon Reynolds, assistant professor of Historical Theology and director of the Aquinas Center of Theology; Dr. Don C. Richter, assistant professor of Christian Education and director of the Youth Theology Institute; and Bishop James Thomas, churchman-in-residence.

Our mission of educating leaders to accomplish God's work in the world requires that we reinvigorate a conversation between the seminary and the church. We need the input of the congregations to which our graduates will be appointed as we continuously refine our program of education for ministry. In a profound sense, the work of preparing leaders for the church is work which the church and seminary share.

We encourage the participation of alumni/ae and friends in our mission. With your help, the Candler School of Theology at Emory University will continue to prepare creative and faithful leaders for the churches of this Conference.

R. Kevin LaGree, *Dean and Professor of Divinity*

The Divinity School of Duke University

Duke Divinity School is dedicated to preparing persons for the several ministries of the Christian Church. We do this with commitment to the Christian tradition and to the vitality of the contemporary Christian community. The Divinity School has demonstrated this commitment over the past year in its academic life, faculty appointments, and enrollment.

In fall 1992, Dean Campbell and Professor Russell Richey received a three-year, \$599,335 grant from the Lilly Endowment to fund a major research project on "Methodism and American Culture." The grant is the largest ever received by Divinity School faculty members. Research will be based at the Divinity School under the direction of Campbell and Richey and will involve a team of researchers from Duke and across the country.

The Divinity School has seen other developments in the fields of American Christianity. Professor Richey, who is associate dean for academic programs, was promoted to professor of church history in July 1992. Grant Wacker, formerly of the

University of NC at Chapel Hill, joined the Divinity School faculty in July 1992 as associate professor of the history of religion in America. Jackson Carroll, currently at Hartford Seminary, will be professor of church and society and director of the J. M. Ormond Center for Research, Planning and Development, which specializes in sociological research related to American religion. William B. Lawrence, superintendent of Wilkes-Barre District in the Wyoming Conference, has been appointed associate director of the J. M. Ormond Center and research professor of church ministries. Lawrence, whose position is supported by grants from The Duke Endowment and the Lilly Endowment, will give direction to the Lilly project. The Ormond Center is supported in part by the Ormond Fund, which was established by a joint effort of the NC and WNC Conferences in 1951.

Samuel Proctor, who delivered the 1992 Gardner C. Taylor Lectures in Black Preaching, has been appointed professor of the practice of Christian ministry. Dr. Proctor is professor emeritus at Rutgers University and pastor emeritus of the Abyssinian Baptist Church in New York City. Gilbert Greggs, who currently teaches at the University of Missouri at Columbia, has been named assistant professor of Old Testament. In addition, the Divinity School Library, under the direction of librarian Roger Loyd, has appointed Roberta A. Schaafsma associate/reference librarian.

In the past year, Duke Divinity School has engaged in efforts to improve ecumenical relations between The UMC and the Anglican Communion. On May 21-22, 1992, the Divinity School hosted a statewide meeting of Episcopalian and United Methodist leaders. The dialogue was described by coordinator Russell Richey as a "headstart" on projected 1994 and 1996 meetings on the subject of full communion between the two denominations. Participants included Raleigh Area Bishop C. P. Minnick and Divinity School Dean Dennis M. Campbell. The May 1992 meeting began preparation for a joint service of worship on May 24, 1993, the commemoration date of John Wesley's conversion. In a related matter, this year the Divinity School begins an ecumenical and international summer course in Anglican identity and change. Organized in conjunction with the Canterbury Cathedral Trust in America, this graduate-level seminar will be held July 10-31 at Canterbury Cathedral in England. The course will seek to identify enduring patterns and forces of change and will help the Church review its understandings of ecumenical and interfaith dialogue.

The Duke Divinity School admissions office once again reported an increase in the number of applicants during 1991-92, and in 1992-93 enrolled 456 students (342 M.Div., 18 M.R.E., 46 M.T.S., 31 Th.M., and 12 Special Students).

LAITY, COMMISSION ON

The Commission on Laity entered this quadrennium with much fortitude and determination to continue to build upon the foundation which had been laid by its predecessor Board under the fine leadership of Dr. Robert Frazier, Sr.

The Commission in its mission to make known the Good News of God's love and salvation through Jesus Christ to all people moved forward providing opportunities for interpreting, influencing and training laypersons through January Workshops, Leadership Development, Spiritual Formation and Lay Speakers Program.

With the acceptance by the Annual Conference of the report of the Into the 21st Century Committee, June 1992, the Commission on Laity has sought to comply with the directives given to strengthen the mission of our Annual Conference by helping lay and clergy prepare and empower local congregations to be strategic centers for ministry and mission.

The new dimension for January Workshops allowed the Commission to select eight (8) workshop courses and each district to add up to eight. There was a great deal of enthusiasm surrounding this format at its inception; since it allowed for local, grassroots needs to be met as had been suggested on numerous occasions and at the same time connect with the overall Conference January Workshop. District evaluations suggested

that this enthusiasm prevailed at the conclusion of the workshops. The evaluations spoke positively relative to the courses offered and the staff (leadership). The Rocky Mount District accepted the Pilot January Workshop and a survey from the District Council on Ministries indicated that it too was successful. Suggestions included featuring the pilot in another district for 1994.

The Lay Speakers Program continues to be interpreted by the Commission. This program gives laity the opportunity to witness to their Christian faith by leading, caring and communicating in their congregations and communities. The General Board of Discipleship recently provided a training session for Annual Conference directors of lay speaking in Nashville, TN. New guidelines and courses were unveiled during this training. During this conference year, the basic and advanced courses have been offered in several districts and Conference Summer School continues to provide advanced lay speaker training.

Laity Sunday was observed in most of our districts on October 18, 1992 under the theme, "We Are Called to Life In God's Service." This is a time for recognizing the work of laity in our call to be *faithful disciples* in our various communities.

District lay rallies have been opportunities for celebration, recognition, inspiration and fellowship. Districts boards have been creative and innovative in their attempts to lift the accomplishments of lay people/congregations. This has also been a time for presenting the District Lay Person of the Year Award.

District lay leaders have been encouraged to send representatives to the SEJ Laity Conference, July 22-25, 1993 at Lake Junaluska Assembly. This is a time for training, fellowship, sharing and spiritual renewal. A Conference-wide spiritual event is planned for Spring 1994.

The Commission on Laity's hope is that the Holy Spirit will guide and direct our lives and that laity of the NC Conference will be reflective of the theme: "All God's People in All Places, and in All Times are called to Love and to Serve." (Ministry of the Laity, General Board of Discipleship)

Gwen C. Henderson, *Board of Laity Chairperson and Conference Lay Leader*

METHODIST BOARD OF PUBLICATION, INC.

It is good for everyone to be reminded, at least annually, that the *North Carolina Christian Advocate* is the only means our local churches have of keeping in touch with one another across the state from Murphy to Manteo, sharing ministries, exchanging ideas, and encouraging one another as fellow pilgrims in the journey of faith.

The *Advocate* is of inestimable value in keeping us connected to one another as a family of faith in order that our connectedness increasingly becomes a strength rather than degenerating into a them-us situation in which a so-called church bureaucracy is distanced from the concerns of the local church. Through its pages the *Advocate* continually reminds us of the important ministries we are doing together as a district, annual conference, and as a world church through our General Conference and the World Methodist Council. Without the *Advocate* local churches could easily feel isolated from one another. With the *Advocate* and by means of the *Advocate* we lock arms with one another and move confidently forward in our faith journey together.

We are pleased with the support we are receiving across both annual conferences in holding district workshops, rallies, and classes in district leadership settings. The *Advocate* has established a core of local readers, approximately 30,000, or slightly more than 5% of the United Methodists in NC. We would like to double this number and we can if we follow the example of the more than 500 churches across the state who reach or exceed their conference suggested goal of 10% of their membership (one-third of a church's families). These churches are successful because year after year they have a person, or a committee in larger membership churches, who contact every family personally, either face to face or by the telephone. If all of the churches would meet their 10% goal, not only would the *Advocate* be financially self-sufficient, but much more

importantly, we would be welded together more solidly as United Methodists and strengthen our ministries immeasurably in the name of our Lord Jesus Christ and to the glory of God. Each year we try to lift up one of these successful 500 churches as an indication of what all of these 500 churches are doing and this year we lifted up the Harker's Island Church in the New Bern District where Georgia Guthrie, the local church *Advocate* representative in 1992 had 71 subscriptions in her 192 member church. This was not a one-shot deal. She had steadily built up her list of subscribers over the past several years.

We are tremendously pleased with the response we have received to our endowment fund. The *Advocate* depends heavily upon the growth factor and interest dividend from the endowment fund to help underwrite its budget. As of the date of this report our endowment fund totals \$425,929.59 with \$224,238.05 of this amount being in our Finch Fund and \$201,691.54 being in our Methodist Board Fund. Our ultimate goal for the endowment is one million dollars. We are grateful for the large number of persons who support this effort with annual gifts and continue to seek to widen this support. We appreciate the support of the Church's leaders in both conferences as well as those in the rank and file whose subscriptions tell of their appreciation for this vital, Christian ministry. As a staff we want to thank everyone for their help and encouragement, not the least of whom are our regular feature writers for whom writing for the *Advocate* is a labor of love.

PROPOSALS

A. That a subscription campaign for the *North Carolina Christian Advocate* be conducted in the Conference in February 1994.

B. That each local church be asked to accept as its minimum goal of *Advocate* subscriptions 10% of its membership.

C. That the *Advocate* offer special subscription rates for churches in which every resident family subscribes to the *Advocate* and for churches in which every family on the Administrative Board/Council subscribes and for churches which reach 5% of their membership as subscribers.

E. That each local church be urged to nominate to the 1993 fall Charge Conference a person to be its *Advocate* representative and that this person be a member of the Administrative Board/Council of that church.

MISSIONS AND OUTREACH, COMMISSION ON

The Commission on Missions and Outreach celebrates the call of every layperson and every pastor and every local congregation to helpful and effective mission in the world with God's people. We celebrate the admonition of John Wesley to do "all the good you can, in all the ways you can, to all the people you can, in whatever way you can." As United Methodist congregations, we rejoice that in unique and specific ways local congregations reach out to help and heal. Together, our loving witness in the world is being felt by people in places near and far in a myriad of ways.

In 1992, the work of the Commission included:

1. *Volunteers in Mission*, a vibrant and exciting face-to-face mission program involving over 188 people in over 18 teams to over 10 locations. In addition, many local churches were involved in face-to-face mission work projects near and far, and the Volunteers in Mission Committee provided information, counsel, training, and other assistance in these workteam ventures. Over \$46,000 was donated for construction costs as conference teams completed a parsonage and began a church in Costa Rica, built a community center in Honduras, built churches in Belize and Mexico, worked on a medical and community center in the Dominican Republic, labored in the wake of Hurricane

Andrew in southern Florida, and were involved in three locations within our annual conference.

Volunteers in mission were celebrated at the September rally at Englewood Church in Rocky Mount, and team leaders were trained at the annual team leader retreat at Camp Chestnut Ridge. Volunteers in mission include youth, college students, young adults, and mature adults offering construction assistance, dental and medical help, celebrative Bible schools and education programs, and partnership in worship.

2. *Church Extension*, assisting new congregations. Ten Dollar Club calls were made in 1992 for Covenant UMC (Greenville District), Harry Hosier/Fayetteville Korean UMC (Fayetteville District), Ganta Mission Elementary School, and Elon College/West Burlington UMC (Burlington District). The Church Extension Committee continued to administer Spirit for Tomorrow funds for church extension according to stated guidelines. It also assisted new congregations with salary support during the first five years of the church's life.

3. *Education and Cultivation*, promoting generosity to people in need and increasing understanding of connectional opportunities for giving. Churches were invited to be a part of the growing family of Rainbow Covenant congregations who generously meet 100% of their apportionments and give to at least one project in each of the five lanes of the Advance - world, national, UMCOR, missionary salary support, and annual conference. The number of Rainbow Covenant churches is growing, and total giving through the Advance is growing - to a record high in 1992. Advance special giving in 1992 totaled:

\$227,416	World Division/Missionary Salary Support
\$ 43,777	National Division
\$374,751	UMCOR

Churches are invited to take a step beyond the Rainbow Covenant by becoming Global Mission Partners. To become a Global Mission Partner, a church supports not only a US missionary, but also provides salary support for international persons in mission and covenants to share their enthusiasm for mission with a neighboring congregation. Churches in our Conference support over 45 persons serving in the mission field all over the world.

4. *Church and Community*, assisting and encouraging the mission of local churches. Grants were made in 1992 to a number of local missions envisioned and implemented by local churches, including the Zion Shelter and Kitchen (First UMC, Washington), Operation Sunbeam (Asbury Temple, Durham), Protestant Preschool (St. Paul UMC, Goldsboro), and projects embraced by local churches through the Society of St. Andrew (Potato Project, Gleaning Network).

5. *Construction assistance to local churches*. Gary Smith, Conference construction coordinator, continues to give direction and expertise to small church building needs. Since the beginning of the construction assistance program in 1990, a total savings of \$623,260 has been realized by local churches. In 1992, 16 churches were assisted in design and construction for a total savings of \$306,760: Pleasant Grove (Bailey), Bolton, Hispanic Mission (Siler City), Fletcher's Chapel (Aberdeer), Pleasant Grove (Fairmont), New Philadelphus (Red Springs), Bascom Chapel (Robbins), Reelsboro, Speight Chapel (Battleboro), Enfield, Aurora, Miller's Chapel (St. Pauls), Grace (Fayetteville), Concord (Oxford), Locust Hill (Reidsville), and Stanhope.

The concern and loving support of our Annual Conference is continually extended to Herbert and Mary Zigbuo in west Africa. The war in Liberia forced the Zigbuos to leave Ganta for Cote D'Ivoire, where they spent most of 1992 working with Liberian refugees. Our help was personally extended through several persons from our Annual Conference who traveled to west Africa in December, 1992, to help and to plan for our continued partnership with the Ganta Mission in Liberia.

Representatives from our annual conference traveled to eastern Europe in July-August, 1992, to visit with, learn from, and investigate mission opportunities. Lives were

deeply touched as we became connected with fellow Christian struggling in difficult situations to be faithful.

An important initiative was begun with the people of Armenia in 1992. Rev. Charles Davis traveled to Armenia and worked among the people there in a mission of teaching, learning, and organizing Methodist fellowships. A group of persons from our Conference joined with others from the WNC Conference for a time of learning and sharing and helping in Armenia. Conversation continues with the WNC Conference, the Board of Global Ministries, the UM Bishop in Moscow, and Armenian friends as we seek to discern God's leading in our work with Armenia in the days ahead.

In seeking to be faithful to God's vision for us in the 1992-1996 quadrennium, the Commission on Missions and Outreach met for a planning retreat at St. Paul's Church in Rocky Mount November 1-2, 1992. The commission members identified five foci for the quadrennium:

1. Expansion of the \$10 Club for Church Extension
2. Advancing the Advance
3. Advancing the sense of pastors as mission leaders
4. Increasing the involvement in UM Volunteers in Mission, especially in construction of local churches
5. Strengthening the sense of local churches as centers for mission

The Commission on Missions and Outreach looks forward to your partnership as we strengthen our missional life in this quadrennium.

Hope Morgan Ward, *Chairperson*

OUTDOOR AND CAMPING MINISTRY, COMMISSION ON

This vital ministry of our church is continuing to grow and meet the needs of campers of all ages. The camp setting is the perfect place to "plant the seeds" of faith that will grow and develop with the care of the local congregation. As the Spirit For Tomorrow campaign draws to an end, we find many of our hopes and dreams still unfulfilled, while others have become a reality. It is with great joy that we celebrate the new dining and multiuse facility at Camp Rockfish, the bathhouse at Don Lee, the summer manager's living quarters and meeting facility at Kerr Lake, several new cabins and the beginning of construction for the new dining hall at Camp Chestnut Ridge. I challenge every member of the Conference to explore again, or for the first time, the wonderful opportunities that wait for you at our camps. It is the belief of all of us involved in the camping program that everyone can benefit from a time apart in the great outdoors. What a perfect place to slow down and remember who we are and who's we are.

In 1992, we had 2,291 persons involved in the summer camp program. Over 23,700 persons enjoyed the camp setting throughout the year for a "camper day" total of 57,577. This represents continued growth and it is with great expectation that we look forward to the coming years. The 1993 theme of "Soaring with God" reflects this spirit.

We are indeed fortunate to have outstanding leadership in our program. We are grateful for the many years of leadership and service given by Reverend Paul Phillips, as our Council on Ministries staff person. As he leaves this position, it is with deep joy that we count him among the treasured blessings bestowed on the camping program. We eagerly look forward to the assignment of our new staff person and our work together. Our Conference is fortunate to have such outstanding manager/directors at each site. Together with a dedicated Commission and Board of Directors, the camping program is sure to move forward in a positive direction to meet the new horizons of camping ministry. Without the countless hours of volunteer service our program and facilities would not be able to function as well as it does.

Even though the Spirit For Tomorrow campaign is over, the needs and concerns of the camping ministry are very real. As members of the NC Conference, we must not fail to dream dreams of the future and make sure that our dreams become a reality. I

challenge us all to be committed to a vision of the future and to truly believe that all things are possible.

PRISON MINISTRY AND PRISON REFORM, COMMITTEE ON

The year 1992 marked the second full year of organization for this committee. As with all newly formed bodies of Christ, we have acted slowly but deliberately in our efforts to carry forth our mission within our Conference. Our very first goal, to survey our existing prison/jail ministries within the Conference, was completed in late December of 1992. It was with great joy that we counted the many churches who have been and continue to be actively involved in some form of prison ministry and/or prison reform. With these completed surveys, also came requests for additional informational literature as well as requests for speakers. All requests are currently being fulfilled, and many contacts are being established in churches where we were previously unaware of their interest, previous activities and potential in this mission field.

To further promote district and local church involvement, an informational table was displayed during the 1992 Annual Conference. Delegates were afforded an opportunity to discuss and ask questions with our committee members on subjects relating to their particular prison ministry interest.

Prison reform issues and alternatives to incarceration have come to the forefront in our State Legislature this year. Our committee has provided a representative on the NC Justice Fellowship Task Force which has submitted a comprehensive "Plan for Restoring Justice" to the 1993 Legislature and to the Governor of NC.

As our committee continues to grow and reach out, we plan to provide district-level educational focus sessions for all of our districts beginning this year.

We are so very thankful for all those persons in our Conference who continue to labor in this mission field. Many of these persons have little to no support structure to strengthen their gallant efforts. Our committee pledges to be available to assist these efforts wherever identified. Let us know how we may help you.

Again this year, this committee received frequent support and encouragement from Bishop Minnick, the Cabinet and Dr. Robert McKenzie, and is indebted to the Conference Staff for their assistance in all our efforts.

And finally, our prayers go out to all the victims of crime and victims of injustice throughout our Conference and across the globe. Many of these victims are within our own church family, and we certainly need to be especially loving to those who are closest to us.

May God bless our efforts.

RELIGION AND RACE, COMMISSION ON

We have adopted as a goal to have local District Workshops on Racism in 1994, hopefully to be done at least annually.

District chairs are to be "evaluators/monitors" of local Ethnic Minority projects funded by the General Board of Religion and Race. This will establish a much closer relationship between the church and the ethnic funding work that we help pay for.

Monitoring is an important function of the Commission on Religion and Race. Our United Methodist-related institutions (colleges, retirement homes, and children's home), Conference offices, and agencies are annually asked to submit a completed profile relating to their practices of racial and ethnic inclusiveness in clientele and employment. This is followed by an on-site visit and discussion of the completed profile by Commission members with officials/administrators. Although significant progress has been made toward achieving inclusiveness, we can never grow complacent, remembering that the Church stands before a watching world in how it deals with systemic racism in our time.

We want to express our appreciation for the cooperation our institutions and agencies give to the Commission's monitoring efforts.

Advocacy and Training efforts are areas where we intend to spend more of our efforts than previously. With our avowed goals of inclusiveness and open itineracy, there is much work to be done. In too many churches, no discussions have been held, no progress made since the 1960's. We want to hold conversations in every district and have in every church a chairperson of Religion and Race who will lead that church toward our future.

We have given several scholarships for ethnic minority persons to attend various retreats, seminars, and training events. We know this is a vital aspect of empowerment.

We call attention to some new resources on racism available in the Media Center. Speakers are available to lead workshops on racism through the Commission.

SINGLES MINISTRIES, TASK FORCE ON

The NC Conference of The United Methodist Church faces a major challenge in seeking to meet the needs of singles in its ministry. As the next century approaches, the number of single people and people who are single again in our society continues to abound. We recognize a great many of these persons are unchurched, yet they face many needs which might be met through a growing relationship with Jesus Christ. It is therefore the primary objective of our Task Force on Singles Ministries to identify the needs of the singles within the scope of our Conference, and seek to equip and enable The United Methodist Church, in all levels of the connection, to meet these needs.

We recognize that singles and single-agains constitute a wide variety of persons, from all ages and stages, and all ethnic and social arenas. In order to be faithful to God's call and claim in the lives of all persons, we are seeking to lay a broad foundation that will provide strong support for singles ministries in a broad range of areas. Our first step in accomplishing this has been to make certain that we have a Task Force that is representative of singles from these varieties of backgrounds.

Our Task Force hopes to meet its objective through exploration and implementation of the following goals of the coming months:

- 1) To identify and raise Annual Conference awareness of the needs of singles as well as opportunities for ministries to singles.
- 2) To provide suggestions, and to develop and implement, some specific ministries and activities for singles.
- 3) To seek to provide a list of resources and trained persons/ministry teams for local churches to assist them in starting, or further developing effective ministries to singles.
- 4) To include the development of a Conference brochure and perhaps other media for presenting issues related to singles in local churches.
- 5) To remain open to new insights for Singles Ministry.

We rejoice that the Task Force is moving along in further fine-tuning and reaching these objectives. April 17, 1993 marks the date of a Conference workshop for singles planned by last years Task Force. We hope that this can serve as a model and starting block for other such ministries within the Conference and its 12 districts. In the coming months we hope these goals will bring the NC Annual Conference to new horizons in Singles Ministry, and help us faithfully reach out to singles for our Lord Jesus Christ.

SOCIAL AND ECUMENICAL MINISTRIES, COMMISSION ON

In July, 1992, the Commission on Social and Ecumenical Ministries was created to address the concerns formerly addressed by the Board of Church and Society and the Board of Christian Unity and Interreligious Concerns. While the historic concerns of both boards continue to command our attention, this new commission has also seen the opportunity to encourage a new vision. Specifically, it is apparent that social and

ecumenical ministries do indeed happen at the local level. When churches bond together to offer ministry in society, it happens in the context of ecumenism. And where Christian unity is most often observed, it is in the arena of offering social ministries. Examples of this truth are seen in community CROP walks, combined worship services or Community Soup Kitchens. We celebrate these expressions of Christian Unity as we offer Christ to a broken world.

The Commission sponsored two delegates to the National Workshop on Christian Unity held in Milwaukee, WI, in May. We continue to offer financial and moral support to the NC Council of Churches in its efforts to bring about cooperation and understanding among different denominations and faiths.

By supporting Yokefellow prison ministries, we affirm the sacred worth of all persons and extend the love of Christ to those incarcerated. By supporting Habitat for Humanity, we affirm the need for adequate housing for all persons and the church's responsibility to share in this ministry. By supporting the SEJ Native American Ministry, we affirm the church's responsibility to preach the gospel to all persons. We also affirm the church's need to hear the gospel truth as it is revealed in and through many different Christian communities. Our concern for the environment as a sacred trust from God leads us to support the Land Stewardship Council. Our concern for our brothers and sisters in war-torn Central America leads us to support CITCA.

This year, we awarded the first-ever Award for Prophetic Ministry. This cash award was established by Jack and Kay Crum to recognize pastors and churches who are offering significant prophetic ministry. We are pleased to report that the award this year went to Good Shepherd UMC in Durham, for their prophetic ministry as a multi-racial and international Christian community. We are thankful for their witness to us all.

It is clear the church's mandate to live and spread the gospel always occurs in specific contexts and communities. And while the church cannot ensure that our country (or any country) will embrace the ethics of the community of Christ, we are nevertheless called to embrace them ourselves and model this new life to the world. We encourage local churches to see themselves as centers of witness to God's redeeming love for all persons. "Let us love, not in word or speech, but in truth and action." (1 John 3:18)

STATUS AND ROLE OF WOMEN, COMMISSION ON

A strong sense of belonging together and of love for life is at the center of Christian faith. The Bible even begins with a hymn of creation, where life in all its manifoldness is recognized as a gift of God. The existence of life itself is a sign of God's creative love. Women and men are created in the image of God, all invited to take part in the human responsibility of caring for life. All human beings, women and men, are of fundamentally equal and infinite value. This is a deep conviction of Christian faith, expressed in the words, "created in the image of God." How could it be that women came to be regarded as inferior and subordinate to men? How could it be that the Christian church forgot the song of creation, having heard it so beautifully sung in the life of Jesus Christ? (Pamphlet: *Ecumenical Decade - 1988-1998*, WCC-1987)

The NC Conference Commission on the Status and Role of Women is dedicated and committed to keeping the creation story of equality before the Conference as it enters into a challenging quadrennium of issues and concerns which invites us all to take a closer look at the gospel of Christ. We are in the middle years of the Ecumenical Decade of Churches in Solidarity with Women--1988-1998. The DECADE challenges us to affirm women's contributions; make known the history of women in our church and country; explore new ways of exercising power, giving equal place to women and men; recognize women's perspectives and commitments to justice, peace and the integrity of creation; and recognize women's roles in theology and sharing spirituality.

The 1992-96 quadrennium brings with it a new COSROW. Members of the Commission are: BU-Lehman Johnson, DU-Toni Small, EC-Iris Hand, FA-Scott Mason,

GO-Muriel Odom, GR-Edith D. Jenkins, NB-Charlene Pierce, RA-Steve Hickle, RO-Rachel T. Moser, RM-Marjorie Finch, SA-Frances Warner, WI-Ray Walton. At-large members are: Bernice D. Johnson, Carolyn Woriak, Bruce Jacobs, Brenda Jones, Annie Fairley, Ryan Eidson, and Edith Wuo. The officers for the quadrennium are: Chairperson-Bernice D. Johnson, Vice Chairperson-Rachel T. Moser, Secretary-Frances Warner. Rev. Edith Gleaves is the Staff Representative.

Several goals have been established for the quadrennium that will guide COSROW in its continued mission.

- I. To provide training for members of COSROW each year of the quadrennium.
- II. To conduct the "CHURCHES IN SOLIDARITY WITH WOMEN" study in 1992-93 in local churches in each district.
- III. To sponsor a "SPIRITUAL FORMATION CONFERENCE" for all women in the Conference, September 11, 1993, at Campground UMC, 8:30-4:00.
- IV. To support the Conference efforts on OPEN ITINERACY by assisting young women in attending enrichment conferences and through sensitizing local congregations in areas of race and gender relations.
- V. To advocate for "CLERGY WOMEN IN THE PULPIT EMPHASIS" in the spring of each year, March-April, 1993-1996.
- VI. To monitor the availability of Child Care Services at district and Conference meetings and events.
- VII. To become familiar with SEXUAL HARASSMENT GUIDELINES and monitor use of guidelines in local churches, district and Conference meetings.
- VIII. To conduct a LEADERSHIP DEVELOPMENT SEMINAR with ETHNIC WOMEN in the NC Conference in 1995.
- IX. To prepare publicity pertaining to COSROW for the BACK PAGE of the *Christian Advocate* July/August each year, 1993-1996.

It was the chairperson's privilege to attend the Jurisdictional Joint Training Event for Commission chairs across the SEJ, November 19-21, 1992, at Lake Junaluska. COSROW chairpersons went through intensive Sexual Harassment training. Sexual Harassment was defined as "any sexually-related behavior that is unwelcome, unwanted, offensive, or which fails to respect the rights of others." Sexual Harassment is a national issue in the church and nation. COSROW will focus on Sexual Harassment in the NC Conference as we work to develop a policy on Sexual Harassment and monitor the implementation of the policy. The training at Lake Junaluska, which included modeling acceptable behavior, negating sexual harassment, sample policies, the healing process for victims and oppressors, and biblical mandates against sexual harassment, was conducted by the two members of the General Secretariat, Stephanie Hixon and Cecelia Long. The training was highlighted by the showing of the video, "Not in My Church."

District representatives have gotten off to a good start. Edith Jenkins of the Greenville District worked with the Chaplin at the Wesleyan Foundation at ECU to plan and conduct a seminar: Opportunities for Women in Ministry, November 1992. Other representatives are working on exchanging pulpits, SA; Mission Saturation Event, RO; Dialogues with Women, RA; training workshops, RM; planning for the year, BJ.

The Commission on the Status and Role of Women invites all women in the NC Conference to attend the September 11, 1993, Spiritual Formation Conference at Campground UMC in Fayetteville. The theme is, "FEELING THE HUNGER-FEEDING THE SOUL-SHARING THE FEAST." Registration is only \$10.00 to cover a meal and a packet of materials.

As we enter this new quadrennium with eyes open to new visions and hearts in tune with new beginnings, let us seek God's guidance in leading us to the right and just decisions that affect the lives of women and men in this Conference. Only in Christ can we become renewed to be authentic human beings, as women and men. But our life in Christ needs to be made real and manifest in our life together in church and society.

COME, HOLY SPIRIT, COME WITH JUSTICE AND LOVE!

Bernice Duffy Johnson, *Chairperson*

STEWARDSHIP, COMMISSION ON

The Chinese have a saying: "What I hear, I forget; what I see, I remember; what I do, I become."

In Luke 16:2 we read the words, "Give an account of thy stewardship; for thou mayest be no longer steward." God who is creator of all things has entrusted us with what we have, small or great.

Our task is to manage wisely that with which he has entrusted us. We are responsible to him not only for a tenth, but for 100% of all placed in our care. This is the biblical teaching expressed time and again in both the Old and New Testament.

Stewardship is but one dimension of our discipleship. We become faithful stewards as we are obedient to the biblical teachings of God's love to us through Christ. We are not by nature generous givers, but as we act out our faith we respond in gratitude to God.

The past year has been a time of training and organizing of the Commission as we begin the new quadrennium. A one day retreat and training session for the Commission was held in September that equipped leaders for all areas of stewardship. The areas included giftedness, earth care, time, talent, and planned giving. The primary emphasis, however, was on the biblical and theological basis of stewardship.

The equipping of the District Stewardship leaders has been enhanced with printed materials for use and display at district events and in workshops. A new resource produced by the General Board of Stewardship called the *Toolbox* is now in the hands of each district stewardship leader. The *Toolbox* was the first specific tool designed for district leaders. It includes the new 14-minute video, *Foundation For Discipleship-Stewardship*, an interpretation of the stewardship position of The United Methodist Church.

The Commission conducted a training event in February called "Spiritual Dimensions of Stewardship" to train additional lay and clergy persons to return to their local churches and bear witness to the biblical teachings of stewardship. Dr. Bruce Taylor, a member of our own Conference and an Associate of the General Board of Stewardship, was the key note speaker. Ninety persons returned to their districts ready to witness and lead stewardship meetings in local churches in April. We trust and pray that this beginning will make a difference in the attitudes about stewardship and financial funding of the local church.

While the future efforts of the Commission will be to further equip and train persons in all areas of stewardship, we will not minimize the need for the means and methods for funding the local church. Without continued funding the ministry of the church of Jesus Christ will be hampered because of selfish personal desires.

Stewardship Specialists, trained to help local churches, are available to any church in the Conference. There is no cost for the first two visits and only mileage is expected from the church for continued assistance. Churches should contact Mr. Bill Norton at the United Methodist Building to secure the services of a specialist.

A new financial campaign, *Celebrate Together*, gives churches another approach to their efforts in funding the local church. Released in the fall of 1992, churches now can plan a Four Year Cycle of financial campaigns that will give a fresh approach each year. *Celebrate Giving*, *Celebrate and Visit*, and *Letters For All Seasons* are all United Methodist Stewardship publications produced over the past few years to provide financial funding campaigns.

Specific reading material suggestions from the Commission for creating stewardship awareness include:

- *Stepping Stones of the Stewards* by Ronald Vallet
- *Let the Rivers Run* by Eugene F. Roop
- *101 Ways To Save the Earth* by the Board of Church and Society

- *Putting God First: The Tithe* by Norma Wimberly

The Reverend Douglas Byrd through the United Methodist Foundation can give invaluable service in the area of gifts and wills, estate planning, and other areas of planned giving that can greatly benefit persons and the local church. This is an often overlooked area of resourcing the local church. The United Methodist Foundation has provided at least three copies of an excellent notebook on planned giving to each district stewardship leader as a resource for any local church interested in planned giving education.

WORSHIP, COMMISSION ON

It is my high privilege to offer this report of the Commission on Worship to The NC Annual Conference for the year 1992. This will be my final report as chairperson, having served the maximum eight years on this commission/board. I am proud of the work that those who have so faithfully served on this commission have contributed during this time and look forward with eager anticipation their continued work to advance the kingdom of Christ.

Each year as the Annual Conference gathers in June, there are those high moments when we lift our prayers, our songs, our hearts to God in worship. While always being open to the surprising movements of the Holy Spirit in those moments, countless amounts of energy and thought have gone into the planning of these services. The Commission of Worship has endeavored to plan worship using the best resources available. And as United Methodists we do have some of the best!

To compliment *The United Methodist Hymnal*, the 1992 General Conference adopted *The United Methodist Book of Worship* by 89%. These two worship resources are among the very best to be found anywhere. The Commission on Worship, already having nine individuals trained to instruct local churches in the use of *The United Methodist Hymnal*, now has four individuals trained to lead persons to a better understanding of our *Book of Worship*. They are: Reverend Charles Cook, Reverend Carol Goehring, Reverend Dena M. White, and myself. Providing this training was a major program item for the Commission on Worship. I invite districts, local churches, and others to utilize these individuals through training sessions and workshop settings.

The Commission on Worship continues to work with The Fellowship as they provide a wonderful learning opportunity for local church bell choirs with the Handbell Festival. This program has been bless to receive an ever-growing following of bell ringers of all ages and levels.

We regret that the 1992 Youth Music Workshop had to be canceled. The Commission on Worship has asked the Fellowship to become actively involved in helping discover a way to make this important program for our youth viable once again. The failure of this program in no way reflects the enormous amount of dedication and energy those on the planning committee gave it. It was an extremely difficult decision to make but one that was unavoidable.

In the years ahead the Commission on Worship seeks to provide worship opportunities throughout the year for those who plan and lead worship weekly but rarely get to move to the pew to worship. We are also planning to provide a hands-on program for local church choirs where they can receive, learn, and sing through music with the person who wrote and composed it. We are excited about these possibilities and look forward to sharing them with you.

As always, the Commission on Worship is available to assist our sisters and brothers in Christ in the NC Annual Conference. We invite your prayers and your suggestions.

Robert E. Bergland, *Chairperson*

DISTRICT SUPERINTENDENTS, COMPOSITE REPORT OF

I feel somewhat frustrated to make this composite report for the superintendents, for it is an impossible task to report on what the churches have done during an entire year. I hope that you will take this as just one of many other reports that will make up a whole for our Annual Conference.

Our Conference is experiencing some unusual stress in financial support which is causing cutbacks in all areas of the budget. This year 1992 reported 13.8% short in apportionments which for the first time some of our large churches failed to pay out. How to overcome this problem has become one of the major concerns for the superintendents in every district. However, we are encouraged by some new directions such as the Into the 21st Century Committee organized by Bishop C.P. Minnick, Jr., and approved by the 1992 Annual Conference to be a major emphasis for the next several years.

This committee states: "Having reflected upon issues identified by the members of the Into the 21st Century Committee, and recognizing that each local UM congregation is a connexional society of persons who have professed their faith in Christ, have been baptized, have assumed the vows of membership, and are subject to the church's Discipline (#203), we propose that as the NC Annual Conference approaches and enters the 21st century, the goal of its structure, staff, and local congregations to be the strategic centers for ministry and mission."

The role of the district superintendent will be to advance the mission of local congregations. Each district superintendent will invest approximately 120 days directly in local congregations of the district with the consent and support of the Bishop. This time will be made partially available by giving up participating on Conference boards and committees which are not required by the Discipline.

Districts Superintendents will consult with local congregations and pastors to discover where needs exist for assistance.

The NC Conference Vitalization Project has completed the four-year emphasis and we are seeing in our district the results of this program with new energy and enthusiasm among many of our local churches. Only time will tell of deeper missional effect of this program, but we are all hopeful and thankful for Dr. Stephen Compton's leadership.

We must never forget that the life blood of the church is evangelism. Jesus' words to go into all the world and preach the gospel means starting in our own communities as a missional out-post. Although our Conference still reports growth in membership, many of our local churches do not report membership growth by profession of faith. Revivals and preaching missions still are popular avenues of outreach in some areas, visitation programs are effective, but continuing research still indicates the most fruitful congregations are those who match a caring attitude toward all persons who are involved in its program with opportunities to meet the spiritual, physical, and social needs of those persons in a variety of ways.

A Composite Report is a report of the 12 districts reflecting on events and accomplishments during this past year.

LEADERS IN EVANGELISM

BU: The total received on profession of faith was 207, University Church in Chapel Hill received 73. Union Grove UMC had the best percentage of growth with an 8%. Rev. Norman Fitzgerald pastor.

DU: Significant membership growth was made in Durham and Person County.

EC: When New Hope UM Church became a station in June 1991. New Hope is the oldest active Methodist Church in NC. In June 1991 the membership was 257. THE DUKE ENDOWMENT

The Duke Endowment is a perpetual trust, established by the late James Buchanan Duke by Indenture dated December 11, 1925. Mr. Duke Limited his benefaction to North and South Carolina because, in his words, "I might have extended this aid to other charitable objects and to other sections, but my opinion is that so doing probably would be productive of less good by reason of attempting too much."

Even in North and South Carolina Mr. Duke was extremely precise in naming those who would be the beneficiaries of The Duke Endowment. Mr. Duke specified the beneficiaries as not-for-profit hospitals and child care institutions in the two Carolinas, rural United Methodist churches in the two Annual Conferences of The United Methodist Church in North Carolina, together with retired ministers and widows and children of deceased ministers of those conferences, and four named educational institutions - Duke University, Davidson College, Furman University, and John C. Smith University. Since its inception in 1924, The Duke Endowment has made grants of \$1,035,311,961 to those beneficiaries.

The purpose of this report is to give information about the Rural Church Program of The Duke Endowment. Mr. Duke called for The Duke Endowment to make grants for building rural churches, maintaining rural churches, and to superannuated or retired preachers, their widows and children.

In the 68 years of its existence, The Duke Endowment has made grants of \$12,197,701 to superannuated pastors, their widows and children. This, of course, is in addition to their pension. In 1993 the amount of the grant will be \$30 per Service Year (\$30 X years of service). No other conference in Methodism has this kind of additional support for their clergy.

Under the Building Rural Churches Program over the 68 years The Duke Endowment has made available \$25,163,759 to churches. Such generosity has enabled rural United Methodist churches in North Carolina to have significantly better facilities as they minister to the people of the state.

While most of the resources under the Building Rural Churches Program go to churches involved in new buildings and renovating old buildings, The Duke Endowment realized there was an opportunity to help churches who might never engage in a building program weatherize their buildings. In 1986 The Duke Endowment assisted rural churches in weatherizing their buildings. Since then the program has been carried out in all but five districts. The average investment of The Duke Endowment in the Weatherization Program has been \$2,190 per church and the average investment in fees by the churches has been \$429. Of course, the dollar figures do not reflect the volunteer work of people in the local churches. A number of churches have been monitored and the average annual avoided cost has been \$297 per year. We anticipate completing this program in 1994.

Not only did Mr. Duke want churches to have excellent facilities, he also was interested in the churches being maintained. In the minds of the Trustees of The Duke Endowment, a very significant way to help maintain rural churches is in the training of clergy and ensuring them continuing education once they are in their parish. A number of programs have been developed in this area. Grants are made to Field Education students from Duke Divinity School who work in churches 10 - 12 weeks in the summer, to Winter Assistant Pastors who are students who work on the weekend in rural churches, and to Student Pastors who serve rural churches. Once the trained pastor is serving in a pastoral position, they are not forgotten. The Duke Endowment has always encouraged and supported continuing education programs, giving the pastors opportunity to continue to grow even as they serve. Also, Parish Development Grants are made to churches that are trying new and significant mission ministries in their communities.

In 1992 an exciting new endeavor was undertaken under the Maintaining and Operating Rural Churches Program. Recognizing the importance of travel for continuing education, The Duke Endowment joined with Educational Opportunities, Inc. and the Continuing Education Committees of the two Annual Conferences to offer clergy and spouse scholarship funds enabling them to tour the Holy Land. Each district superintendent had the opportunity to select a pastor in the district who had provided exceptional service in his/her parish. In the first year 24 of the 26 districts were represented on the tour. The Duke Endowment paid \$900 for each clergy and each spouse for a total cost to The Duke Endowment of \$46,000. It is expected that this program will continue for many years and that every district will be represented on the 1994 tour.

A final report indicating the amount that these various programs received January 1 - December 31, 1992 is listed below:

EPISCOPACY, COMMITTEE ON

The Committee on the Episcopacy of an Annual Conference has as its objective the support of the Bishop in the oversight of the spiritual and temporal affairs of the church. We are available to provide counsel to the Bishop, to keep the Bishop advised concerning conditions within the episcopal area as they affect relations between the Bishop and the people of the Conference and Conference agencies.

A further purpose of this group is to interpret to the people of the area the nature and function of the episcopal office. Our Committee has met twice this year in the discharge of our responsibilities.

We are fortunate to have Bishop Minnick as our episcopal leader. I know that you share with us the judgment that our Bishop is caring, compassionate, and prophetic in his ministry among us. We were delighted when our request to have Bishop Minnick returned for an unprecedented third term was honored by the Jurisdictional Committee on Episcopacy.

Bishop Minnick has shared with us some genuine concerns in the itinerant system. There is resistance to open itineracy and additional complications occasioned by special needs of clergy and their families. There are always the questions of fairness and equity to all with which the Cabinet struggles.

In addition to his work among us, we are honored that Bishop Minnick was elected as President of the Council of Bishops. For the NC Conference this is a special honor that has occurred twice for us since 1980. Bishop Minnick also serves on the Board of Global Ministries and other commissions of our church and ecumenical agencies. Despite the demands of a busy schedule, he is always available to preach and offer pastoral leadership in the churches of our Conference. How grateful we are for his caring guidance of the work of the NC Conference.

And now, I have saved the best for last. Mary Ann Minnick is a gracious and loving helper who is there for counsel and support. We wish to express our genuine appreciation for Mary Ann Minnick. Mary Ann, thank you for the gracious contributions you make to the life of our Conference as the wife of our Bishop.

In these days, we would ask you to make covenant with us to remember Bishop Minnick and Mary Ann in your prayers day by day. I would like you to join me in prayer at this time.

Oh God, in the midst of a busy day, we thank you for this Annual Conference and the work of Christ in eastern North Carolina but especially we thank you for the ministry and leadership of Bishop and Mrs. Minnick. Continue to empower them by your spirit that they may serve you by serving the fine people of the NC Conference. Amen.

LAY PERSON OF THE YEAR PRESENTATION

The Executive Committee of the Commission on Laity met recently to select the Conference Lay Person of the Year. This task is never an easy one, however, the body forged ahead to make a selection.

This year, of course, was perhaps not any different from previous years in that the committee had to struggle, as we are sure our District Boards had to do also. Laity in our Conference are spiritually gifted persons in the area of mission. There is not one lay person in this Conference who does not have a talent. I encourage each of us to use our talents and gifts to the Glory of God. Each of us must cast our nets into the sea of human need, for those who are less fortunate than we are. Our special representatives from each district this year are: BJ - Jackie Capps, Belmont UMC, Burlington; DJ - Eugene C. Rogers, Jr., Oxford UMC, Oxford; EC - Freda Garrett, Riverside UMC, Elizabeth City; FA - David Kunzman, First UMC, Clinton; GO - Bill Parker, St. Luke UMC, Goldsboro; GR - Janet C. Newill, First UMC, Washington; NB - Dorothy Bedwell, First UMC, Morehead City; RA - Alice Bigham, Franklinton UMC; RO - Ercel B. Quick, Snead's Grove UMC; SA - Tipton M. Harris, First UMC, Mt. Gilead; RM - Joe N. Pepper, New Hope

UMC; and WI - Kenneth White, Trinity UMC, Wilmington. From this group of disciples and servants extraordinary, our choice has been made.

Janet Cady Newill serves in several capacities in her local church. She serves as Missions Chairperson and UMW Secretary. She has been responsible for getting the whole church involved in and excited about mission in UMCI She has helped to transform her church from an inward-looking one to one strongly committed to outreach. The churchfolk have been educated, motivated, and inspired as they have been exposed to different cultures. Our Lay Person of the Year has brought in groups from beyond the confines of their city and country - a German choir with members from what was East Germany, and Elizabeth City State University Choir. One of the most outstanding examples of response to Janet's leadership in missions has been that in 1992 First UMC not only became a "Rainbow Covenant Congregation" but sent over "\$7,000 in second mile giving." Also, through her emphasis and encouragement, her church agreed to become a global mission partner - a step beyond "Rainbow Covenant."

One of the most outstanding projects which our honoree promoted was the emphasis on the Heifer Project International. This month long promotion included the setting up of a barnyard scene in the Church Fellowship Hall and the encouragement of members to purchase animals for use by people in foreign lands. The children were tremendously excited and persons gave money for two heifers, two honey bee hives, three flocks of chicks, one pig, one dwarf animal, one sheep, three rabbits, four fish fingerlings, and one luceana tree. Janet not only provided learning opportunities for her church, but also educated herself about missions by attending the SEJ Missions Conference, Conference Summer School, and the VIM Rally.

Janet volunteers her time in many tangible ways in her church and community and works in the Zion shelter and soup kitchen and helps deliver meals through "Food for Folks" along with working with her local church's food pantry. Because of her many hours of work, the Caring Christian Carpenters ate extremely well this summer as she supervised and helped prepare the meals each day. Janet Newill has involved all age levels of her church in making a revolving missions bulletin board which is changed every month, highlighting the missions work of our church and denomination.

Janet is an excellent example of one who has "cast her net" into deeper waters by helping to provide mission opportunities for her church and community.

I am pleased to announce the 1993 NC Annual Conference Lay Person of the Year is Janet Cady Newill of the Greenville District. I invite Janet's pastor, family, district lay leader and district superintendent to come to the stage for the presentation.

SOUTHEASTERN JURISDICTIONAL ADMINISTRATIVE COUNCIL

I begin my report to the annual conferences of the SEJ with a deep sense of gratitude to the clergy and laity of each annual conference for the enormous support you have given to the ministries of the Council during the 1992-93 conference year. 1992 was another record year in the number of guests served at Lake Junaluska as well as the number of persons involved in the programs and ministries of the Council. Of course we are not satisfied because so many United Methodists are not aware of our programs and ministries or of the wonderful facilities that are available at Lake Junaluska Assembly, Hinton Rural Life Center, and Gulfside Assembly. We thank you for your continuing support and for the opportunity you give us to tell our story.

There are seven (7) agencies of ministry related to the Council. Each of these agencies plays a vital role in extending the ministry of The United Methodist Church to persons with special needs and interests on your behalf. Mrs. Gerry Reiff is the newly-elected director of the Commission on Archives and History and Heritage Center. Mrs. Reiff succeeds Frances C. Hart who served in this capacity for the past six years. The Commission on Archives and History serves annual conference commissions and local church historians and maintains jurisdictional records and history.

Gulfside Assembly is located on the Gulf of Mexico at Waveland, MS, and offers programs and facilities for United Methodists. Gulfside has a special focus in providing programs for African-American United Methodists and older adults. Ms. Marian Martin is the Director of Gulfside Assembly.

The Hinton Rural Life Center is located in Hayesville on a beautiful hillside overlooking Lake Chatuge. Rural Life and the small membership church are the foci of Hinton's ministry. The Reverend Clay Smith is director of Hinton Rural Life Center. He and his capable staff serve at Hinton and throughout the jurisdiction to strengthen the small membership church.

The Intentional Growth Center is located at Beautiful Lake Junaluska and focuses its ministry upon the personal and professional growth of lay and clergy persons. IGC programs under the skilled leadership of Dr. James I. Warren, Jr., and his staff offer a wide variety of options for all United Methodists during every season of the year. A special emphasis is given to clergy and diaconal ministers who are facing personal and professional struggles and who need to "get away" and to reflect upon things that are affecting their ministry.

The Protestant Hour Commission works with the Joint Committee on Communications of The United Methodist Church to support, sponsor, and produce the *UM* series of The Protestant Hour Radio broadcasts. The Protestant Hour is in its 48th year of continuous broadcast and is widely recognized as the very best syndicated religious radio program being broadcast. Dr. William Horlock is the current producer of The *UM* series.

The Southeastern United Methodist Agency for Rehabilitation (SEMAR) focuses its ministry on many of the "forgotten" or neglected persons in our society - persons with handicapping conditions or "differently-abled" persons. SEMAR is currently in the process of evaluating applications which it has received for grants of up to \$50,000 to be used as start-up money to develop a home for adults with mental retardation. SEMAR received this money from the Julia Powell Trust in Philadelphia. SEMAR urges churches to be aware of the Americans With Disabilities Act and the responsibility to be accessible to all persons. Dr. Robert M. Pitzer, the Director of SEMAR, has been a leading advocate and worker for persons with handicapping conditions within The UMC and in society at large.

The United Methodist Volunteers in Mission is one of the most involved ministries in the jurisdiction. In 1992 more than 6,000 individual United Methodists were involved in UMMVIM projects coordinated through the jurisdictional office. Another phase in the ministry of UMMVIM is the assisting of individuals to serve longer terms of mission service (1-1/2 months). Dr. Thomas L. Curtis is the SEJ UMMVIM director and is acknowledged by all to be the leading authority in this important missional endeavor.

In addition to the missional efforts of our agencies, the Program Division seeks to develop programs that are designed to strengthen and equip lay and clergy persons for their respective ministries in the annual conferences, districts, and local congregations. The staff of the Program Division under the guidance of The Reverend Celia M. Cox, Associate Executive Director, works with associations, fellowships, organizations, and special design teams to create exciting, inspirational, and helpful programs. It is the goal of the Program Division to expand program offerings throughout the year that will meet these objectives. A new component of the Program Division is the Lay Ministry Center under the direction of Dr. Evelyn Laycock. Youth programs have long been an essential part of the jurisdictional program. These, too, are being expanded to include offerings throughout the year.

The facilities at Lake Junaluska Assembly are continually being improved for the benefit of our guests. Our Junaluska staff is trained to serve our conferees with the very best skill. Our new Food Service Director, Aletha Rogers, wants to serve the very best food possible. I encourage you to give Lake Junaluska Assembly a try, and you will be glad you did. Please consider holding your retreats, seminars, conferences, and conference meetings at Lake Junaluska. It is your facility. New carpet in the Terrace Hotel and new heating/air conditioning in Lambuth Inn will make these popular facilities even nicer. Plans are also underway to improve all of the recreational facilities. It may be that announcements can be made concerning these at Annual Conference. The Reverend Glenn Martin gives concerned and competent leadership to the management of Lake Junaluska Assembly.

All of these parts of our ministry are supported by a very efficient Business Department under the excellent direction of the Business Manager/Treasurer, David Snipes. The fiscal affairs, personnel management, and information services are all provided in a competent and skilled manner.

The Public Relations, Marketing and Development area of the Council are under the able direction of Ms. Joetta Rinehart. She and her staff work diligently to "get the word out" about the ministries of the Council. Ms. Rinehart has paid special attention in 1992 to the strengthening of the Development phase of her office. She would be happy to meet with any person or group of persons who would have interest in making a special tax-advantaged gift or a bequest on behalf of Lake Junaluska Assembly or any of the other ministries of the Council.

The members and staff of the Council continue to express our appreciation to the members of The UMC in the SEJ for your financial support of our ministry through the SEJ Administrative Fund and the SEJ Missional Fund. These monies help us to be in ministry for our Lord Jesus Christ. Please continue your support of these funds.

Thank you for the privilege you give to us to be in ministry on your behalf through the SEJ Administrative Council.

Reginald W. Ponder, *Executive Director*

SPIRIT FOR TOMORROW CONTINUATION COMMITTEE (FINAL REPORT)

The North Carolina Conference of The United Methodist Church, meeting in June 1988 voted to conduct a capital funds campaign of \$8 million to support outdoor and camping ministries and church extension. Capital funds were needed to help establish new churches, strengthen struggling churches in special needs areas and make improvements, including new facilities at each of our 4 camps. Since that time, local churches, clergy and individuals have contributed \$5,075,871.00 for these two areas of evangelism.

Because of the faithfulness of the members of this conference: Camp Rockfish has a new dining hall/multi-purpose building which can accommodate United Methodist gatherings as well as community groups. Two new cabins and a new bathhouse have been completed at Don Lee. Bids have been let for a new dining hall/multi-purpose

building at Camp Chestnut Ridge. A double-wide trailer at Camp Kerr Lake has been renovated for small retreat use and a manager's residence. An endowment fund has been created to maintain the new structures at our camps.

Sixteen congregations of United Methodists have been given grants to help with building new buildings or remodeling existing ones and the purchase of land. An endowment fund has been created to help redevelop churches.

To date 707 churches have participated in this evangelism emphasis in the North Carolina Conference. 478 clergy have contributed to this fund.

Thank you to each person who contributed to realizing the success of this capital funds campaign which has made such an impact on outdoor ministries and church extension in our Conference. Contributions continue to come in as people uphold the promises they made through their pledging.

TRUSTEES, CONFERENCE BOARD OF

EVANS UMC - CHOWAN CHARGE

The Conference Board of Trustees was requested to receive Evans Church number 404.5, Elizabeth City District. The Cabinet and the charge voted that the Board accept responsibility for the property.

METHODIST BUILDING RELOCATION STUDY

The Board was commissioned at the 1992 Annual Conference to study the question of relocating the Conference Headquarters and creating a Conference Center for Discipleship. The Board met with representatives from CF&A, the Cabinet, extended Cabinet, CCOM staff and 21st Century Committee and developed the following items of consensus:

1. The Conference offices and the retreat center should be separate entities at separate locations and plans for each should be considered separately.
2. The current site of the Methodist Building is the most appropriate site for the Conference offices. A Center for Discipleship should be coordinated with efforts of the Outdoor and Camping Commission in developing a retreat center at an existing Conference Camp.
3. The feasibility of renovating the Methodist Building at the current site should be investigated, based on current and projected needs of those presently in the building. Short and long term needs for space utilization should be considered along with cost efficiency. The Board is requesting that Conference offices study and submit their long-term needs.
4. We need to renovate the existing space at the Methodist Building to better serve all Conference needs, when capital funds are available.

Therefore, the Conference Board of Trustees recommends to the Annual Conference that we remain in the same location with our Conference headquarters and that Conference staff offices in the Methodist Building submit to the Board of Trustees a list of their short and long range needs that will enable them to best serve our Annual Conference as we begin the 21st Century. Secondly, the Conference Board of Trustees recommends that the Commission on Outdoor and Camping Ministries consider the feasibility of developing a Center for Discipleship in their current long-term plans for a retreat center.

METHODIST BUILDING MAINTENANCE

Capital repairs to the Methodist building were made to update the heating and air conditioning system to current standards. The original dual duct heating and air conditioning system was replaced with a chilled/heated water and variable air volume system.

Jerry Lowry, Chairperson

UNITED METHODIST FOUNDATION, INCORPORATED

The United Methodist Foundation was established by the NC Conference in 1955 to provide two basic stewardship services: 1) To provide an investment partnership for permanent funds of local churches, institutions, and causes of the Church and 2) To encourage and receive planned gifts in support of local churches, institutions, and causes of the Church. We are pleased to report that 1992 was a good year in both areas of service.

For the year ending December 31, 1992, net dividends paid to unit holders were \$1,919,469. While this was down \$106,657 from 1991, it reflects the lower interest rates on fixed income investments in today's economy. Our net assets grew to \$37,137,578 for an increase of \$2,041,454 over 1991. This significant increase was realized from two areas: (1) \$905,738 from investment activities, and (2) \$1,135,716 from net reinvestment of dividends by current unit holders and new units issued.

The total annual rate of return including dividends and realized/unrealized gains was 7.94% on our weighted average equity of \$35,089,701. The net value per individual unit increased from \$1.68 on 12/31/91 to \$1.72 on 12/31/92.

The United Methodist Foundation, Incorporated made a significant change in early 1992. We placed \$1,000,000 with each of three firms who invest globally. These firms: Interinvest Investments, Brandes, and Murray Johnstone will meet with us at our semi-annual meetings. The results for 1992 do not yet reflect the long term benefits that should accrue to the Methodist Foundation. This will be a very exciting area as we move into the nineties.

We also continue to use the services of First Union National Bank's Trust Department to manage our investment portfolio of US equities and bonds (exclusive of mortgage loans) and they continue to exceed the guidelines as set forth by the Investment Committee. Oxford Mortgage Corporation of Raleigh is our investment counselor for mortgage loans. We have not placed as much money in mortgages during the past year as we would like. We have set very high standards for the security that back-up our mortgages and with a depressed commercial real estate market it has been difficult to find properties that we are comfortable with to add to our portfolio. There are some signs that this area will improve in 1993.

The unqualified audit by McGladrey and Pullen for the year ending December 31, 1992, is on file in the Conference Treasurer's office for review by any member of this Conference.

New officers have been elected for the quadrennium. They are: Thomas E. Chandler, President; L. Milton Whaley, Vice President; W. Daniel Pate, Secretary; J. Allen Norris, Jr., Treasurer; and Douglas L. Byrd, Executive Director.

The year 1992 saw outstanding growth of the United Methodist Foundation partnership reflected by an increase of 24.7% in the number of gift and investment accounts (42 new accounts). Of the 207 accounts at year end, 135 are permanent endowments representing a wide range of missional causes of the Church. Sixteen (16) of these endowments were established in 1992. Fourteen (14) are charitable gift annuities and trusts with assets of \$1.4 million, and six (6) of these were established with gifts of \$675,000 in 1992. All of the endowments and trusts benefit churches and causes of the Church. The remaining 58 accounts are investment accounts held by local churches, institutions, and causes of the NC Conference. Twenty (20) of these are new investment accounts established in 1992.

Life insurance policies with death benefits of \$1.25 million have been gifted through the Foundation to benefit the Church since the inception of "LIFE PLAN", a gift plan which uses the media of life insurance to enhance gifts. We are also pleased to note that numerous churches, institutions, and causes of the Church in the NC Conference have reported gifts received through wills and estate plans during the past year. The Foundation continues to emphasize the importance of wills and careful estate planning which includes many opportunities for charitable giving.

Since coming to the position of Executive Director in 1985, the Reverend Douglas Byrd has made planned giving presentations, led or participated in seminars and workshops, preached, taught stewardship classes, and provided consultations in all 12 districts and in over one-half of the churches of the NC Conference. The reception of this stewardship service by local churches has been extremely cordial, and frequent invitations continue to be received.

Estate and gift planning workshops and other planned giving presentations held in churches often result in persons seeking additional assistance with estate and charitable gift planning. Likewise, many of the gift plans and endowments that have been put in place through the Foundation to benefit local churches, institutions, and other causes of the Church were directly related to the efforts of those churches to plan and program for the broader dimension of Christian stewardship we called planned giving.

Increased interest in planned giving and endowment funding is evident across the Conference. The Foundation has provided consultation with churches interested in establishing planned giving and endowment programs. PLANNED GIVING HANDBOOK, a resource for this stewardship ministry in the local church, has been placed in approximately 250 churches; and many of these churches now have a Permanent Endowment Fund and an active planned giving program in place.

In addition to the quarterly newsletter, "LEGACIES", the Foundation developed a new resource in 1992 called "MY GUIDE TO GIVING" which provides basic information about creative gift planning. The Foundation is committed to providing high quality planned giving resources and invites you to call or write for information, resources, and assistance.

We cannot close this report without a sincere expression of appreciation for the support given United Methodist Foundation over its 38 years of service. We are indebted to the NC Conference for its strong support without which the success story of United Methodist Foundation would not be possible. We are grateful for the churches which have opened their doors and permitted us to assist in their stewardship planning and programming. We give thanks to God for those persons who have been "good and faithful stewards" through their gift planning and generosity and for the privilege they afforded United Methodist Foundation to assist them.

Douglas L. Byrd, *Executive Director*

UNITED METHODIST MEN

Approximately \$500,000 was raised in 1992 through projects of the United Methodist Men in the Conference. The money supported local and district projects. One church raised \$5,000 from a fish fry, while another raised several thousand dollars from tree sales. Some of the projects include crisis ministries, computer purchases, parking lot paving, and on and on with local church and community needs. Many areas supported would not have been possible without the support from the men in the local church.

Danny Morris from the Upper Room staff in Nashville, TN was the keynote speaker for the annual meeting in Goldsboro in November. While the program was going on, men were answering a remote prayer line with prayer requests coming in from across America. The 800 toll free lines are supported by the UMM and are answered around the clock by volunteers. Many churches have the calls answered during various parts of meetings through a remote hook up. Part of the fee for chartering a Methodist Men's group is used to fund this important ministry. Individuals anywhere in the US can reach this LIVING PRAYER CENTER by dialing 1-800-251-2468.

The EMS (Evangelism, Missions and Spiritual growth) program to which men contribute \$15 yearly is helping to fund projects of the men in the district, conference, jurisdictional and general conference area. NC Men were recognized at the recent conference presidents of UMM's meeting in Nashville, TN. Glenn Stevens was presented a watch in recognition of his leadership in this program.

The four Gospels tell about Jesus and the Disciples feeding the 5,000 hungry people. NC Men are feeding the hungry in NC through the "Meals for Millions" project. In 1992 1,447,651 meals were provided to people in the Conference and surrounding areas. A meal of potatoes can be fed to the hungry for just a penny. One does not have to be a UM Man to help feed the hungry through this project. Send your contributions through your local church. Details can be obtained from any district or Conference officer of the UMM.

Each year thousands of UM members move from one area to another. Nearly one fourth of these moving Methodists are eventually removed from local church rolls by charge conference action because no one knows how to contact them. The Moving Methodist Program sponsored by the UMM is seeking to capture these people that move. A toll free number, 1-800-624-4130, has been established to report those that plan to

move or have just moved from a local church area. This program is designed to save The UMC this tremendous loss. It is a free service to churches in the NC Conference and throughout the country.

One of the exciting projects of the UMM is called Men in Missions. This project builds churches for congregations across the SEJ. Local, district, and Conference contributions have helped to build two churches and a third church is under construction in Alabama. A retired contractor supervises the project. Approximately five months after starting construction the local congregation is handed the keys to a building valued at about \$300,000. The building is debt free.

Men started in mid-1992 making reservations to attend the 6th International Congress of UMM at Perdue University to be held in July 1993. Space is available for 5000 men and all who attend come away walking closer to our Lord and with the desire to serve Him more.

Scouting is supported in The UMC by the men. Across America there are 450,000 youth involved with Scouting. Duty to God still is a part of the program. Many pressure groups have tried to get the Scouting Organization to change its principles but have been turned down. Churches wishing to start Scouting in their church should contact any district or conference officer about assistance.

One of the most exciting projects started in 1992 with support from funds contributed by EMS members is the possibility of establishing churches in Russia. The UMM's team met with city officials and others in Russia to discuss this possibility. Support from these city officials was excellent, they offered to help find meeting space as well as property.

The men supported and took part in a World Peace Conference in Washington, DC in 1992. There are 80 members of Congress who claim UMC membership. This Conference will be held again in September 1993.

The number of local churches establishing UMM's units in 1992 increased. The participation in district and conference activities increased. One district has a mobile kitchen available to support disaster activities. Another district contributed \$2300 to scholarships at Methodist colleges in the area.

Our thanks to the outstanding leadership provided by Glenn Stevens from Sanford over the past two years. He continues to be a great supporter of UMM and their programs and projects. A special thank you to the cabinet and our bishop for supporting what the men are doing. Our organization at the conference level would not be possible without the leadership at the district and local church level. May the Lord bless every member of The UMC as we seek to do HIS WILL.

T. L. Walden, *President*

UNITED METHODIST WOMEN

CELEBRATION was the key word for the NC Conference Women in Local, District, and Conference events for the entire 1992 year, because the organization of United Methodist Women was organized in 1972! Throughout the Conference we celebrated by seeking to enhance our commitment to our PURPOSE which states:

THE PURPOSE OF UMW IS TO KNOW GOD AND EXPERIENCE FREEDOM AS WHOLE PERSONS THROUGH JESUS CHRIST; TO DEVELOP A CREATIVE SUPPORTIVE COMMUNITY; AND TO EXPAND CONCEPTS OF MISSION THROUGH PARTICIPATION IN THE GLOBAL MINISTRIES OF THE CHURCH.

This celebration extended from the Local, District, and Conference events to highlight our history, and to vision our future. The culmination was the Annual Meeting with a spectacular birthday party. All the past presidents were present and participating. Displays of each administration and district were a reminder of our past activities which will give a foundation for future plans, hopes, and dreams. 20 is an exciting age to be!

During 1992 the Conference sponsored events were supported by increased attendance, enthusiasm, and financial support.

JANUARY. This was the month for District Training for local unit leadership. The District Training for officer responsibility and the NC Conference January Workshops had excellent response. Participant's evaluations were unusually positive. The president met with each district president for consultation.

FEBRUARY. The 13 Conference elected officers met for an overnight retreat at Trinity Center on Atlantic Beach for renewal, recentering, and refocusing on ways to implement 1992 plans and events. The first Sub-District Meetings were held.

MARCH. The first weekend in March our 72 District and Conference leaders met at Methodist College for a "Christian Social Involvement Workshop" sponsored by the Women's Division. On March 20-21 the "39 and Under Event" was held with over 200 in attendance.

APRIL. Plans were made to produce a new Membership Brochure. Sub-District Meetings were completed. The big event was the SEJ Meeting in Tampa, FL. The theme was "Journeying with Christ" and their journey there was by plane, bus, and car. 99 women attended. The "Food Lion Shopping" for the NC Conference Children's Home was supported.

MAY. The Scholarship Committee met and awarded \$6,500.00 in grants. The "Christian Personhood Retreat" was held at Louisburg College with the Reverend Nancy Best as leader. The theme was *Faith Disciples - Joyful Servants: Serving our Lord*.

JUNE. The 13 elected Conference officers attended Regional School at Virginia Wesleyan, Norfolk, VA. The 1993 Mission Studies were taught and we received a myriad of ideas that were used at our Conference Summer School, and UMW events.

AUGUST. Our involvement at Conference Summer School included: UMW Leadership Course; Mission Study displays; Platform Program Friday night; decorations for tables at Middle East Dinner; registration. The planning and executive committees met at Methodist College the 28th and 29th.

SEPTEMBER. One of the most exciting Conference sponsored events is the "Mother/Child Retreat." This year over 70 applicants had to be turned down for lack of space. Plans for 1993 include two retreats to meet simultaneously at Camp Don Lee and Camp Chestnut Ridge.

OCTOBER. Annual Meeting was held at Methodist College with Andris Salter, Women's Division staff, as keynote speaker. District Annual Meetings were held across the Conference.

NOVEMBER. District Officer Training (DO IT DAY) was held at St. Pauls in Goldsboro with record attendance. This training is invaluable for District officers as they train their local counterparts.

1992 was a highlight year financially, for the first time in four years we paid our pledge to the Women's Division in full. Our \$400,000 pledge was overpaid by \$3,081.06! Our pledge for 1993 is \$412,000. The World Thanks Offering totaled \$39,551.29; A Penney and a Prayer \$15,861.29; Candle Burning \$30,459.38; Love Offering for MATCH \$13,735.21. These gifts are over and above what each local unit is doing in their own area.

The Charter for Racial Justice Committee has completed plans for a weekend seminar based on the *Charter for Racial Justice Policies* in March 1993. Racism will be an emphasis for 1993 so from this workshop will come a 2 1/2 session at Conference Summer School based on the charter, also this concern will be highlighted at the Conference and District Annual Meetings.

The focal project for 1992 was MATCH (Mothers and Their Children) project for incarcerated women and their families. Members of UMW have been active on the inter-faith board that is working on this project. The building should be completed in 1993, and the funds we have raised will be used to furnish the facilities and provide staff. Long range plans are for transportation of children to the Raleigh institution.

District goals for 1992 which have been worked on are: more effective communication with local units; helping local units involve more younger women; district offerings

for MATCH; increase 7 star units; increase and make available spiritual growth opportunities; increase pledges.

Local Units have been reaching out in special ways in their communities by: helping a refugee family from Liberia get a new start; providing scholarships for younger women to attend "39 and Under Event" and "Mother/Child Retreat;" donating bazaar funds to undersignated giving; aid to Andrew victims; held spiritual retreats; provided gift bags for expectant mothers in prisons; starting new circles for younger women; fixing baby boxes for local hospitals; sent bras to women in prison; setup tutoring programs. These only touch the surface of involvement and commitment of our local UMW.

In 1992 four active UMW have been honored by other organizations. Catherine Vick was the recipient of the Dr. Ellen Winston Award by the State Council for Social Legislation. Each year the NC Council of Women's Organizations select five Distinguished Women of NC to honor. Three of the five selected were active UMW. They were Kay Cameron, Kaye Holoman, and Ellen Volland.

Our theme for 1992 has been *Faithful Disciples - Joyful Servants* with special emphasis on *Serving Our Lord*. In 1992 we have been both faithful and joyful as we have served our Lord.

Tibbie Roberts, *President*

UNITED METHODIST YOUTH

Youth ministry in the NC Conference has much to celebrate from the past year and much to challenge us in the coming year.

With the beginning of a new quadrennium we elected a new CCYM Chairperson, Rev. Rick Moser. We want to offer great thanks to Rev. Rick Clayton for serving the past two quadrenniums as our CCYM Chair.

In 1992 and 1993 we had several successful conference youth events:

- Summer Breakaway 1992 - Jr. and Sr. High with 115 in attendance
- Appalachian Trail Hike 1992 - with 15 in attendance, one of the largest groups ever.
- Jr. High Jamboree 1992 with 75 youth participating
- 1992 Mission Workteam to Costa Rica with 25 youth, the most ever in attendance
- In 1993 we regret that Senior High Winterfest had to be cancelled because of low registration.
- Our Conference Youth Rally '93 boasted an attendance of over 600, with a concert by Chris Hughes of Christbearer Ministries.

Plans have been made for the rest of the 1993 events. Annual Conference Session for Youth will have delegates elected from local church charge conferences. We appreciate all the time given by the adults who work with the youth and serve on our events as staff. A great deal of credit and thanks goes to District Youth Coordinators and District Youth Councils. Many of our districts have rallies twice a year and other events as well.

We encourage pastors and local churches to communicate opportunities that the Conference provides. We want to be supportive of local church youth ministry as well. Through the Conference youth events our youth can gain ideas to take back to their local churches. Our Conference staff person offers a resource to local churches. With the adoption of the *Into the 21st Century Committee Report*, we want to emphasize to local churches the priority of out-reach to youth. Plans are underway for a new youth event in 1994. Youth groups will be invited to attend as a group. This event will be called Pilgrimage and will offer an evangelistic opportunity for youth as well as encouragement to local church youth ministries.

Youth Service Fund is money raised by youth, spent by youth, to benefit youth. Our 1993 Conference wide goal is \$16,000. Projects supported by YSF this year are:

VITALIZATION PROJECT, NC CONFERENCE (FINAL REPORT)

I clearly understand that it has been a rare opportunity and a genuine privilege for me to be appointed for the past four years to the Vitalization Project. I would like to thank personally Bishop Minnick, the cabinet, the members of the Project Advisory Committee, the Project team, and you, the members of the North Carolina Conference for the support and encouragement you have given to me and to this unique project.

In July of 1989 we set out to assist 195 congregations in becoming more vital and faithful places for Christ's mission to occur. As we conclude the project four years later, that goal is exceeded by more than forty churches. The fruits of this work are now beginning to be realized and will continue to increase in the years ahead. The team of 23 mission consultants has traveled more than 143,000 miles in eastern North Carolina and your hospitality and eagerness to grow in Christ have inspired us in our task.

In addition to the original goals set for the project, 63 pastors have participated in an extensive program of training to advance their skills for pastoral leadership through what has been called the Mentor Program.

A two-day workshop for advancing the ministry of the large church, led by Dr. Joe Harding of the General Board of Discipleship, was attended by 40 senior and associate pastors who serve in this Conference.

The four-year, \$800,000 project budget, derived from supplemental funds allocated by the Conference Council on Finance and Administration, has been underspent by seven percent.

I would like to conclude this final Vitalization Project report by quickly recognizing many of the people who have made it an effective and faithful effort to advance the local church as a place for mission. I would like for you to express your appreciation to these people with applause as they stand. After all have been introduced, I will ask that Bishop C. P. Minnick, Jr. lead us in a prayer of thanksgiving for this project.

First, I wish to present to you the members of the Vitalization Project Advisory Committee, led by Dr. Robert C. Frazier, Sr.

Now, I wish to present to you all of the pastors who have participated in the Mentor Program.

Next, I wish to invite the pastors and laity present who represent the 241 congregations completing the Vitalization Project planning to stand.

Finally, I wish to present to you the members of the Project team, including the 22 consultants and our administrative assistant, Ms. Lou Ann Allred. I truly believe that no finer group of leaders exists anywhere in the church than the people you have standing before you today. Please express your generous appreciation to these servants of Christ.

DAVID GILBERT BRADLEY

1916 - 1992

David Gilbert Bradley, a professor of religion at Duke University for 37 years, died September 19, 1992, in Durham Regional Hospital. He was 76.

A memorial service was conducted at 4:00 p.m. September 23, 1992 in Duke Chapel by the Reverend Creighton Lacy.

He was married to Gail Soules Bradley on March 19, 1940 and they had one child, daughter Katherine Ann. David transferred from the Southern California-Arizona Conference to the NC Conference in 1951, and retired from the Conference in 1981. Gail Bradley died on November 29, 1982.

The Family

HARVEY BYNUM JOHNSON

1930 - 1992

One of God's faithful servants was born to Loyd Guy Johnson and Claudie Pace Johnson on November 7, 1930 in Cumberland County. Harvey Bynum Johnson grew to be a unique leader by giving himself in the service of Jesus Christ. His earthly venture of faith was completed in Birmingham, AL, on September 22, 1992. A note of triumph sounded and we listened through our tears on that Tuesday afternoon. A memorial service was held at Kirkwood by the River in Birmingham, AL, on September 24. On September 26, a service of Praise and Thanksgiving to worship God and celebrate Harvey's life was held at First UMC, Graham, with the Reverends Joseph Bostick, Paul Leeland, Marshall Old, and Dennis Ricks officiating. From the congregational sharing that day, his family and friends will have years of memories to cherish.

There were many highlights in Harvey Johnson's life. He was first admitted to the NC Conference in 1953 and sent to the Siler City Circuit. On February 13, 1954, he married Willie Davis. Through the years, they complemented each other in the ministry of Jesus Christ. Born to this union was a daughter, Stephanie, who is married to Lt. Col. John C. Rast, Jr. His two granddaughters, Kaitlyn Marie Rast and Ashley Elizabeth Rast, brought a certain twinkle to his eyes. They live in Ft. Hood, TX. Many others were made to feel like family. You will find them on the Siler City Circuit, in Apex, at Wesley Memorial in Raleigh, and Wellons Village in Durham, as well as clergy families throughout the Annual Conference.

Then a new adventure began that made use of his compassion, skills, and abilities to meet the needs and hopes of older adults. Harvey became the administrative assistant to the Methodist Retirement Home in Durham. Then we saw him as the leader and focus for the Moravian Retirement Home, Inc. in Winston-Salem. From the ground up, he guided a hope and a vision to become a reality - a great and beautiful home for older adults. At Kirkwood by the River, a Presbyterian Retirement Community in Birmingham, AL, he gave his strength and energy to expand and improve. Along his roads of ministry, people of every age found inspiration and help because Harvey was a caring person.

Let another of his friends speak of him: "He obediently served Christ without reservation, focusing much of his ministry on the needs and hopes of older adults. This gentle yet wise servant of the Lord had been blessed with multiple gifts which benefitted others. His unique leadership allowed him to witness to Christ by blending administrative skills, deep interpersonal insight and compassion. His invitation to local medical schools to provide health care for older adults was typical of his desire to provide the most attractive environment where persons could spend their retirement."

We remember him as a loving husband, devoted father, terrific grandfather, a teasing but proud father-in-law, and a friend.

Those who have been blessed by such a friend have been fortunate. It was his ability to offer friendship that most often stands out when thinking of his contribution to ministry. No greater tribute can be expressed than that of Jesus to his disciples: "This is

my commandment that you love one another as I have loved you. Greater love has no man than this, that a man lay down his life for his friends." (John 15:12-13) We know that the Reverend Harvey Bynum Johnson taught us the beauty of these words.

JOHN KERN ORMOND, SR.

1912 - 1992

John Kern Ormond, the first born child of Jesse Marvin and Katrina Kern Ormond, came into the world on April 19, 1912 in Hillsborough, where his father served the Methodist Episcopal Church, South. In his early twenties, while serving his first appointment in Princeton and preparing to complete his divinity degree at Duke University, Kern officially became a fourth generation Methodist minister. As such, his heritage embraced nearly every facet of American Methodist history, from circuit riders to seminary professors, pastors and bishops.

Himself a rich example of that heritage, Kern and his wife, Helen Pickard Peck Ormond, along with their three children, always made themselves "at home" in whatever community they served. His appointments included Carrboro, Oriental, Benson, Ahoskie, Trinity in Raleigh, Trinity in El Paso, TX, Bailey, Farmville, Garner, Hamlet, and Elizabeth City. In addition he served with distinction as a chaplain in the US Army during World War II, continuing in the reserves until his retirement as a Lieutenant Colonel.

Kern was always known as an inspired preacher and effective pastor and leader. He powerfully ministered God's love wherever he served and brought that love to life in the sacraments of lively fellowship and service and fun. Whether it meant joining in the harvesting of crops or being "Uncle Curly" to countless Methodist youth; playing softball or playing bass in a local band; treading the boards as "Pappy Yokum" or doing magic for children anywhere, he always laughed and listened, sang and told tales, and generally found special ways to care about those who were brought into his path.

When Kern was appointed to First UMC, Elizabeth City, he returned home to the sanctuary built during his father's tenure there, to the place where he started to school. There, Kern retired as Pastor Emeritus, and he and Helen continued their quiet ministry of caring in that community and wherever called. On Kern's part, this took the form of preaching, teaching, encouraging his colleagues, and serving in varieties of other ways throughout the northeastern part of the state.

He is survived by his wife Helen, whom he married February 23, 1938, and who continues to live primarily in Elizabeth City; his sons, John Kern of Wilmington and Marvin Peck of Winston-Salem; four sisters, Janet Lide of Winston-Salem, Margaret Hardin of Lake Junaluska, Jessie Pyne of Burlington, and Elizabeth Byrum of Newport News, VA; and seven grandchildren, the youngest born four months after his death. He is deeply missed - and yet his love continues to bless because, in addition to these, he is also survived by the many children of all ages, friends, colleagues, and neighbors whose lives he touched in some joyous and gentle way.

Kern's death came on November 21, 1992. We wish him Godspeed and rest in knowing that he is with us still, close and present among that great "cloud of witnesses."

HAYWARD LESTER TENNEY

1927 - 1993

The Reverend Hayward Lester Tenney was born on March 6, 1927 to Mr. and Mrs. Elihu D. Tenney in Buckhannon, WV. He met and married Izella Mae Ours on May 15, 1945. They were the parents of two children.

He served two years in the Army during World War II. He worked at Goodyear Aircraft in Akron, OH before entering the ministry.

He joined the WV Conference in 1957. He received his A.A. degree from Beckley Junior College in Beckley, WV, and his A.B. degree from Morris Harvey College in Charleston, WV, while serving the Mabscott Methodist Church in Beckley from 1957-1962.

He transferred to the NC Conference in 1962. He attended Duke Divinity School and Southeastern Theological Seminary where he received his B.D. degree in 1967. He was ordained deacon in 1965, ordained elder in 1967 and became a member in full connection the same year.

He pastored the following churches in the NC Conference: Hornes-Mt. Zion, Wesley Memorial, White Memorial, Franklin Charge, Amity in Chapel Hill, Brooksdale-Brookland, Erwin, Vanceboro, Clarkton-Bluefield, and Kinston Circuit. He retired from the Kinston Circuit in 1989.

His many years in service for the Lord included not only his dedication to the ministry for which he was called but was also instigational in the building of Amity UMC while helping to serve its members. This beautiful building can be seen by all who travel on Estes Drive to Airport Road. Those who belong to Amity Church greatly appreciate the efforts of his labors.

Lester loved to serve the Lord and to help all of God's people so that they might have a more abundant life, and he always would rather preach than eat when he was hungry.

He died on January 21, 1993 at Lenoir Memorial Hospital in Kinston after an extended illness. He was a very kind and compassionate husband and father, and he is greatly missed by them.

Survivors are his wife, Izella Mae Ours Tenney, of the home; a daughter, Vickie Lynn Tenney of the home; a son, Haywood Lester Tenney, Jr., of Winston-Salem; two granddaughters, Tonia Lisa Hicks and Angie Louise Ross, both of Youngsville; two grandsons, Hayward Louis Tenney and Hayward Lester Tenney III, both of Hershey, PA; one great-granddaughter, Brittany Nicole Hicks of Youngsville; one great-grandson, Michael Anthony Ross of Youngsville; two brothers, Arnold Tenney and Claude Tenney; one sister, Tressie Ware, all of Buckhannon, WV.

Funeral services were held on January 23 at Edwards Funeral Home in Kinston by the Reverend Paul Leeland. Interment followed in Pinelawn Memorial Park, Veterans Section, Kinston.

ROBERT WESLEY DAWSON, SR.

1924 - 1993

A husband, father, grandfather, pilot, sailor (captain), builder, a minister, a man who loved to live and lived with the word of God, Robert W. (Bob) Dawson was born on May 4, 1924 in Elizabeth, NJ. Bob moved to Richmond, VA, in 1949, then to Fayetteville in 1952. After a short stay he moved to Wilmington to work for the architectural firms of Leslie N. Boney and Ballard, McKim and Sawyer. He opened an office for the firm of Ballard, McKim and Sawyer in Whiteville in 1966. In 1979 Bob worked for United Carolina Bank in Whiteville until his retirement in 1987. After earning his "Sea Captain's License" he turned all his energy to the ministry and became a lay minister for Peace Methodist Church in the Welch's Creek community in 1991. He was a diligent and faithful minister to his people. Under Bob's leadership, he turned this small church around and was instrumental in its growth.

Bob touched many people and as the following editorial from the Whiteville News Reporter shows, he was much loved and will be missed: "Columbus County lost a fine man with the death of Bob Dawson Friday; a man dedicated to aiding others, especially those in a small Methodist church in the Welch's Creek community. Dawson, an avid sailor who spent much time skimming across Lake Waccamaw, was a lay minister for the congregation at Peace UMC on the Red Hill Road.

He breathed new life into the church, giving unselfishly of himself to his fellow man. This type of man should be a beacon for youngsters who want to contribute to the community. Thank you, Bob, for your time spent here."

Bob became ill with colon cancer in early 1992. He showed his family, friends, and his church that if you walk with God you can overcome much pain and suffering. Bob passed away on February 5, 1993 at his home. Funeral services were conducted at Peace UMC by Dr. Homer Morris and Wilmington District Superintendent Ruth E. Harper. Burial was at the Lake Waccamaw Cemetery.

Bob was loved by everyone who knew him and will be dearly missed. In his memory, his Grandson Kevin Holliday wrote the following poem:

I never used to miss the chance to climb upon his boat
 Listen to the many tales that kept my dreams afloat.
 We'd go sailing back on Waccamaw and talk of things he did.
 Tomorrow just a day away for the captain and the kid.
 His world had gone from sailing boats to precious Sunday preaching.
 I learned very much from him; He never could stop teaching.
 We were both growing older then, wiser with our years.

That's when I came to understand the course his heart still steers.
 He passed on not long ago while winter filled the air.
 Though I cry, I am so proud to love a man so rare.
 He's somewhere in heaven now, the place he ought to be,
 But still one hand on starboard rail, he is waving back to me.

Bob Dawson is survived by his wife Deltra Blaker Dawson; daughters, Joanna Holliday of Marietta, GA, and Doreen Williamson of Lumberton; sons, Robert W. Dawson, Jr. of Brookville, OH, Paul W. Dawson of DuBois, PA, Stephen T. Dawson of Fayetteville; and nine grandchildren; sisters, Myrle Henderson of Highbridge, NJ, and Viverne Pasquino of San Antonio, TX; brothers, George W. Dawson of Seven Lakes, and Durwin G. Dawson of Lexington, KY.

MARVIN DEWEY TYSON

1920 - 1993

The life of Marvin Dewey Tyson is gathered up in the title of his book published in 1975, *Love is for Living*.

Dewey was born November 30, 1920 in Pitt County to the Reverend Marvin Earl (Jack) and Stella Irene Hart Tyson. He died at home surrounded by his beloved family on February 18, 1993. His funeral service was conducted by the Reverends Kermit L. Braswell, Woodrow W. Wells, Jr., and Randy Maynard at St. James UMC, Greenville, where he served seven years and made his church home during retirement.

Dewey is survived by his wife and best friend, Ruth Craft Tyson, whom he married October 9, 1943; his children, Cheryl Lynn Tyson, Deborah Anne Tyson, and the Reverend Marvin Eugene Tyson; his brothers, the Reverends Bobby Tyson, Earl Tyson, Tommy Tyson, and Vernon Tyson; his sister, Merle Tyson Hackney; four grandchildren and one great-grandchild.

Dewey received his B.A. degree from Atlantic Christian College and his M.Div. degree from Duke Divinity School. He served 38 years in the NC Conference. His appointments included the following churches: St. Paul in Rocky Mount, Eno at Hillsborough, Fairview at Elon College, Englewood in Rocky Mount, Calvary in Durham, First UMC in Hamlet, First UMC in Roanoke Rapids, First UMC in Henderson; St. James in Greenville, and Farmville, from which he retired. Dewey's ministry was distinguished by gifted preaching and faithful pastoring. In addition to his service in the local church, Dewey served on many Conference boards and agencies including the Board of Ordained Ministry and the Board of Evangelism which he chaired.

Dewey was, in a word, authentic, an authentic Methodist, an authentic Christian. John Wesley defined a Methodist as "...one that has the love of God shed abroad in his heart...His heart is full of love to all mankind...His one desire and the one design of his life is not to do his own will but the will of Him that sent him...These are the marks of a true Methodist..."

Dewey's love was down-to-earth, never affected, and tough - as the love of Christ is tough. The book cited above includes an essay titled, "Parading Our Piety," in which he took to task bumper sticker religion. We must never confuse this "folklore" with the real thing, he warned: "'God loves you' carries ethical implications that are much easier to transport than to tackle...Plainly put, what love demands is not bumper stickers but a beating down of barriers that separate us from God and from each other. Those barriers are conflict and prejudice...viciousness and violence in all its forms...pride and hunger for power. Like the demons they are, their name is Legion, (and) we are all possessed by them, unwittingly perhaps, but possessed nevertheless."

I believe the most fitting tribute I can make to my friend and model in ministry is this: to know Dewey was to know God's love made flesh.

KONSTANTY MARCELI NAIDER

1899 - 1993

Born in Wolborz, Poland, Christmas Eve, December 24, 1899, to Mateusz and Josefa Naider, Konstanty was orphaned at birth. Sustained by God through his childhood years, he studied theology five years at the University of Lwow in preparation for priesthood in the Roman Catholic Church. However, in 1925, moved by the active faith and compassion of Methodist missionaries, Konstanty was ordained elder in the Methodist Church of Poland by Bishop U. V. W. Darlington. He began an evangelistic career establishing congregations through the country.

September 27, 1931, Leontyna Maria Dolinska Niementowska became his bride and faithful wife in a ceremony in Przemysl, and in 1932 he was appointed pastor of the congregation in Katowice where his work and ministry bore its greatest fruit. In 1938 he became superintendent of the Southern Poland District, as World War II changed life in Europe. When Superintendent Warfield was placed under arrest and held in a detention camp for Americans, Reverend Naider became the first Polish general superintendent of the Methodist Church of Poland.

Under his devoted and gifted leadership, Polish Methodism grew from 1,500 to over 15,000 with 70 congregations spreading across the land. He served until 1948 when under threat of death from the ruling communist government, he was forced to flee, first to England and then to the US. Arriving penniless, but with spirit still strong, he began a Polish congregation at the Church of All Nations in New York City. He joined the NC Conference in 1953 as missionary to Polish people in the US. Through these years until his retirement in 1972, he evangelized Polish immigrants across the country and sought support for Polish Methodism suffering under communist repression.

Purchase of farmland at Roundtop in the Catskills, where sheep and chickens were raised under the oversight of his sister-in-law, Zofia Dolinska, provided both his personal support and funds for support of the struggling church in Poland. In 1951 he purchased property on Willett Street in Albany which became his retirement residence.

The Polish congregation at Church of All Nations moved to Brooklyn in the mid-seventies and became the Polish-American Methodist Church of Greenpoint. Each weekend Reverend Naider would travel from Albany to Greenpoint to preach to the congregation there. Throughout his 45 years in the US, he has been the main support of Polish Methodism, personally underwriting a third of the salary of every pastor. In 1988, through the General Board of Global Ministries of The UMC, he established a Charitable Remainder Annuity Trust of over \$1,000,000 for the support of Polish Methodism, a denomination that is alive and vital today because of his faithful devotion. In 1992 Reverend Naider provided an Evangelization Grant that is underwriting the work of two interns and enabling the first Protestant Hispanic congregation in Albany.

He succumbed to the effects of a severe stroke and received death March 12, 1993 at St. Peter's Hospital in Albany. While having no children of his own, Reverend Naider leaves a wide circle of sons and daughters who have come to faith through the instrument of his evangelism. Reverend Naider's ashes were to be carried to his beloved church in Katowicie, Poland. A perpetual memorial will be kept at Trinity UMC in the W. Bernard Grossman Living Memorial Garden. Surviving are his devoted sister-in-law, Zofia Dolinska of Albany; two nephews, Dr. Zdzislaw Naider, and Edward Wojciechowski; and a niece, Kazimiera Tworck, all of Poland.

A prayer and committal service was held March 16 at the Chapel at Albany Rural Cemetery under the direction of the Reverend Dr. Maurice Drown of Trinity UMC with eulogy and song presented by the Reverend Vincent Winniczek of Granby, CT. A memorial service was held at Trinity at Lark and Lancaster in Albany on March 31 with the Reverend Edward Puslecki, general superintendent of The UMC of Poland, delivering words of remembrance, and Mr. Stephen Brimigion representing the General Board of Global Ministries.

HARLEY McCOY OWENS, JR.

1919 - 1993

Harley McCoy Owens, Jr. was born on March 8, 1919 near Stantonburg in Wilson County. He grew up on a farm and attended church with his parents, Bessie Ida Coley Owens and Harley M. Owens, Sr., two brothers and four sisters. He was a veteran of World War II having served six and one-half years. Before leaving the Army, he married Dollie Bessie Pate of Pikeville on June 8, 1941. From this union were born two children: Tony M. Owens of Wilson and Connie O. High of Durham. There are four grandchildren: Kimberly O. Best, Jason Owens, Rodney High, Jody High; a step-grandson, Greg Brown, and three great-grandchildren. Dollie went to be with the Lord in December 13, 1985, after a lengthy illness.

It was during a revival at Mount Carmel UMC near Pikeville that Harley accepted the Lord as his Savior in 1949. His first employment was at a drugstore in Goldsboro followed by a job as a salesman with Taylor Biscuit Company. During this time, the Lord had been

calling him into the ministry. In 1956 he could no longer resist and gave himself to the service of our Lord and Savior, Jesus Christ. He attended Louisburg College, Campbell College, Carter's Bible College and the Pastor's School at Duke University.

Harley began in the ministry on the Wesley Circuit, then the Clinton Circuit, followed by appointments at Salter Path; Hornes-Mount Zion; Brownings-Smith Chapel; Salem; Lanes Chapel; Wesley Church; and Monk Memorial-Walstonburg charge. He was ordained a deacon in June 1960 and an elder in June 1962. After 28 years of full-time service in the ministry, he retired in June 1983.

Harley Owens loved the Lord first, and his deep abiding faith and trust in God carried him all the way. He never met a stranger, and wherever he went he would take time to speak to someone to make a friend or to make someone smile. He may have been asking for money for a church building program from the late Carbine Williams; or sharing a Western movie story with Frank Rice who was known as "Mustard" in the "Mustard and Gravy" radio show; or visiting Gaylord Perry, Hall of Famer, while in Williamston; or talking baseball to a little child. He was not ashamed to say "Amen!" or "Hallelujah!" in church in response to the spoken work or a song that touched his heart. He took the adversities of life, be it pain, suffering, indifference or how man is endangering this good earth and reacted in a positive attitude and Christ-like manner.

He had a love and passion for people. He loved to visit in homes and hospitals. Wherever he went as a minister of the Gospel, he delighted in bringing Jesus into their lives. "This is the day the Lord hath made, let us rejoice and be glad in it" was his daily walk.

On August 16, 1986, Harley was married to Olivia Inez Brown of Goldsboro and was blessed with three step-children, Teresa Byrum of Scotland Neck, James Brown of Walterboro, SC, Elizabeth Musselman of Pikeville; and five step-grandchildren. Other survivors include sisters, Virginia Proctor and Grace Howarth of Wilson, Frances Gay of Walstonburg (died 06/18/93), and Mildred Robelen of Newport News, VA.

Harley was called to his Heavenly home on April 15, 1993. The funeral service was held at Salem UMC in Goldsboro on April 18 conducted by Goldsboro District Superintendent J. Malloy Owen III and the Reverend Dr. J. Paul Edwards. Interment was followed at the Pikeville cemetery.

A remembrance and quote by Victor L. Galipi follows: "What stood out for me about Harley Owens during the brief time that I knew him was that he always had something good to say. He regularly spoke to my children, almost always asking how their gerbils were doing. His hearty 'Amen!' could be frequently heard in Salem's worship services. And he would always comment on how good my sermons were - a real encouragement on some Sundays when I didn't think the sermons were so great. I miss all of this and more about Harley. Yet, with my mind's eye and my heart's ear, I can see and hear him now before the throne of God, singing praise and shouting hearty 'Amens!'...Amen, Brother Harley!"

To us who loved him there is a void that can only be filled by our Lord and Savior until the day He calls us home. Harley "fought the good fight of faith and has finished his course."

CARLTON FREDERICK HIRSCHI, SR.

1922 - 1993

Carlton Frederick Hirschi was born June 22, 1922 in Brooklyn, NY. He was the only child of Jacob and Mae Hirschi. It was while he was attending prep school that he felt called into the ministry. On one evening in particular that call culminated in a clear direction and purpose of mind. He had learned that E. Stanley Jones would be coming to hold a tent meeting on the outskirts of town. Having no means of transportation he walked three miles to attend that meeting and another three miles back home. God's call to ministry became very clear to him that evening, and he knew he could do nothing else.

In 1945 he received his B.A. degree from Allegheny College in Meadville, PA. Later that year he entered Duke Divinity School. However, there was one stumbling block that needed to be overcome...his speech impediment. By this time in his life he had seen numerous speech therapists who had all tried to help him correct this impediment, but none were successful. Thinking that no church would accept him with such an impediment, Duke admitted him on a trial basis. But then that was before they knew him or his determination. Through God's abundant grace he overcame this impediment.

He joined the NC Conference on trial in 1947, was graduated from Duke in 1948, ordained deacon in 1948 and elder in 1949. He served pastorates for the next 41 years. They are in order: Windsor, Burgaw, Warsaw, Benson, St. James in Greenville, St. Paul in Tabor City, West Nash in Wilson, Lakewood in Durham, Faith in Burlington, Enfield, Pittsboro, Hurdle Mills, and Bynum.

In 1952 on October 11, Carlton married Martha Shearon of Wake Forest. Two children were born of that marriage, Carlton, Jr., and Karen.

He retired from the Conference in June 1989 and spent his brief years of retirement in Pittsboro. These were full and active years in which he continued to preach and minister. In April 1992 Carlton was diagnosed with cancer. He refused to give up or yield to this disease. But he remained, as always, yielded to God's will. He often said during this time, "I'm just leaving it up to the Lord." And many times he spoke about how thankful he was that he had suffered little and about how good the Lord had been to him. He refused to focus inwardly on his own problems but rather continued to focus on others and their needs.

On April 18, 1993 he died at Duke Hospital. Funeral services were conducted at Pittsboro UMC by the Reverend Leonard Doucette, Dr. Roger Elliott, and the Reverend Benjamin Melvin, with the Reverend Ray Gooch as soloist. Interment was in the church cemetery.

He is survived by his wife, Martha, who resides in Pittsboro; his son, Carlton Frederick, Jr., of Garner; his daughter, the Reverend Karen Hirschi Whitaker of Raleigh; and two grandchildren.

There are many who will miss Carlton deeply. He was a man of uncompromised principles. He was a man who made us better for having known him. He was a man who never wavered from his call, a man of single-minded purpose, his one goal to do

whatever it might be that his Lord would have him do. He was a servant, a man who was never too busy to help someone in need, a man who gave selfishly of himself. He was a man of tremendous energy and drive. If someone needed his help all you had to do was to let him know it and then get out of the way. He was keenly interested in people because he loved people.

He also loved his family deeply. He was a devoted husband and father and grandfather. He always had pictures of his children and later his grandchildren to show to anyone who would stop and look. He always spoke the truth in love, even when it was not what someone wanted to hear. When asked what he would like most to be remembered for, he thought for a moment and then responded, "for preaching the Word!" Indeed, to that calling he was faithful. But even more so, he lived the Word!

There are many lives that will never be the same for having known Carlton. There are those who have come to know Christ through his ministry. There are those who, having been encouraged by him, have answered the call to ministry. There are those who, having seen his example, have been strengthened to lead a more Christ-like life. The changed lives he left behind are his best memorial. Carlton Hirschi was a true servant of Jesus Christ. Thanks be to God for his life and ministry among us.

RALPH WILLIAM PRITCHARD

1909 - 1993

Ralph William Pritchard was born at home in St. Louis, MO on December 12, 1909. He was the son of Howsen K. and Martha Janssen Pritchard and was the third of four children, the second of whom died in infancy.

As a young man, Ralph graduated from high school in Webster Groves, MO, and attended Benton School of Law in St. Louis, fully intending to make a career as a lawyer. He went on to Evansville College, IN, and sometime before he graduated in 1933, he felt the call to the ministry. He also met and fell in love with Virginia Partington. Ralph followed the call to Boston University, MA, where he completed three years of seminary in just two so he could go home to marry his beloved Virginia.

They were married on August 31, 1935 and entered the ministry in Indiana, serving Methodist churches in Patoka, Lynnville, Patriot, and Shoals. In 1943, they were called to Massachusetts where they served in Ludlow, Shelburne Falls, and Easthampton. In 1953, they moved to the NC Conference, where they served for the next 20 years, churches in the Rich Square Circuit, Fayetteville: Wesley Heights, Cordova, Swepsonville, and Raleigh: Wesley Memorial.

Ralph saw improvement at every appointment, often in the churches' physical plant, as growth took place. He loved to sing and involved everyone from children to seniors in "making a joyful noise."

After retiring from the ministry in 1973, Ralph and Virginia lived for a time in Raleigh, where they continued to be active in the church. In 1978, they moved to Clover, SC to

be near their daughters and most of their grandchildren. In Clover, they joined First UMC where Ralph often taught the Men's Bible Class, and where they were involved in local senior citizens groups together until Virginia's death on September 14, 1991.

Ralph and Virginia were the parents of four children: Ralph William Pritchard II, who died in 1986; Jerry Paul Pritchard of Raleigh; Martha Pritchard Bostick of Gastonia; and Virginia Pritchard Johnson of Clover, SC. He is also survived by seven grandchildren and one great-grandson.

Ralph died at his daughter's home in Clover on April 24, 1993. A funeral service was conducted by the Reverend Leon E. Thompson and the Reverend A. Mickey Fisher at First UMC in Clover on April 27. Because he was a Mason, a graveside service was presented by the local lodge. Interment was at Lakeview Memory Gardens, York, SC.

The Children

WALTER EUGENE TISDALE

1933 - 1993

W. Eugene Tisdale was born on June 7, 1933 in Montgomery, AL. His parents are Kenneth W. and Gertrude R. Tisdale, who survive him.

He was educated in the public schools of Montgomery. Having given his life to Christ during his youth, he enrolled and was graduated from High Point College. He completed his M.Div. degree at Duke Divinity School, was ordained a deacon in 1955, and was ordained an elder and received into full connection in Fayetteville in 1957.

He served his entire ministry in the NC Conference: Rock Creek, 1955; Spring Hope, 1957; Conway, 1960; Daniels Memorial in Goldsboro, 1965; Glendale Heights in Durham, 1968; Enfield, 1972; St. Andrews in Garner, 1976; Salem at Fayetteville, 1978; Richlands, 1985; Jonesboro, 1990; and Burgaw, 1990.

Statistical data can never summarize his ministry. For 38 years his primary concern was for "my people," the members of his assigned congregations. He was not concerned about position or recognition, but that his congregation understood his love for them, spending hours in personal visitation and counsel.

His desire was that they grow to know and appreciate the love which God in Christ Jesus shared with each. This dominated his personal witness. He was single-minded in seeking to unite persons with a loving heavenly Father from whom they might have become estranged, or whom they had never known personally.

"Gene," as he was known to his friends had several great loves in his life: he loved his God supremely; he loved his family with a passion and was extremely proud of his children, usually showing the latest pictures of them; and he loved sports greatly, particularly golfing, hunting, fishing, and flying. Except for the expense, he would have flown his own airplane everywhere he was expected to go.

He is survived by his beloved wife, Diane Clare Hime Tisdale, whom he married July 22, 1988; his children, the Reverend John K. Tisdale of Greensboro, Mrs. Nancy Jo Camp of Greenville, SC, Ginny R. Tisdale, J. Michael Tisdale. His step-children at home

are Ruth E., Owen J., Sara A., Jane M. and Alys L. Eslinger. He also was proud of his three grandchildren, Christopher, Derrick, and Stephanie Camp.

Surviving are his parents, Kenneth and Gertrude Tisdale; two brothers, Thomas P. Tisdale of Springfield, IL, and Donald K. Tisdale of Winston-Salem.

He served actively in the Boy Scouts, Red Cross, and United Way in communities in which he served. He was an active member of the Masonic Order. In the NC Conference, he served as a trustee of the Methodist Retirement Homes, and on numerous boards and agencies.

He died at New Hanover Hospital in Wilmington on May 1, 1993. At the Memorial Service in Burgaw on May 5, both Dr. Thomas Collins and the Reverend Richard Vaughan expressed gratitude for the love and support given to the Tisdales by the fine Christians at Burgaw and Watha churches.

This was one of the finest compliments which could be given a congregation. It was a service of praise and thanksgiving. Gene had found joy and satisfaction with the loving congregations, and the time to enjoy his family in these last years.

Consolation and assurance were offered to those attending, using Christ's words to His disciples in John 14. All were assured that Gene is now at peace because he both knew and shared the grace and mercy of the Lord during his lengthy ministry.

His cremated remains were interred at Alamance Memorial Park in Burlington on May 7 in a graveside service conducted by the Reverend Nathan H. Byrd. Words of love and appreciation were spoken by his brother, Thomas P. Tisdale, and the closing prayer was spoken by his friend, James Eskridge.

In one of his last conversations, Gene was quite up-beat and reminded friends at his bedside. "Remember, Christians never see each other for the last time." He lived, and died with that assurance. He believed in the Resurrection; he believed that Jesus Christ is love, and that because He lives we too shall live. In that faith he lived and died, and now lives eternally in that City whose builder and maker is God.

ROBERT EARL CUSHMAN

1913 - 1993

Robert Earl Cushman, a noted theological educator, died June 9, 1993, in Maine. He was 79. Cushman, professor emeritus of systematic theology and former dean at Duke University Divinity School, served for 26 years on the Divinity School faculty. In recent years, Dr. Cushman and his late wife, Barbara, had divided their time between their homes in Durham and Damariscotta, ME. Funeral services were held June 12, at 10 a.m. in Damariscotta. Burial was at the Cushman family cemetery in Manchester, VT. A memorial service was planned for October 25 at 5:00 p.m. at Duke University Chapel.

Divinity School Dean Dennis M. Campbell said, "Dean Robert E. Cushman made enormous contributions to Duke University and to the Divinity School. During his tenure as dean, the faculty was strengthened and significant physical expansion was achieved.

Dr. Cushman was also greatly appreciated as a teacher. Even in his later years, his students sought his advice and counsel.

"His influence was great also in the Durham community and the state of North Carolina. He was an early and strong advocate of civil rights and was one of the key leaders in the effort to desegregate Duke University. The entire Divinity School and Duke University communities are greatly saddened by the loss of this friend and figure of significance. Dr. Cushman left Durham only a month ago for his home in Maine. At that time he was vigorous. His health declined very rapidly. We will miss him."

A native of Fall River, MA, Cushman was educated at Wesleyan University, Middletown, CT. Born December 26, 1913, the son of Methodist Bishop Ralph S. and Mrs. Maude Hammond Cushman, he received the bachelor of divinity from Yale Divinity School (1940) and went on to earn the Ph.D. at Yale University in 1942. He later received an honorary doctorate (L.H.D., 1966) from Belmont Abbey College.

Cushman served for a year as instructor in theology at Yale University and then taught for two years as professor of religion at the University of Oregon. In 1945, Cushman joined the faculty of Duke Divinity School. In 1958, he was appointed to the deanship of the Divinity School and served until 1971, when he returned to full-time teaching and research.

Dr. Cushman was known to his colleagues as a leader with broad vision, concerned not only with the present, but also with the past and future of the Divinity School. Under his leadership an expansion program was begun in 1964, culminating in the addition of the New Divinity building in 1972. In addition, his enthusiastic support was decisive for the beginning of the Ministerial Education Fund in The UMC; through this fund the church provides financial support for its ministerial candidates in UM seminaries.

A member of Phi Beta Kappa, Duodecim Theological Group, and the American Theological Society, Dr. Cushman was an active scholar. He published books, book chapters, and journal articles widely in the field of theology, among them his book *Therapeia: Plato's Conception of Philosophy*. Two books were published since his retirement, *Faith Seeking Understanding: Essays Theological and Critical* (Duke University Press, 1981), and *John Wesley's Experimental Divinity: Studies in Methodist Doctrinal Standards* (Abingdon Press, 1989).

Dr. Cushman was ordained a deacon in 1938 and an elder in 1940. He became a member of the Genessee Conference in 1939. He transferred into the NC Conference in 1950 and he retired from the NC Conference in 1979. He served the church in many capacities. He was actively involved in ecumenical dialogues, and served as a delegate to the World Conference on Faith and Order in Lund, Sweden, in 1952 and in Montreal in 1963. He was a permanent member of the North American Commission on Worship for the World Council of Churches and was a Protestant observer at the Second Vatican Council held in Rome in 1964. Dean Cushman worked on the executive committee of the Methodist Church's Commission on Ecumenical Affairs. A delegate to the 1964 General Conference of the Methodist Church, he was also active in the North Carolina Conference's Board of Education. As dean of the Divinity School, Dr. Cushman provided national and international leadership to theological education, and was a member of the American Association of Theological Schools' executive committee.

On September 12, 1936, Dr. Cushman married Barbara Priscilla Edgecomb. She died on July 6, 1992, preceding her husband in death by 11 months. Dr. Cushman is survived by a daughter, Elizabeth Jane of Portland, ME; and two sons, the Reverend Robert Earl Cushman, Jr., of Damariscotta, ME; and Thomas Spaulding Cushman of Alexandria, VA.

MILDRED LUCILLE VINSON KINLEY

1923 - 1992

Mildred Lucille Vinson Kinley was born May 3, 1923 in Johnston County. She was the daughter of Johnnie Calvin Vinson and Mary Lena Wallace Vinson. She was one of five children, an older brother and three younger sisters. Her great-grandfather was a minister in the Free Will Baptist Church. Three of the four girls in her family were to grow up and marry ministers.

Mildred grew up around Smithfield and Four Oaks. Her father died in 1938 as the result of an automobile accident. Her mother continued to live in the same community of Hopewell. She married again and became Mrs. George Massengill. Mildred graduated from Smithfield High School and took a course in Business Education at Campbell College (now Campbell University).

It was while working as a bookkeeper in the Bladen County Office of Education in Elizabethtown that she met Grady Lee Kinley, a young minister on the Bladen Charge who had recently graduated from Duke Divinity School. They were married on January 18, 1953 after Grady moved to Burgaw. To this union was born a daughter, Mary Susan, on June 5, 1957.

For 32 years Mildred lived in a dozen different parsonages in eastern NC. She was active and supportive of her husband's ministry in the local churches they served. Her special interest was the WSCS (now known as UMW). She sought to encourage the local church women to follow more closely the prescribed organizational set-up for the Society rather than the independent local practices of many of the groups. She held several local church offices in the Woman's Society and participated in women's meetings on all levels across the Conference. Through the years, she attended many church conferences, convocations, workshops, etc. and was involved in many ways.

Her second interest was that of improving the parsonages in which she lived. She always left the parsonage home clean and tidy when she moved out.

Mildred and Grady retired at Annual Conference in June of 1985 and moved to Goldsboro to live. Mildred united with the New Hope UMC and was a member there until her death.

It became necessary for Mildred to spend some of her time during the first two years of her retirement caring for her mother in Smithfield. Her mother died on July 14, 1987. A little more than a year later Mildred's own health began to deteriorate. Then for almost four years, in good faith, she patiently and without complaint, battled her own illness. Death finally came quietly in Wayne Memorial Hospital during the early evening of July 4, 1992.

Mildred's funeral service was conducted by her pastor, the Reverend Alan Swartz, assisted by Goldsboro District Superintendent Malloy Owen III. The service was held at 11:00 a.m. on July 7 in the chapel of Seymour Funeral Home in Goldsboro. Interment was later that same day in the cemetery of Hebron UMC, south of Mebane. Final graveside rites were conducted by the Reverend Carson S. Tyson, pastor of Hebron UMC.

Mildred is survived by her husband, the Reverend Grady L. Kinley; a daughter, Mrs. Mary K. Warren; son-in-law, William Durcan Warren; and grandson, Robert Alexander Warren.

And now, as we bring this memorial sketch to a close, we say farewell and may you rest in peace until the dawn of the Resurrection Morning when we shall all be reunited.

Grady Kinley

BARBARA PRISCILLA EDGECOMB CUSHMAN

1913 - 1992

Barbara Edgcomb Cushman, born August 5, 1913, was a native of Rumford, ME. She received her education at Stephens High School, graduating as valedictorian of her class. She graduated from the Eastman School of Music at the University of Rochester in 1935, and had her first professional employment as a teacher of voice and choral music at the High School and Junior College of Montpelier, VT.

Following her marriage on September 12, 1936 to Robert Earl Cushman, she became director of the children's choir and youth organization at South Meriden Methodist Episcopal Church, CT, of which her husband was student pastor, 1936-1940. She also directed the children's choir at Trinity UMC in Durham where she further advanced the cause of Christian choral music and the role of the choir. During the 1950's, Mrs. Cushman gave private piano lessons, and in the 1960's, she taught voice at Duke University School of Music. In 1982, Mrs. Cushman composed a hymn for Trinity Church's sesquicentennial.

Mrs. Cushman was a member of "The Three Arts Society" of Duke University, women devoted to the cultivation of the arts, which she served as president. She was also president of the Women's Faculty Club of Duke University; a long-time member of that society's "Study Club;" a founding member of "Women in Action to Prevent Violence;" and an active participant in "Durham Congregations in Action" of which she was a formative supporter. Mrs. Cushman's love of entertaining was exemplified in the cookbook she compiled: *The Now and Then Cookbook - A Forty Year Recollection in Tastes*.

Mrs. Cushman died July 6, 1992. She is survived by her husband, Dr. Robert E. Cushman, long-time dean of Duke University Divinity School (and who died 11 months later on June 9, 1993); her elder son, the Reverend Robert E. Cushman, Jr., of Damariscotta, ME, and vicar of St. Columba's Episcopal Church, Boothbay, ME; the Reverend Thomas S. Cushman, associate rector of Christ Episcopal Church, Alexandria, VA; and Elizabeth Jane Cushman Johnston; together with their nine grandchildren.

A Service of Death and Resurrection was conducted at Trinity UMC in Durham on July 9 with the Reverend H. Gray Southern, officiating. Interment was on July 27 in the Cushman family site, Dellwood Cemetery, Manchester, VT, with relatives and friends present. The service was conducted by Barbara's sons, Robert Jr., and Thomas Cushman, both ministers of the Episcopal Church.

The Family

MILDRED PEARL FERNEAU LEONARD

1910 - 1992

Mildred Ferneau Leonard, wife of Orville E. Leonard and the daughter of the late Reverend and Mrs. Clint Ferneau, was born March 20, 1910 in Cynthiana, OH. Reverend Ferneau was pastor of Cynthiana CCCU for many years. Mildred was a missionary and member of World Gospel Missions. Her long and faithful life ended July 30, 1992 when she went to be with the Lord.

Funeral services were held in Trinity-On-The-Hill UMC, Augusta, GA, with the Reverend Gary Parrish and Dr. Robert L. Taylor officiating. Interment was in Westover Memorial Park in Augusta. Survivors include her husband, Orville E. Leonard of Augusta; son, James of St. Simons Island, GA; daughters, Hope Robinson of Fairfax, VA, Faith Bishop of Martinez, GA, and Love Hinshaw of Burlington. There are 13 grandchildren and six great-grandchildren.

After completing her education at Vennard College, IA, Mildred answered a call to Los Angeles Peniel Mission for a year. She received a call for Africa during a revival at Chicago Evangelistic Institute. The background was made seven years prior to the mission call at the age of 17 when she gave the Lord full control of her life. Being a consecrated Christian, she was willing to do what she needed to do and go where she was called to go. Mildred left for Africa on December 16, 1935 by way of Seattle, Washington; Kobe, Japan, and Tiensin, China, visiting missionaries along the way, and arrived in Kenya, Africa, in early 1936. She left behind her fiance, Orville Earl Leonard, with the hope that he would be able to join her on the mission field at a later date. Mildred was the first World Gospel Mission nurse to Kenya, and after two months in Tenwek, operated a clinic in very crude quarters. The first year there were babies to deliver, dysentery to treat, malaria, burns, and many cases of bronchial pneumonia among the young children.

Exactly one year after her arrival, Reverend Orville E. Leonard also was sent to the mission field in Kenya. They were united in marriage on April 8, 1937 in a little thatched roof church at the Africa Inland Mission in Letein, and set up housekeeping in a small corrugated iron house. In addition to working in the dispensary, Mildred had charge of the girls school in Tenwek where she held Bible classes and devotionals, taught cooking and hand sewing, and taught the practice of good hygiene. Many of these girls became good Christian leaders among their people.

The Leonard marriage was blessed with two of their children, Hope and Faith, being born at the mission field dispensary.

Due for furlough, the Leonards returned home as World War II was in progress. They could not return to Africa, but answered the call to the Mexican Field where Reverend Leonard was the founder of the work of World Gospel Missions on the Texas-Mexican border. Sometime later the Leonards opened missionary work in Cuba. Their entire life was dedicated to Christian service, and during their work in the mission field they were involved in medical work, and building churches and schools.

Mildred Leonard was a dedicated missionary and a marvelous instrument of God's purpose, a gifted Bible scholar and teacher, a great source of inspiration and support to her minister/missionary husband, a loving wife, mother, and grandmother. Her talents and capabilities prepared her to serve in many capacities in the mission field and ministry. She used her musical talents to great advantage by playing several instruments for the work of the Lord. Mildred was graced with the sweetest smile radiating an inner glow which was a reflection of her love and commitment to her Lord and Saviour, and indeed a divine gift granted by God. This was noted by many people upon meeting and being around her. The lives she has touched have been made richer by her example of faith, courage, patience and loving service. Her consecrated life was truly adorned with all of the Christian virtues and graces.

After spending many years on the mission field, she faithfully supported Reverend Leonard's ministry while serving pastorates in the Methodist Church in North Carolina, Alabama, Florida, and Georgia.

Following retirement, the Leonards lived in Augusta, where they enjoyed their home, family, and church activities. They were actively involved in holding Bible studies and mission work on the homefront. This happy and devoted couple celebrated their 50th wedding anniversary on April 8, 1992 with family and friends, just a few months before Mildred was called to her heavenly home.

Charles Wesley's hymn said it well when he wrote:

"Servant of God, well done; Thy glorious warfare's past.

The battle's fought, the race is won, And thou art crowned at last."

SALLIE SMITH GATTIS POE

1907 - 1992

Sallie Smith Gattis was born in Richmond, VA, on August 24, 1907. She was the daughter of Cyrus W. Gattis and Lula Carden Gattis. She was the granddaughter of the Reverend T. J. Gattis and the Reverend J. J. Carden, both Methodist preachers. She lived in Durham and was chief operator of the Durham Telephone Company at the time of her marriage to the Reverend John Robert Poe on November 26, 1936.

Together they served appointments in Hatteras, Aulander, Newport, Trenton, Swepsonville, West Burlington, Fuquay Springs, St. Paul, and Trinity in Raleigh, until John's retirement in 1973.

Wherever John and Sallie were assigned, Sallie would say to him, no matter what the conditions: "This is where God has sent us, these are good people, this is a nice parsonage, and John, you are the best preacher in the NC Conference and you will do a great work." She believed her words and lived by them. She always kept busy, but preferred to stand in the shadow of John. She was active in every program of every church. She served as Sunday School teacher, in WSCS, in MYF, and also took food to

those in need, trouble, or sorrow. Sallie not only made her home a place of love and respect, but she was a joy and inspiration to all.

Sallie's children showed their appreciation, and John always praised her. I once overheard a conversation in which two ladies were talking. One said, "I wish I could believe that my husband would say so many nice things about me as John says about Sallie." Although they didn't always agree, John vows and declares that in 55 and 3/4 years of marriage they never raised their voices at each other. Sallie was loving, sharing, caring, and concerned about everybody she met. John could not have had a better wife!

She was a living witness that you can keep the greatest two commandments: She loved the Lord with her heart, soul, mind, and strength, and her neighbor as herself. Sallie's real life was in Christ Jesus, and now she is with Him to share His glory.

For the Christian, don't you believe that a part of heaven is an amplification of all your good qualities, your Christ-like qualities? Sallie had a special code of Christian moral ethics and values that influenced all those who knew her. She loved her family dearly and wanted to remain with them as long as possible. Both John and Sallie signed living wills, and when her body was trying to die and set the soul free to be with our Lord, she wanted to meet her Savior with dignity. Now there is a life of eternal joy and peace for her.

She died at the Brian Center in Durham on August 21, 1992. Funeral services were held in St. Paul UMC in Durham on August 22, 1992, with the Reverend Frank Lloyd and Dr. Sam Dodson officiating. Burial was in Maplewood Cemetery in Durham.

She is survived by her husband, John R. Poe; a son, John R. Poe, Jr., admissions director of the NC School of Mathematics and Science in Durham; a daughter, Susan F. Poe, an attorney with the Internal Revenue Service in Washington; a daughter-in-law, Dr. Rose Etheridge of Chapel Hill and the Research Triangle Institute.

SHIRLEY ANN CUNDIFF BETHEA

1931 - 1992

Shirley Ann Cundiff Bethea was born May 15, 1931 in Booneville, the daughter of Thad W. and Hallie Brown Cundiff. Graduating from high school in Booneville, Shirley was graduated from Bennett College in Greensboro. She was married to Joseph B. Bethea on June 7, 1958. Their union was blessed with the birth of a daughter, Josefa Elizabeth.

Shirley served the church alongside her husband in their appointments to local churches in Elkin, Jonesville, Reidsville and Greensboro; to the Virginia, Rockingham, and Raleigh Districts; to the staff of Duke University Divinity School; and to the Columbia Episcopal Area in South Carolina. She shared her gifts and abilities with UMW, Clergy Spouses and other organizations, in congregations and at the district, conference, and general church levels of the church.

She also had her own career in public education. After teaching in Scotland County, Reidsville, Greensboro, Rockingham, Raleigh, and in Richmond, VA, Shirley retired and

became a full-time volunteer in a variety of ministries of The UMC and in several community and service organizations. She served on a number of boards of directors, including Epworth Children's Home, Columbia Urban League, Bethlehem Center of Columbia, and Killingsworth Home of Columbia. Her life of unselfish service was recognized in 1992 when she received the John H. Whiteman Award "in recognition and appreciation of her dedication and outstanding service to the Columbia Urban League, Inc.," and the honorary degree of Doctor of Humane Letters from Claflin College in Orangeburg, SC.

Shirley died at Richland Memorial Hospital in Columbia on September 19, 1992. Two services were held to worship God and celebrate her life. The first service was held at Shandon UMC, Columbia, SC and was led by Bishop L. Scott Allen, Bishop Ernest W. Newman, Dr. Theodore H. Walter, superintendent of the Columbia District and Cabinet secretary, and R. Augustus Rodgers, pastor of I. DeQuincy Newman UMC.

The second service was held at Shirley's home church, First Presbyterian in Booneville, and was led by the Reverends Calvin Crump, James W. Ferree, Glenn A. Brooks, James W. Gwyn, and James H. McCallum. Burial was in the First Presbyterian Church cemetery.

In addition to her husband, Joseph, and daughter, Josefa, she is survived by her mother, Hallie B. Cundiff, of Booneville; and a brother, Kenneth B. Cundiff of Stafford, VA. Two brothers, Richard N. Cundiff and James W. Cundiff, preceded Shirley in death.

*If I can help somebody as I pass along,
If I can cheer somebody with a word or song,
If I can show somebody he's traveling wrong,
Then my living will not be in vain.*

BESSIE BELLE HAVNER HOWARD

1897 - 1992

Bessie Havner Howard, widow of the Reverend W. E. Howard was born July 18, 1897 in Iredell County. She was oldest of three children born to the Reverend J. J. Havner and Ada Shuford Havner.

Mrs. Howard received her education in the public schools and was graduated from Rutherford College in 1920. There she met William Elmer Howard, a student, and they were married December 21, 1920. They began their lives together as teachers. Their union was blessed with one daughter, Juanita Howard Stephenson of Mt. Olive.

In 1935 Mr. Howard decided to become a laborer for God in His ministry. In November of 1938 the NC Conference appointed him to serve as pastor of the Seven Springs charge. Other appointments they served together were Mt. Olive Circuit, Trenton, Fremont, Eastover in Fayetteville, Carthage, and Benson.

Bessie Howard was a wonderful minister's helpmate and partner. She shared her husband's ministry through the frequent and regular home visitation program which was

a hallmark of their ministry. Mrs. Howard was a faithful member of the Woman's Society of Christian Service and was bestowed a lifetime membership. Mrs. Howard's love of music was demonstrated by her participation with numerous choirs and youth groups.

Reverend Howard retired from the NC Conference in 1961, and they made their retirement home near Mt. Olive until he preceded her in death on February 4, 1968. She continued to teach music until she moved to the Methodist Retirement Home in Durham in April of 1976.

After a very full and rich life of Christian service and Christian living, Mrs. Howard passed away November 22, 1992 at the Methodist Retirement Home in Durham. The family received friends and relatives at Tyndall Funeral Home in Mt. Olive. Graveside services were conducted by the Reverend Joseph E. Kossan of Mt. Olive. She was buried at Wayne Memorial Park in Goldsboro next to her husband.

Mrs. Howard is survived by her daughter, Juanita Howard Stephenson; five grandchildren; and six great-grandchildren.

JEAN FAYE BRAXTON HANFORD

1932 - 1992

Jean Faye Braxton was born on November 7, 1932 to Ernest Moore Braxton and Lillie Hudgins Braxton of Burlington. Jean graduated from Burlington High School in 1951. She grew up attending Davis Street Methodist Church where she met her future husband, Gordon Talmage Hanford. Both Jean and Gordon were active in the choir and Youth Fellowship at Davis Street, and they were married there on September 5, 1953.

During the first 20 years of their marriage, Gordon worked primarily in the brick industry, starting out in his family's business, Hanford Brick Company. Jean devoted her time to raising their three daughters. They were active church members, first at Davis Street, then at Trinity (now Emmanuel UMC) of Burlington, and later at Bethesda UMC in Durham.

Gordon received his license to preach in 1971, attended Duke Pastor's School, and received his first appointment in 1973. He served at the following churches: the Piney Grove-Hickory Grove-Zion charge in the Sanford District (1973-1979); the Currituck Charge of Mt. Zion and Hebron in the Elizabeth City District (1979-1984); and the Bath and Bethany Churches in the Greenville District (1984-1985).

Jean was an integral part of her husband's ministry. She lovingly devoted her time and skills to the church choirs and the UMW.

Gordon passed away on June 25, 1985 during his ministry to the Bath and Bethany churches. Following the sudden loss of her husband, Jean decided to return to the Burlington area.

She again became active at Hickory Grove UMC of Liberty, one of Gordon's first churches. There she served as church treasurer, president of the UMW, as a choir

member, and on various church committees. She became employed as a file clerk at Carolina Biological Supply of Burlington.

Jean died on December 29, 1992 at Alamance County Hospital, following a 13 month battle with cancer. The funeral service was held at Hickory Grove and conducted by their pastor, the Reverend Gene Goldfinch, and lay speaker, L. M. Lutterloh. Jean was buried at Hickory Grove beside her husband, Gordon, and near Gordon's great-grandparents.

Surviving are Jean's three daughters, Cynthia Faye Hanford of Liberty, Susan Hanford Trogdon of Randleman, and Janet Mae Hanford of Greensboro; three grandchildren, Joanna, Samuel, and Seth Trogdon; stepmother, Gyrle Brown Braxton of Liberty; and sisters, Mrs. Lula Mae Fuquay of Burlington, and Mrs. Nellie Farrell of Swepsorville.

Jean will be remembered for her devotion to her family and her church. She went beyond putting the needs of her husband, children, and church above her own - their needs became her needs. She worked hard without ever complaining, even during her painful battle with cancer. She is greatly missed.

MARY ANN TUCKER PORTER

1911 - 1993

Mrs. Mary Ann Tucker Porter was born August 14, 1911 in Granville County, daughter of Richard Tucker and Mattie King Tucker. She passed away on February 11, 1993 in Brian Care Center of Hertford following many months of declining health. Funeral services were held at graveside with her pastor, the Reverend Ray Wittman of Hertford UMC, officiating. She was laid to rest in Cedarwood Cemetery in Hertford.

Mrs. Porter was married on June 21, 1941 to Paul McKinley Porter, for many years an engineer before joining the NC Conference as a full-time pastor. He preceded Mrs. Porter in death on February 1, 1971.

She is survived by one daughter, Alma B. Hooper of Chesapeake, VA; two granddaughters; and six great-grandchildren.

Mrs. Porter shared ministry with her husband in the NC Conference for many years until his retirement in 1957. She was a life member of the Woman's Society of Christian Service, an honor bestowed upon her for her long and active support of the women's work in the churches with which she was associated. She also was a member of the Hertford UMC in Hertford.

During the years of her retirement, Mrs. Porter remained active in church and social activities. Communing with the membership of the church and visiting with those she held close over the years, she will be well remembered by all who knew her and by those she touched throughout her life.

Mrs. Porter will be missed very much by her family and many dear friends. In remembering her, we pause to think of her favorite verse from the Gospel of John, Chapter 3, Verse 16:

"For God so loved the world, that He gave His only begotten Son,
that whosoever believeth in Him, should not perish, but have everlasting life."

YUN HWA LEE

1926 - 1993

Yun Hwa Lee was born August 27, 1926 at just above the 38th parallel, the daughter of wealthy farmers. She was married to Samuel Sunghwam Lee on April 5, 1944. He studied theology at the Methodist Seminary in Seoul from 1945 - 1952, as well as serving as signal army officer from 1950 - 1954.

After the Reverend Samuel Lee was discharged from the Army, Yun Hwa Lee traveled with her husband, serving as a pastor's wife for 40 years in five different churches in Korea, including general director's wife of the Pastor's Retreat Center of the Korean Methodist Church for six years in Taejon, Korea.

They traveled to the United States where Reverend Lee ministered to a Korean-speaking church. He itinerated five different churches in five different conferences, i. e., East Ohio, Oklahoma, North Texas, Florida, and North Carolina.

During the many years Yun Hwa Lee served as a co-worker with her husband, she raised six children, five boys and one girl. Being a faithful Christian, she found much comfort in prayer and scripture, and also much delight in raising vegetables in her garden.

In December of 1992, Yun Hwa Lee became ill and was hospitalized in Fayetteville for surgery. At this time, it was determined that she was suffering from colon cancer. She was so weak that she was unable to walk again after the surgery.

Yun Hwa Lee passed away on March 5, 1993 in Los Angeles, CA, where they had gone for cancer treatment and to be near their children.

She is survived by her husband, the Reverend Samuel S. Lee of Fayetteville; three sons in Korea; two sons in Los Angeles, CA; and one daughter in Dallas, TX. Yun Hwa Lee was very proud of her children, knowing that each of them were grown, educated, married, and leading dedicated, faithful Christian lives.

Samuel Lee grieves in knowing that although Yun Hwa Lee spent her life serving others, there was never time allowed for recreation or travel. It was always her desire to return to her native Korea, but due to the many commitments here and financial considerations, she was never able to do so. Reverend Lee is especially saddened as he had planned to take her to visit Korea after his retirement from the ministry, which was scheduled for 1994.

KATHARINE McLEOD WILSON

1939 - 1993

Katharine McLeod Wilson was born July 30, 1939, in Raleigh to Ollen D. and Christie Maynard McLeod. She died March 13, 1993 in Chattanooga, TN, following a courageous battle with Amyotrophic Lateral Sclerosis (ALS, better know as Lou Gehrig's Disease). A memorial service was conducted at Signal Crest UMC, Signal Mountain, TN, by the Reverend James Whedbee, minister of Signal Crest UMC, the Reverend Gordon Ridenhour, minister of Concord UMC, Knoxville, TN, and the Reverend Canon J. Thompson Brown, minister of Cathedral Church of the Advent, Birmingham, AL. Another service was conducted at Hayes Barton UMC in Raleigh by the Reverend Dr. Charles M. Smith, minister of Highland UMC in Raleigh, and the Reverend Dr. James D. Ford, chaplain of the US House of Representatives. Interment followed at Montlawn Memorial Park in Raleigh.

Kit met her husband, Arthur John (Jack) Wilson III, at Needham B. Broughton High School in Raleigh. Following her graduation from St. Mary's Junior College in Raleigh, they were married on August 24, 1959. She was a devoted wife and gave her full support to Jack's study for the ministry at Duke Divinity School in Durham. Their first pastoral appointment was at Jenkins Memorial UMC in Raleigh. Later, he joined the Duke University Chapel staff as assistant chaplain. Subsequently, he served as assistant chaplain at the US Military Academy at West Point, NY, and as chaplain resident at the National Institute of Mental Health in Washington. In 1973, they moved to Signal Mountain near Chattanooga, TN, where he assumed the position of chaplain at the Moccasin Bend Psychiatric Hospital and later director of Pastoral Services for the Greenleaf Health Systems, Inc.

Survivors are her husband; children, Katharine Wilson Gotwals (b. 1960) of Swarthmore, PA, a development officer with the Philadelphia Museum of Art; Julia Wilson Starke (b. 1962) of Montgomery, AL, an artist; and John McLeod Wilson (b. 1969) of Montgomery, AL, an accountant; grandchildren, Christie Sutherland Bryan (b. 1986), Mary Katherine Virginia Bryan (b. 1988), Julia Ann Starke (b. 1987), and Elizabeth Lundy Starke (b. 1990); her sister, Dr. C. Neill McLeod; and her mother-in-law, Julia Lundy Wilson, both of Raleigh.

Kit always enjoyed a sphere of influence and exerted quiet leadership in each community in which she lived. She was president of her garden club in Durham and active in the West Point Hostesses and the Cadet Chapel Altar Guild at West Point. On Signal Mountain, she accepted the challenge of directing her church's education and child day care programs. As director of the Signal Crest UMC Nursery and Pre-School, she devoted 11 years to the task of upgrading the program's standards in curriculum design, the employment of teachers and staff, and the improvement of equipment and facilities.

She attended the University of Tennessee at Chattanooga as a student in early childhood education. This experience enabled her to develop a premier pre-school program in the Chattanooga area. Her spirit of magnanimity and charity was evidenced

by her development of funding for needy pre-schoolers. The Signal Crest Nursery and Pre-School Scholarship Fund was recently renamed the Kit Wilson Scholarship Fund.

Her achievements portray a woman of intelligence and leadership; yet, they only hint at the measure of the woman we all knew and loved - a woman whose family came first, a woman who supported her husband totally but who maintained a sense of self, a woman who set high standards for others to follow. She did this with grace and dignity, sensitivity, honor and loyalty. Kit exemplified the words of St. Paul: "...faith, hope, love...these three; but the greatest of these is love."

A good friend...she will be missed.

Her Sister

1907 - 1993

She was married to the Reverend Clyde Stewart Boggs on August 3, 1934. She was very active in every church and community in which the Boggs lived. During her years as a minister's wife, she lived the Christian commitment, and shared ministry for almost 40 years with her husband at appointments in Newport, 1937; Aurora, 1941; Chaplain, USA, 1943; Lakewood in Durham, 1946; Mt. Gilead, 1951; Haymount in Fayetteville, 1954; Clinton, 1957; Wilmington District Superintendent, 1961; Steele Street in Sanford, 1961; and Richlands, 1970.

Upon retirement in 1973 the Boggs settled in Wilmington until their final move to the Methodist Retirement Home in Durham in 1992.

Mrs. Boggs' life was brought to a close on March 16, 1993 at Coble Nursing Home in Durham. The funeral service was held at Trinity UMC in Wilmington with the Reverend Wilbur C. Teachey officiating. Her body was placed to rest at Greenlawn Memorial Gardens in Wilmington.

She is survived by her husband who remains at the Methodist Retirement Home in Durham; two children, James Boggs of Versailles, KY, and Juanita Bowman of Wilmington; six grandchildren and six great-grandchildren.

Her Daughter

WILLIE JANE POPE BROCK

1908 - 1993

Willie Jane Pope Brock was born September 27, 1908 to George C. Pope and Catherine Dudley Pope in Clinton, Sampson County. Mrs. Brock passed away on April 2, 1993, at Brunswick Cove Nursing Home in Wilmington. The funeral service was held at Andrews Mortuary, Wilmington, on April 4 with a graveside service following at the family burial plot in the Clinton Cemetery, Clinton. The Reverend Michael H. Elliott of Sunset Park UMC in Wilmington presided at both services.

Willie Brock attended public school in Clinton. She married Leon Moran Brock on April 17, 1927. They made their home in Clinton until Mr. Brock entered the full-time ministry with The United Methodist Church. Reverend Brock served the following churches: Seven Springs Charge; Salemburg Charge; Rocky Point Charge; Oleander UMC, Wilmington; Hallsboro Charge; Shiloh UMC; and Bolton UMC.

Mr. Brock retired in 1975, and they were members of Sunset Park UMC when Mrs. Brock died.

Mrs. Brock is survived by her husband, the Reverend Leon M. Brock of Brunswick Cove Nursing Home of Wilmington; two daughters, Wanda Brock Pittman of Wilmington, and Catherine Brock Tart of Wendell; and three sons, Leon M. Brock, Jr., of Stedman, Donald G. Brock of High Point, and Willie R. Brock of Wilmington. She also is survived by 10 grandchildren, and six great-grandchildren.

Special notations from the children:

Having been raised on a farm in Sampson County, Mom always enjoyed the simple way of life with her family as her special focal point. She enjoyed crocheting, sewing, and most of all preparing large meals on the weekends when her children would come to visit.

She was a very loving and caring person who enjoyed being around people. Reading her Bible and attending church was a big part of Mom's life. She was very supportive of our Dad in his pursuit of becoming an ordained minister, and she was an inspiration to him throughout his ministry. When Dad was transferred from one church to another she felt as though she were leaving part of her own family behind, but in no time she made new friends at the new church while always keeping in touch with those friends she had left behind.

Mom lived her life serving her God and being an inspiration to her children. She'll make a wonderful angel. Heaven shines a little brighter now.

These financial statements are the responsibility of the Conference's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of North Carolina Conference, Southeastern Jurisdiction, of The United Methodist Church, at December 31, 1992, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles.

NOTES TO FINANCIAL STATEMENTS

Note 1. Nature of Business and Significant Accounting Policies

Nature of business:

The Conference was established to handle transactions for the operations and programs sponsored by approximately 840 churches in Eastern North Carolina. The Conference also administers the Annual Conference and collects funds from the general and jurisdictional conferences and forwards these funds to the designated recipients. Fund transactions included within this report represent all funds administered by the Conference Treasurer, except for the United Methodist Foundation, Inc. and the Board of Missions, Inc.

A summary of the Conference's significant accounting policies follows:

Fund accounting:

To ensure observance of limitations placed on the use of resources available to the Conference, the accounts of the Conference are maintained in accordance with the principles of fund accounting. This is the procedure by which resources for various purposes are classified for accounting and reporting purposes into funds established according to their nature and purposes.

The assets, liabilities and fund balances of the Conference are reported in two Council on Finance and Administration-designated self-balancing fund groups:

- Annual Budget Funds, which are represented by various annual funds, are determined by the Annual Conference. These funds are raised by member churches.
- Special Funds are funds created by the Conference for special purposes.

Other accounting policies:

Land, buildings and equipment are recorded at cost since 1983. Prior to 1983, if historical costs were unavailable, another reasonable basis was used.

Church properties assumed by the Conference as well as land donated to the Conference are stated at their estimated fair value at the time of receipt.

Depreciation is computed using the straight-line method over the following estimated useful lives:

	<u>Years</u>
Buildings	30 - 40
Improvements to buildings	10 - 40
Furniture and equipment	5 - 15

Investments are recorded in the financial statements at the lower of aggregate cost or fair market value. Gains are recognized when securities are sold and losses are recognized either when securities are sold or the aggregate cost exceeds aggregate fair market value. The cost of securities sold is determined using the specific-identification method.

The expenditures for each year are financed principally by funds received from revenue from apportionments of the previous year. Accordingly, the revenue shown in the accompanying Statement of Revenue, Expense or Distribution and Fund Balances will be available for operations budgeted for the ensuing year.

Note 2. Cash

Arrangements with banks for investment of excess funds require minimum cash balances of \$300,000 to be maintained. All cash deposits are legally subject to withdrawal without penalty. Funds invested in this program each business day are available for immediate withdrawal the next business day. There was no invested cash in this program at December 31, 1992.

Note 6. Pensions

In 1981 the Conference began participating in multiemployer pension plans provided by the General Board of Pensions. Two defined contribution plans provide benefits for Clergy as follows for all service after December 31, 1981.

The Ministers Pension Plan provides monthly retirement benefits for bishops of The United Methodist Church elected by a Jurisdictional Conference, clergy members of an Annual Conference and local pastors of The United Methodist Church under episcopal appointment or those eligible for appointment to a charge. Funding in 1992 is based on 12% of plan compensation.

The Comprehensive Protection Plan provides death, disability and educational benefits for all individuals eligible to participate in the Ministers Pension Plan. Funding is based on 4.4% of actual plan compensation.

Beginning January 1, 1990, the employers of plan participants collect the required contributions for the defined contribution plans described above from the plan participants and remit all collections directly to the General Board of Pensions.

The plans also provide defined benefits in accordance with their predecessor plan, The Ministers Reserve Pension Fund. All plan participants as of December 31, 1981 entitled to receive benefits from The Ministers Reserve Pension Fund will receive upon retirement a monthly retirement benefit, disability, surviving spouse and surviving children benefits. Benefits are based on years of service and an approved pension rate. The pension rate is based on a percent of the Conference Average Salary. Benefits are subject to certain reductions if the participant retires before reaching age 65.

The Conference agreed to fund the prior service liability for service years prior to 1982. On January 1, 1993, the net unfunded liability based on a pension rate of 3.05 was \$25,893,786. Current expense for prior service liability was \$1,908,095. The amount paid to fund the unfunded prior service liability is determined annually by the General Board of Pensions. The Conference amortizes prior service cost over a 30-year period.

Note 7. Related Party Transactions

United Methodist Foundation, Inc.:

The United Methodist Foundation, Inc. was established primarily as an investment pool available for organizations, churches and agencies related to the North Carolina Conference, Southeastern Jurisdiction, of The United Methodist Church. Accounts receivable of \$352,340 from the Foundation represent dividends due to various funds of the Conference for 1992. Accounts payable of \$1,908,095 to the Foundation represent payments of 1992 pension expense by the Foundation on behalf of the Board of Pensions. Transfers for these balances are made according to the unit investment policies of the Foundation.

Board of Missions, Inc.:

The Board of Missions, Inc. was established primarily to encourage the construction of new churches and the remodeling and repair of existing facilities by providing financial assistance to Churches established in Eastern North Carolina. Accounts receivable from the Board at December 31, 1992 was \$299,051.

Note 8. Commitments

The Conference provides group health, life and dental plans for Conference employees and local church pastors and lay employees. The Conference has elected to self-insure the health and dental plans with an administrative services only (ASO) contract. Under this program the Conference paid claims of \$2,623,994 in 1992. INDEPENDENT AUDITOR'S REPORT

To the Unitholders of United
Methodist Foundation, Inc.
Raleigh, North Carolina

We have audited the accompanying statements of net assets of the United Methodist Foundation, Inc. as of December 31, 1992 and 1991, and the related statements of operations and changes in net assets for the years then ended. These financial statements are the responsibility of the Foundation's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audits in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets of the United Methodist Foundation, Inc., as of December 31, 1992 and 1991, and the results of its operations for the years then ended in conformity with generally accepted accounting principles.

NOTES TO FINANCIAL STATEMENTS

Note 1. Nature of Operations and Significant Accounting Policies

Nature of operations:

United Methodist Foundation, Inc. was established primarily as an investment pool available for organizations, churches and agencies related to the North Carolina Conference, Southeastern Jurisdiction, of the United Methodist Church. The Foundation also receives gifts and bequests on behalf of the member organizations.

A summary of the Foundation's significant accounting policies follows:

Valuation of securities:

Investments in fixed income securities and common stocks are stated at market value, based on closing prices reported on National Securities Exchanges on December 31, or at the last bid price, for over-the-counter securities. Investments in real estate mortgages are stated at the lower of aggregate cost or market.

General:

The Foundation follows the accounting practice of "equalization" whereby undistributed investment income per unit is unaffected by sales or redemptions of units.

Security transactions are accounted for on the trade date. Dividend income is recorded on the ex-dividend date.

Realized gains and losses from security transactions are reported on the first-in, first-out basis.

Note 2. Securities Transactions

Purchases and sales of investment securities for the year ended December 31, 1992 and 1991 were as follows:

	<u>1992</u>	<u>1991</u>
Cost of purchases:		
Short-term investments	\$14,899,002	\$16,976,262
Other securities	9,207,531	9,901,267
	<u>\$24,106,533</u>	<u>\$26,877,529</u>
Proceeds from sales:		
U.S. Government securities	\$ 1,095,000	\$ 5,542,177
Short-term investments	16,946,765	14,912,934
Other securities	4,694,966	7,334,992
	<u>\$22,736,731</u>	<u>\$27,790,103</u>

Note 3. Restricted Assets and Obligations

During 1990, the Foundation established a separate Annuity fund to record the investment of funds upon which certain restrictions have been placed. In connection with these investments, the Foundation purchased three annuity contracts and established an annuity payable representing the present value of the payments to the annuitants over their remaining life expectancies.

The Foundation also established during 1990 a separate Cash Surrender Value fund for 16 life insurance policies which place certain restrictions on the use of the proceeds at the death of the donor. Three additional policies were recorded during 1991 and five additional policies were recorded during 1992.

Since the earnings on these investments are not available to all unitholders, they have been accounted for as restricted assets, liabilities and fund balance.

Note 4. Net Asset Value Per Outstanding Unit

The net asset value per outstanding unit was \$1.72 at December 31, 1992 and \$1.68 at December 31, 1991.

Note 5. Income Taxes

The Foundation is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code of 1954.

UNITED METHODIST FOUNDATION, INC. STATEMENT OF INVESTMENT OBJECTIVE AND POLICY

Investment Objective

The investment objective of the United Methodist Foundation, Incorporated is to maintain a balance between the current income needs of the Foundation and growth of principal and income in the future.

Safety of Principal

Although safety of principal is an important consideration, bonds or other debt instruments are to be used primarily for current income and common stocks are to be used primarily for principal enhancement.

Specific Quantifiable Objective

The specific quantifiable return of objectives of the Foundation shall be a minimum total return of 6% per year, net after expenses, over a reasonable period of time, which, under normal market conditions, is expected to be achieved over any cumulative five year period. Current income on an annual basis shall not be less than 6 percent.

Directed Commissions

The use of directed commissions is a helpful and sometimes necessary mechanism in order for the Investment Manager to secure information from outside sources, and it is not the intention of the Foundation to hamper the Investment Manager's use of these resources.

Asset Distribution

Except as noted under "Prohibited Transactions", investments are to be made in quality securities which, in the opinion of the Investment Manager, can best achieve the expected investment performance. The Foundation feels that a normal Equity-Debt ratio of 50/50 would be appropriate for their needs. However, this ratio may be varied at the discretion of the Investment Manager as long as the specified quantifiable objectives are realized. Any major shift of 20% or more must be discussed with the Investment Committee in advance. Fixed income securities are to be used to the extent necessary to provide relative portfolio stability and a high stream of current income. The bond portfolio should be strengthened to a maximum level of 60% of the total portfolio. Equities are to be used to provide potential for growth in principal and income.

Diversification

Although the Investment Manager has full discretion over the portfolio, the Foundation feels that individual investments, on the basis of cost, should not exceed 30% of the portfolio in any one industry or 10% of the portfolio in any single security. At the discretion of the Investment Manager, investments that have appreciated above these limits may continue to be held.

Delegation of Authority

It is expected that the portfolio under the Investment Manager's control will be invested in a manner consistent with the expressions in this statement. Within those limits, he has full control of assets. The Foundation does not expect to direct the purchase or sale of investments, but may advise when it has information regarding specific situations.

Quality of Securities

Only new purchase of bonds or other instruments of debt which are rated by Moody's and/or Standard & Poor's as "A" quality or above are to be used. Common stock holdings and/or common stock equivalents should be in (1) companies that have been rated in quality as "B" or above by Standard & Poor's, or (2) companies that are actively followed by the Investment Manager and are rated on a quality basis equal to or greater than Standard & Poor's rating of "B".

Measurement of Return

Investment performance should be measured in terms of total return, and not dividend and interest income alone. It is recognized that realized losses will occur in individual securities, even though each investment in the Foundation was made in the expectation of dividend income and /or capital appreciation. However, the measure of fund performance will be a total realized rate of return figure. The total Foundation, as well as the fixed income component and equity component, will be measured by using the time-weighted rate of return method.

Liquidity

From an investment standpoint, (i.e. accumulating cash equivalents in anticipation of better investment opportunities), the Investment Manager may invest up to 25% of the account in short term liquid assets.

Prohibited Transactions

Investments or trading in private placements, letter stock, commodities, venture capital, puts, calls, straddles, hedges, shortsales, or transactions on margin are specifically prohibited. Covered options trading on no more than twenty (20) percent of the equity portfolio may be used at the discretion of the Investment Manager. No investments are to be made in companies whose principal business is gambling, or the manufacturing or distribution of tobacco products or alcoholic beverages. The Foundation will not do business with or invest in banks making loans to the government of South Africa or its agencies, or who have operations within South Africa. The Foundation has no investments in South Africa and has adopted a policy of making no investments in South Africa.

Investment Review

The Investment Manager shall meet semi-annually with the Foundation and may meet quarterly with the Investment Committee with time and place of meetings to be designated by the Foundation. Special meetings may be called as necessary.

Payment of Income

Income to be generated by the account is to be paid to the Foundation quarterly. At any time the income is insufficient, the Investment Manager will be advised.

Realized Losses

The maximum realized losses may not exceed \$75,000 in any one year.

INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
Board of Missions, Inc.
Raleigh, North Carolina

We have audited the accompanying balance sheets of the Board of Missions, Inc., as of December 31, 1992 and 1991, and the related statements of revenues, expenses or distributions and fund balance for the years then ended. These financial statements are the responsibility of the Board's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Board of Missions, Inc., at December 31, 1992 and 1991, and the revenues, expenses or distributions and fund balance for the years then ended, in conformity with generally accepted accounting principles.

NOTES TO FINANCIAL STATEMENTS

Note 1. Nature of Operations and Significant Accounting Policies

Nature of operations:

The Board of Missions, Inc. was established primarily to encourage the construction of new churches and the remodeling and repairing of existing facilities by providing financial assistance to churches established in eastern North Carolina. All loans are secured by a first deed of trust on the Church property.

A summary of the Board's significant accounting policies follows:

Fund accounting:

The accounts of the Board of Missions, Inc. are maintained in accordance with the principles of fund accounting.

Other accounting policies:

Cash:

The Board places its cash with high quality financial institutions. At times this cash is in excess of the FDIC limit.

Investments:

Investments are represented in the financial statements in the aggregate at the lower of cost or fair market value. Gains are recognized when securities are sold and losses are recognized either when securities are sold or the aggregate cost exceeds aggregate fair market value. The cost of securities sold is determined on a specific-identification basis.

Property:

Property is capitalized at cost or at fair market value as of the date acquired when received by gift. All property consists of undeveloped land and depreciation is not recorded.

Note 2. Investments

All investments are deposited with the United Methodist Foundation, Inc. Cost and market values as of December 31, 1992 and 1991 were as follows:

	<u>1992</u>	<u>1991</u>
Cost	\$255,670	\$ 5,316
Market value	256,650	5,873

Note 3. Line of Credit

During 1991, the Board of Missions entered into a one-year financing agreement with a bank to borrow up to \$1,000,000, subject to review and renewal annually. The agreement was renewed in 1992. This agreement is collateralized by deeds of trust on certain real property located in eastern North Carolina and by various loans receivable. The agreement was renewed in 1992.

These funds are to be utilized by the Board of Missions for the specific purposes of granting loans to churches for building programs and acquiring undeveloped land for future church sites. The bank must approve the use of the loan proceeds which the Board distributes.

At December 31, 1992 and 1991 the balance on the line of credit was \$62,265 and \$241,082, respectively. Interest on the outstanding balance is paid at prime plus .5%. The rate was 6.5% and 9.5% at December 31, 1992 and 1991, respectively.

Note 4. Donated Services

The Board of Missions receives all management and administrative services from the North Carolina Conference, Southeastern Jurisdiction, of the United Methodist Church. Because of the difficulty in placing a value on such services, no contribution revenue or related expense has been recorded.

Note 5. Commitments

As of December 31, 1992, the Board of Missions had approved approximately \$672,000 in new loans to churches which had not been disbursed.
